Mahatma Gandhi and Sri Aurobindo Ananta Kumar Giri, 2021-11-14 This book presents the first systematic critical exploration of the philosophical and political thoughts of Mahatma Gandhi and Sri Aurobindo, both pioneers of modern Indian thought. Bringing together experts from across the world, the volume examines the thoughts, ideas, actions, lives, and experiments of Mahatma Gandhi and Sri Aurobindo on themes such as radical politics, human agency, ideals of human unity, social practices, and citizenship. It explores horizons of sustainable development and climate change, inclusive freedom, conceptions of swaraj, interpretations of texts, Sri Aurobindo's views on Indian culture, integral yoga, transformative leadership, Anthropocene, and alternative planetary futures. The book discusses the contemporary legacies and works of the two influential thinkers. It offers insights into historical, philosophical, theoretical, literary, and sociological questions that establish the need for transdisciplinary dialogues and the relevance of their visions towards future evolution. This book will be useful to scholars and researchers of political science, Indian political thought, comparative politics, philosophy, Indian philosophy, sociology, anthropology, modern Indian history, peace studies, cultural studies, religious studies, and South Asian studies.

Sri Aurobindo Roshen Dalal, 2023-08-21 An illuminating exploration of the life and philosophy of an uncommon visionary. Widely revered as a preeminent philosopher and spiritual leader, Sri Aurobindo's teachings and legacy inspire millions across the globe. Yet the true essence of his wisdom remains an enigma, intensified further by the mystique surrounding his life. In this comprehensive new biography, veteran historian Roshen Dalal sets out to demystify Aurobindo's unique journey. From his early years and education in England to his consequential return to India during its embryonic freedom movement, his arrest in the infamous Alipore Bomb Case, and subsequent spiritual awakening and ascetic life at his ashram in Pondicherry, she unravels the intricate events and relationships that shaped his thinking, particularly his collaborations with his spiritual partner, the Mother. Through

meticulous analysis of his writings she sheds light on Aurobindo's radical path for the future towards a harmonious world order and the awakening of a divine consciousness culminating in the ultimate transformation of humanity. Drawing from over three decades of research Dalal presents here the most accessible, lucid and insightful portrait of Sri Aurobindo to date. She underscores the pioneering ideas of a visionary thinker and the enduring power of his legacy. Sri Aurobindo Sachidananda Mohanty, 2012-04-27 This book compiles some of the finest writings of Sri Aurobindo 1872-1950, the nationalist visionary poet, philosopher. It reflects the range, depth and outreach of the moral, intellectual and spiritual vision of this versatile and multifaceted genius. It aims at providing at one place access to the key concepts, tenets and the spirit of the extraordinary range of texts authored by him. Although concretely grounded in contemporary times with its location in a specific socio-cultural matrix, this work projects a body of writings that is certain to have lasting value. In particular, the compilation brings forth Sri Aurobindo's social vision and his role as a cultural critic, his views on ethnicity, his exposition of the key role language plays in the formation of communitarian identities, his crucial understanding of self-determination which has incidentally become an important aspect of human rights discourse today. Situating the writings in a specific intellectual, spiritual and historical context, this collection will enable readers to appreciate the overall vision of Sri Aurobindo in what can be conceived as a caravan of history of ideas in terms of a common heritage of humankind and recent developments in theory and disciplinary practice, especially those pertaining to consciousness and future studies. The Life and Times of Sri Aurobindo Ghosh Kaushal Kishore, 2016-01-01 Aurobindo's ideology and principles embody divinity, ethics, spontaneity and knowledge. He was an accomplished teacher, a profound scholar, writer and a spiritual Guru. For him, nationalism was a holy offering to the motherland when viewed from the divine perspective. Aurobindo also played a very prominent role as a revolutionary. His contribution to politics cannot be ignored. Although his writings are philosophical in nature, they also provide valuable social and cultural analysis. He was the one who suggested that Poorna Swaraj should be the main aim behind the revolutionary movement against the British. Nationalists were aroused with the inspiration to seize power from the foreign masters. Aurobindo was an eminent educationist also. He valued greatly the inherent qualities and talents in each child. He felt that the role of education should be to nurture and enhance these God-given qualities. This book throws light on Sri Aurobindo Ghosh's life. This is a biographical sketch for readers. Readings in Living Within: The Yoga Approach to Psychological Health and Growth Santosh Krinsky, 2023-10-10 What is psychological health and growth Western psychology tends to define psychological health as the absence of various forms of

extreme disturbance or disruption Normal levels of dissatisfaction upset ness are considered to be both acceptable and part of everyday life It is only when someone experiences a psychological state that drifts into total disorientation violence suicidal thoughts or disassociation from the expectations of society that psychology labels the behavior as unhealthy or harmful There is however another way to look at the issue of psychological health and growth and that is to affirm the development of positive attributes as representing health Thus the individual can find and implement measures to create forward looking and positive directions in his life and contextualize the obstacles or issues that arise as challenges to be met and overcome along the way Western psychology has a very rudimentary view of human psychology perhaps due to the fact that as a science it has been around for a very short period of time and has not yet had the opportunity to look into the vast ranges of human psychology and the complexity of the various aspects of our being and their interaction with one another Nowadays as Western psychology has developed more emphasis is being placed on the wider field of human growth and empowerment and thus Western psychology is entering a field long known to the yogic practitioners of India who long ago codified the actions of mind life and body and found ways to enhance the developmental powers of existence Patanjali s Yoga Sutras set forth a systematic approach to psychological development for instance Many yogic practices are based in a deep understanding of human psychology In the present volume Dr A S Dalal bridges the gap between Western psychology and Eastern spirituality as he explores the detailed inner workings of human life and provides at the same time a way of understanding based on the ground breaking work of Sri Aurobindo and The Mother which puts the human potential for self exceeding front and center Dr Dalal has compiled this book from the writings of Sri Aurobindo and the Mother after first providing a detailed introduction and outline of their approach to facing issues overcoming disturbances and enhancing peace creativity growth and satisfaction in life He calls upon the principles of yogic psychology to show us the way beyond reactions of anger fear anxiety and depression as well as how to achieve positive mental health and psychological growth from the Introduction
