Sleep Well Hippocrates:

Aristotle reads Hippocrates ,2024-08-05 Despite Aristotle s family background and his undeniable impact on ancient Greek medicine the influence of medicine on Aristotle s philosophy is controversial and far from universally acknowledged The aim of this volume is to re examine the influence of medical knowledge and literature on Aristotle s work in particular to explore the connections with the Hippocratic writings The volume encourages further exploration of this interdisciplinary area and offers new insights by presenting a series of case studies that examine in detail specific debates within the Aristotelian corpus in relation to the medical literature

Hippocrates of London Docteur Cybirdy,2024-05-13 In the pre Covid UK capital Melo a young blogger and anthropologist is sought out by the mysterious Dr Elpis a woman who hides her face Despite the doctor s secrecy Melo is intrigued by her open and honest desire to share her worldview as one of the last independent doctors in London Whip smart provocative and animated by a mystical quest of universality it is one of the most original collections of medical stories in recent years Docteur Cybirdy is a faceless writer and a General Physician who has practiced medicine for the past thirty years in France and in the UK Passionate about art of medicine and ethics in Hippocrates of London her debut novel she shares her anecdotes with humanity and dignity with a literary twist removed from hyper rationality

Diseases of the Brain Ricarda Gäbel, 2022-08-22 In earlier scholarship the late antique medical compilations of Oribasius of Pergamon Aetius of Amida and Paul of Aegina were rather neglected and were believed to add nothing new themselves to what Galen in particular had to say By now scholarship has undergone a positive change in attitude towards these authors and their works This book contributes to this modern picture of late antiquity as a vibrant and fascinating period through close analysis of the work of Aetius of Amida 6th century CE It offers the very first modern translation of chapters 1-10 of the sixth book of Aetius *Libri medicinales* as well as a detailed commentary on these chapters Together with an extensive introduction it thus makes Aetius' treatise accessible to a wider audience and takes into account Aetius' craft as a compiler by analyzing his literary and compilation techniques Book 6 of Aetius' compilation is especially interesting because it deals with diseases of the brain and thus also discusses mental illnesses such as phrenitis melancholia or mania Therefore this volume

also sheds light on the treatment of brain diseases in late antiquity and furthers our understanding of the history of mental disorders in ancient medical texts The Fallen Valkyrie Duet J.E. Taylor, 2023-12-04 A fallen Valkyrie A Fae Wraith hybrid Enemies become allies to survive a god's wrath Odin's Order to reap an innocent soul from Earth makes me question everything I have ever known as a Valkyrie Protecting the innocent is our basis for existing and now I must decide Do I blindly follow his order If I don't I will be just another casualty in Odin and Thor's destruction of the realms Anyone who challenges their rule dies a very public death regardless of their origins And now they have enslaved Earth Reyfyre a fae wraith hybrid and one of Asgard's enemies has been hiding in this realm his entire life When he finds me he offers asylum as long as I help him kill Odin and Thor With everything they have done how can I refuse When a bounty is placed on my head we make the decision to leave Reyfyre's mountain sanctuary and head to New York to get lost in the city of millions But the trek across the Canadian wilderness brings us face to face with hidden refugees predators and thieves There's no other option but to survive If we die then there will be no one left to stop the callous gods before they destroy the only realm left But are we strong enough to take down a god If you like dark twists on Norse Mythology you will love the Fallen Valkyrie duet
