2.2 *Philosophical & Sociological Perspectives of Education*

- I (ITEP) KHRITISH SWARGIARY, 2025-07-01 As the author of Philosophical Sociological Perspectives of Education I I am delighted to present this work to student teachers educators and all those passionate about understanding the profound interplay between philosophy sociology and education This book is crafted with the intent to serve as a comprehensive guide for exploring the foundational principles that shape educational thought and practice It is designed to provoke reflection inspire dialogue and foster a deeper appreciation of the philosophical and sociological dimensions that inform the educational process The journey of writing this book stems from a recognition of the critical need to bridge ancient wisdom with contemporary educational practices By delving into Indian and Western philosophical traditions alongside the visionary contributions of great educational thinkers this work aims to equip prospective teachers with the intellectual tools to navigate the complexities of modern education The inclusion of sociological perspectives further enriches this exploration emphasizing the role of values culture and society in shaping educational aims and practices This book is not merely an academic exercise but an invitation to engage with timeless questions about the nature of knowledge human existence and societal aspirations It is my hope that readers will find in these pages both inspiration and practical insights to enrich their educational practice and contribute meaningfully to the evolution of education in the 21st century

PHILOSOPHICAL AND SOCIOLOGICAL BASES OF EDUCATION, SECOND EDITION RAVI, S. SAMUEL, 2021-01-01 Education and philosophy go hand in hand It is through the power of knowledge our philosophers laid a foundation of educational theories and set a stepping stone for the modern day education system and educational institutions This book gives a comprehensive account of

the fundamental theories laid by the philosophers and the society's role in shaping them up. The special feature of the book is that it teaches and explains more than what an ordinary teacher does in a limited time. It stresses on the understanding and practice of the concepts learnt rather than mere memorisation. NEW TO THE SECOND EDITION: Now the book comprises 40 chapters out of which 15 have been newly introduced and are tactically placed under the three units of the book.

Unit 1
Philosophy and Education
Realism
Humanism
Awakenism
