## **Sri Aurobindo A Critical Interpretation:**

Perspectives on Sri Aurobindo's Poetry, Plays, and Criticism Amrita Paresh Patel, Jaydipsinh Dodiya, 2002 This Book It Is Hoped Will Create In The Readers Not Only An Interest In Sri Aurobindo S Literary Work But Also An Awareness About His Message Of Integralism And Its Continued Relevance For All Times      **The Integral Advaitism of Sri Aurobindo**

Rāmacandra Mísra, 1998 ABOUT THE BOOK Sri Aurobindo has developed an original system of the Vedanta called Integral Advaitism This book gives a systematic thorough and authentic exposition of his thought The fundamental and living issues namely the concept of the Absol      *The Political Philosophy of Sri Aurobindo* Vishwanath Prasad Varma, 1990-01-01      **The Perennial Quest for a Psychology with a Soul** Joseph Vrinte, 2002-01-01 The subject matter of this book is so vast that it would be presumptuous to attempt to deal with comprehensively and it would be preposterous to pretend to a final solution to a set of ideas as comprehensive as these worldviews The author is aware that the contents of this comparative study may appear offensive to the followers of Sri Aurobindo He tries to stimulate a fruitful dialogue and evaluates this dialogue in a sympathetic manner when he refers to the intentions of both thinkers      *Introduction to Sri Aurobindo's Philosophy* Dr. N.N. Londhe, 2017-06-13 Having applied the standards of modern critical theory it may sound fruitless to account for biographical details of writer in interpreting his work as the biographical details either hold no importance or have nothing to do with the work of art in the sense that once a work of art is born it loses its connection with the creator Moreover even in the moment of creation the author remains detached from his creation However there are some exceptions to this It has been observed that the biographical details are of immense help in partly making sense of what the concerned author has encoded These details can be correlated to his writing In the case of some writers their life has a special relation with what they write how they led their life what inspiration they sought what influences they received and imbibed in their personality what experiences they lived with and what events and occasions they confronted All these partly go into the making of a literary personality      *Sri Aurobindo's Integral and Supramental Yoga in Savitri* Dr. N.N. Londhe, 2017-06-16 Having applied the standards of modern critical theory it may sound fruitless to account for biographical details of writer in interpreting his work as the biographical details either hold no importance or have nothing to do with the work of art in the sense that once a work of art is born it loses its connection with the creator Moreover even in the moment of creation the author remains detached from his creation However there are some exceptions to this It has been observed that the biographical details are of immense help in partly making sense of what the concerned author has encoded      *The Bloomsbury Research Handbook of Vedanta* Ayon Maharaj, 2020-05-28 This handbook brings together a distinguished team of scholars from philosophy theology and religious studies to provide the first in depth discussion of Vedanta and the many different systems of thought that make up this tradition of Indian philosophy Emphasizing the historical development of Vedantic thought it includes chapters on numerous classical Vedantic philosophies as well as the modern Vedantic views of Sri Ramakrishna Sri

Aurobindo and Romain Rolland The volume offers careful hermeneutic analyses of how Vedantic texts have been interpreted and it addresses key issues and debates in Vedanta including religious diversity the nature of God and the possibility of embodied liberation Venturing into cross philosophical and cross cultural territory it also brings Vedanta into dialogue with Saiva Nondualism as well as contemporary Western analytic philosophy Highlighting current scholarly controversies and charting new paths of inquiry this is an indispensable research guide for anyone interested in the past present and future of Vedanta and Indian philosophy

**Indian English Literature** Gajendra Kumar,2001 *Mahatma Gandhi and Sri Aurobindo* Ananta Kumar Giri,2021-11-14 This book presents the first systematic critical exploration of the philosophical and political thoughts of Mahatma Gandhi and Sri Aurobindo both pioneers of modern Indian thought Bringing together experts from across the world the volume examines the thoughts ideas actions lives and experiments of Mahatma Gandhi and Sri Aurobindo on themes such as radical politics and human agency ideals of human unity social practices and citizenship horizons of sustainable development and climate change inclusive freedom conceptions of swaraj interpretations of texts Sri Aurobindo s views on Indian culture integral yoga transformative leadership Anthropocene and alternative planetary futures The book discusses the contemporary legacies and works of the two influential thinkers It offers insights into historical philosophical theoretical literary and sociological questions that establish the need for transdisciplinary dialogues and the relevance of their visions towards future evolution This book will be useful to scholars and researchers of political science Indian political thought comparative politics philosophy Indian philosophy sociology anthropology modern Indian history peace studies cultural studies religious studies and South Asian studies

Is There a Single Right Interpretation? Michael Krausz,2007-08-09 Is there a single right interpretation for such cultural phenomena as works of literature visual artworks works of music the self and legal and sacred texts In these essays almost all written especially for this volume twenty leading philosophers pursue different answers to this question by examining the nature of interpretation and its objects and ideals The fundamental conflict between positions that universally require the ideal of a single admissible interpretation singularism and those that allow a multiplicity of some admissible interpretations multiplism leads to a host of engrossing questions explored in these essays Does multiplism invite interpretive anarchy Can opposing interpretations be jointly defended Should competition between contending interpretations be understood in terms of bivalent truth or multivalent reasonableness appropriateness aptness or the like Is interpretation itself an essentially contested concept Does interpretive activity seek truth or aim at something else as well Should one focus on interpretive acts rather than interpretations Should admissible interpretations be fixed by locating intentions of a historical or hypothetical creator or neither What bearing does the fact of the historical situatedness of cultural entities have on their identities The contributors are Annette Barnes No 1 Carroll Stephen Davies Susan Feagin Alan Goldman Charles Guignon Chhanda Gupta Garry Hagberg Michael Krausz Peter Lamarque Jerrold Levinson Joseph Margolis Rex Martin Jitendra Mohanty David Novitz Philip Percival Torsten Pettersson

Paradiso-Michau, 2023-12-12 *Creolizing Frankenstein* dissects and critically appreciates Mary Shelley's 200 year old novel Contributors advance two claims first this story is the product of creolization the intentional conglomeration of a variety of scientific mythological political religious gender educational historical and racial discourses Second they trace the ways in which Frankenstein has creolized itself into modern and contemporary life and culture in such a way as to have become a new mythology and political statement for each generation The contributors to this book place Frankenstein into productive conversation with such figures and fields as Frederick Douglass and slave narrative Frantz Fanon and postcolonial theory Afro Caribbean Hispanophone and Francophone literature nineteenth century labor history the Black Radical Tradition Trans studies feminist theory Marxism and critical social theory film studies music and media studies Afro futurism and African futurism political theory education theory Gothic literary studies and Africana philosophy Contributors Kyle William Bishop Persephone Braham Alan M S J Co ee Emily Datskou Garrett FitzGerald Jeremy Matthew Glick Jane Anna Gordon Lewis R Gordon Raphael Hoermann Elizabeth Jennerwein Corey McCall David McNally Thomas Meagher Michael R Paradiso Michau Borna Radnik Lindsey Smith Amy Shu elton Jasmine Noelle Yarish Elizabeth Young Paul Youngquist      **Psychology in India**
