The Preacher Remembers Franklin Owen,1985 [Index to Book Reviews in Religion](#) ,1988 **Remembering the Crusades and Crusading** Megan Cassidy-Welch,2016-11-03 Remembering the Crusades and Crusading examines the diverse contexts in which crusading was memorialised and commemorated in the medieval world and beyond The collection not only shows how the crusades were commemorated in the twelfth and thirteenth centuries but also considers the longer term remembrance of the crusades into the modern era This collection is divided into three sections the first of which deals with the textual material and visual sources used to remember Each contributor introduces a particular body of source material and presents case studies using those sources in their own research The second section contains four chapters examining specific communities active in commemorating the crusades including religious communities family groups and royal courts Finally the third section examines the cultural memory of crusading in the Byzantine Iberian and Baltic regions beyond the early years as well as the trajectory of crusading memory in the Muslim Middle East This book draws together and extends the current debates in the history of the crusades and the history of memory and in so doing offers a fresh synthesis of material in both fields It will be essential reading for students of the crusades and memory **The Zondervan 2019 Pastor's Annual** T. T. Crabtree,2018-07-24 Countless preachers have turned to the Zondervan Pastor s Annual to save them time in sermon and service preparation This tried and true resource makes your demanding job as a pastor a lot easier Use its contents as is or tailor it to fit your unique approach The Zondervan 2019 Pastor s Annual supplies you with Morning and evening services for every Sunday of the year Sermon topics and texts fully indexed Definitive and usable sermon outlines Devotionals and Bible studies for midweek services Fresh and applicable illustrations Appropriate hymn selections Special day services for church and civil calendars Meditations on Lord s Supper observance Wedding ceremonies and themes Funeral messages and Scriptures Basic pastoral ministry helps Messages for children and young people Offertory prayers **Poets, Players, and Preachers** Anne James,2016-01-01 On the night of November 4th 1605 the English authorities uncovered an alleged plot by a group of discontented Catholics to blow up the Houses of Parliament with the lords princes queen and king in attendance The failure of the plot is celebrated to this day and is known as Guy Fawkes Day In Poets Players and Preachers Anne James explores the literary responses to the discovery of the Gunpowder Plot in poetry drama and sermons This book is the first full length study of the literary repercussions of the conspiracy By analyzing the genres of poems plays and sermons produced between 1605 and 1688 the author argues that not only did the continuous reinterpretation of the conspiracy serve religious and political purposes but that such literary reinterpretations produced generic changes **Oneness Pentecostalism** Lloyd D. Barba,Andrea Shan Johnson,Daniel Ramírez,2023-03-13 This volume traces the history of Oneness Pentecostalism in North America It maps the major ideas arguments periodization and historical figures corrects long standing misinterpretations and draws attention to how race and gender impacted the growth

and trajectories of this movement Oneness Pentecostalism emerged in the aftermath of the Azusa Street Revival 1906 baptizing its members in the name of Jesus Christ rather than the Father Son and Holy Spirit and splintering from trinitarian Pentecostals With its rapid growth throughout the twentieth century especially among ethnic minorities Oneness Pentecostalism assumed a diversity of theological ethnic and cultural expressions This book reckons with the multiculturalism of the movement over the course of the twentieth century While common interpretations tend to emphasize the restorationist impulse of Oneness Pentecostalism leading to notions of a static unchanging movement the contributors to this work demonstrate that the movement is much more fluid and that the interpretation of its history and theology should be grounded in the variegated North American contexts in which Oneness Pentecostalism has taken root and dynamically developed Groundbreaking and interdisciplinary this volume presents diverse perspectives on a significant religious movement whose modern origins are embedded within the larger Pentecostal story It will be welcomed by religious studies scholars and by practitioners of Oneness Pentecostalism In addition to the editors the contributors to this volume are Daniel Chiquete Dara Coleby Delgado Patricia Fortuny Loret de Mola Manuel Gaxiola David A Reed Rosa Sailes and Daniel Segraves
