A Slice of Life Lee Sturgeon-Day,1991 *A Slice of Life* describes the author s experiences of a year following the diagnosis of breast cancer and introduces the unique cancer treatment of anthroposophic medicine and therapies widely used in Europe and available in the USA *A Slice of Life* Lee Sturgeon-Day,2001 Fourteen years ago Lee Sturgeon Day was diagnosed with breast cancer Three years later after a variety of treatments her annual check up showed her to be completely clear She now counts herself one of the lucky ones and in this account of her illness and healing writes vividly and clearly of all that she learnt through her experience Many of those she came in contact with through her cancer have now died Cancer is clearly a disease of our time the author believes and it seems to strike with no pattern or predictability She describes the difficult and emotional period of assessing all the medical responses available from surgery to complementary medicine Her choice was to look to the principles and methods of anthroposophical medicine a whole person approach informed by the insights of Rudolf Steiner Working with doctors and healers to restore wholeness to her body and spirit using a range of therapies and treatments much of her personality is called on to change She learns above all that she does not have to nor even can do it all by herself The Women's Desk Reference Irene M.
