## **Sleeping With The Pastor A Testimony Of An Abusive Marriage:**

**Sleeping with the Pastor** Toni Graham, 2005-12 As a Christian woman who suffered years of emotional abuse from my preaching spouse I have discovered that I m not alone Millions of Christian women stay in an abusive marriage because they are taught it is a sin to get a divorce As much as the Lord doesn t like divorce He does not want us to live in an abusive marriage You don t have to stay there and suffer in silence while your husband has an affair shows severe mood swings and verbally abuse you and all this is before he get up the preach to the congregation We are princess of the King we deserve the best that our Father has to offer Jesus came to save us from our sins but he also came to heal us to provide for us be it physically or emotionally God is still delivering his people from the hands of Pharaoh today I wanted to let women know that there is someone who understands and who s been there As I frantically search within the church walls for a woman who would give me the right advice and all I ran up against are women who stayed until their spouse died or they are still in the abusive marriage The others never had an abusive marriage and didn t know what to say Whether you stay or go this book is not to help you make up your mind but to just share my personal discover of my marriage to a minister that know matter how I tried to keep it together fell apart anyway Be encouraged and seek the Lord s guidance and your life GOD IS STILL IN CONTROL

Rapture Culture Amy Johnson Frykholm, 2004-03-04 In the twinkling of an eye Jesus secretly returns to earth and gathers to him all believers As they are taken to heaven the world they leave behind is plunged into chaos Cars and airplanes crash and people search in vain for loved ones Plagues famine and suffering follow The antichrist emerges to rule the world and to destroy those who oppose him Finally Christ comes again in glory defeats the antichrist and reigns over the earth This apocalyptic scenario is anticipated by millions of Americans These millions have made the Left Behind series novels that depict the rapture and apocalypse perennial bestsellers with over 40 million copies now in print In Rapture Culture Amy Johnson Frykholm explores this remarkable phenomenon seeking to understand why American evangelicals find the idea of the rapture so compelling What is the secret behind the remarkable popularity of the apocalyptic genre One answer she argues is that the books provide a sense of identification and communal belonging that counters the social atomization that characterizes modern life This also helps explain why they appeal to female readers despite the deeply patriarchal worldview they promote Tracing the evolution of the genre of rapture fiction Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views Now however evangelicalism's renewed popular appeal has rendered such themes obsolete Left Behind evinces a new embrace of technology and consumer goods as tools for God's work while retaining a protest against modernity's transformation of traditional family life Drawing on extensive interviews with readers of the novels Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose
