father and his two friends are sent on a path that will send their time into the jaws of demise With betrayal love lies and truth a son steps up to the plate to save a selected people If he fails not only will everything that they know perish But the very existence of all life beyond the barrier will be casted into war that will leave nothing but ashes behind Myths and Legends of California and the Old Southwest Anonymous, In the beginning of the New making the ancient fathers lived successively in four caves in the Four fold containing earth The first was of sooty blackness black as a chimney at night time the second dark as the night in the stormy season the third like a valley in starlight the fourth with a light like the dawning Then they came up in the night shine into the World of Knowing and Seeing So runs the Zuni myth and it typifies well the mental development insight and beauty of speech of the Indian tribes along the Pacific Coast from those of Alaska in the far away Northland with half of life spent in actual darkness and more than half in the struggle for existence against the cold and the storms loosed by fatal curiosity from the bear's bag of bitter icy winds to the exquisite imagery of the Zunis and other desert tribes on their sunny plains in the Southland It was in the night shine of this southern land with its clear dry air and brilliant stars that the Indians looking up at the heavens above them told the story of the bag of stars of Utset the First Mother who gave to the scarab beetle when the floods came the bag of Star People sending him first into the world above It was a long climb to the world above and the tired little fellow once safe sat down by the sack After a while he cut a tiny hole in the bag just to see what was in it but the Star People flew out and filled the heavens everywhere Yet he saved a few stars by grasping the neck of the sack and sat there frightened and sad when Utset the First Mother asked what he had done with the beautiful Star People The Sky father himself in those early years of the New making spread out his hand with the palm downward and into all the wrinkles of his hand set the semblance of shining yellow corn grains gleaming like sparks of fire in the dark of the early World dawn See said Sky father to Earth mother our children shall be guided by these when the Sun father is not near and thy mountain terraces are as darkness itself Then shall our children be guided by light So Sky father created the stars Then he said And even as these grains gleam upward from the water so shall seed grain like them spring up from the earth when touched by water to nourish our children And he created the golden Seed stuff of the corn Polishing the Petoskey Stone Luci Shaw, 2003 Luci Shaw is someone who knows the world the oldest definition of a poet Her animating intelligence descends into the concrete facts of our existence to discover the divine force that shapes the world and maintains its being Her poetry recapitulates that intimate naming by which man defines himself the first role God assigned to the human creature Harold Fickett author of The Holy Fool Longtime readers of these poems will renew old acquaintances and pick up a sheaf of new friends besides New readers will welcome her gifts of Word crafted icons by which we behold the Glory see the Holy Eugene H Peterson Polishing the Petoskey Stone is a wonderful compilation of many of the richest of Luci Shaw's poems both old and new It's wonderful to see growth in her understanding of the joys and tragedies of life as they can be expressed in poetry I sense a new and perhaps harsher view of reality which is always redeemed by the never failing love
