The Blind Spot and Other Stories of the Supernatural Saki - H H Monroe, 2016-10-17 Saki The Blind Spot and Other Stories of the Supernatural Hector Hugh Munro is perhaps the most graceful spokesman for England's golden afternoon those slow and peaceful years prior to the outbreak of World War I The good wit of bad manners elegantly spiced with irony and deftly controlled malice has made Saki stories small perfect gems of the English language The Blind Spot and Other Stories of the Supernatural contain all his short stories about the supernatural

The Unrest-Cure and Other Stories Saki, 2013-06-18 An NYRB Classics Original The whimsical macabre tales of British writer H H Munro better known as Saki skewer the banality and hypocrisy of polite English society between the end of the Victorian era and the beginning of World War I Saki's heroes are enfants terribles who marshal their considerable wit and imagination against the cruelty and fatuousness of a decorous and doomed world Here Saki's brilliantly polished dark gems are paired with illustrations by the peerless Edward Gorey available for the first time in an English language edition The fragile elegance and creeping menace of Gorey's pen and ink drawings perfectly complements Saki's population of delicate ladies mischief making charges spectral guests sardonic house pets flustered authority figures and delightfully preposterous imposters

"Richard Goes to Prison" and Other Stories Harley Granville-Barker,2004 This book rescues from oblivion the seven known short stories of Harley Granville Barker and demonstrates the sometimes very close relationship between individual stories and one or another of Barker s plays written about the same time Quite apart however from these considerations of the connections between his works in prose fiction and his dramatic pieces the book seeks to examine the merits of the stories in their own right and to compare them with the work of other short story writers of the same period including Galsworthy Lawrence and Munro Though his output in this genre was small Barker is not dwarfed in this scintillating company Eric Salmon is a theater historian and writer
