translations of India's spiritual classics Under his guidance the Bhaktivedanta Book Trust was organized and by 1977 it had produced and distributed more than sixty million volumes of Srila Prabhupada's writings A final tour of India in 1977 took Srila Prabhupada eighty one and in failing health to the colossal Kumbha mela religious festival to Hrsikesha and finally back to his beloved Vrindavana The time for his passing had come he said As his anguished disciples flooded Vrindavana from all corners of the world Srila Prabhupada presented them with the greatest challenge and the greatest lesson of their young spiritual lives

Srila Prabhupada-lilamrta, volume 1 Satsvarupa Dasa Goswami, Srila Prabhupada lilamrta tells the story of a remarkable individual and a remarkable achievement The individual is A C Bhaktivedanta Swami Prabhupada philosopher scholar religious leader saint The achievement is the revolutionary transplantation of a timeless spiritual culture from ancient India to twentieth century America This first of two volumes begins with the story of the events leading up to Srila Prabhupada's meeting his guru an encounter that ignited in Srila Prabhupada a slowburning flame of desire to take Krishna consciousness to the Western world His early life was a period of patient and transcendent determination as he prepared for a mission that would later be crowned with astounding success In August and September of 1965 Srila Prabhupada traveled alone aboard a steamship from India to New York City with no more than the equivalent of eight dollars in his pocket and no institutional backing but with unshakable faith in Lord Krishna and the instructions of his spiritual master It is the 1960s an era in which the children of those who fought World War II were leading a sweeping revolt against a society losing its soul to godless mass consumerism Into this milieu Srila Prabhupada brought a vision for a new kind of society a society born of a radical transformation of human consciousness from materialism to the loftiest spiritual and ethical idealism By 1967 he had arrived in San Francisco's Haight Ashbury district America's counter culture capital where he continued his work of calling America's youth to live up to their higher spiritual ideals and distributing the holy name of Krishna indiscriminately By the end of the volume we have seen Srila Prabhupada in England meeting the Beatles Holland Japan Africa and finally back in India where he triumphantly returned with his dancing white elephants a group of his mostly Caucasian Western followers The research team assembled by the author traveled throughout the world to gather thousands of hours of interviews with hundreds of people who knew Srila Prabhupada diaries and memoirs from his students and more than seven thousand of Srila Prabhupada's letters Then the author and his team

philosophy they cannot argue that they refuse to accept the words emanating from the lotus mouths of persons whom they accept as being as good as God Though this book is titled 100 Deviations The Life and Teachings of His Holiness Sivarama Swami readers should note that it is not that we are alleging that the Swami is deviating Rather it is the statements and actions of Sivarama Swami documented in this book which prove that the Swami is himself admitting he is deviating Therefore anyone upset or disturbed at the contents of this book must take up the matter with the source of the contents of this book which is Sivarama Swami himself Since this book is Sivarama Swami presenting his own life and teachings in his own words it can thus be considered as an autobiography of this ISKCON guru How much respect is meant to be offered to Vaisnavas we should be very careful in terms of our interpersonal dealings amongst Vaisnavas particularly when we speak because in Kali yuga especially in our sort of communication age everyone is free to speak and say anything about anyone else So number one we should not criticize others HH Sivarama Swami It is a matter of how to deal with restrict constrain JPS Jayapataka Swami in a way that does not break him his disciples and also protects the Society from him From the evidence I would say that he is a sick person obsessed and that obsession makes lying or duplicitous behaviour fully reconcilable with service to Prabhupada and Krishna Consciousness HH Sivarama Swami *The Beautiful Life Of Jayananda Thakur (English)* Vishoka Dasa,2001-01-01 There are many great saints in history both in the Eastern and Western traditions The unique distinction of Saint Jayananda is that he was born in the Western world yet he is virtually the first Western born servant of God to have attained sainthood status within an Eastern spiritual discipline namely the ancient tradition of bhakti or devotion to Lord Sri Krishna And Jayananda s sainthood has been clearly established by Krishna Conscious authorities *Getting Through* Satsvarūpa Dāsa Gosvāmī,2003 *Adventures Of A Travelling Monk* Indradyumna Swami,2024-04-24 With my time in the Marines behind me I gradually found myself on a personal quest for answers a spiritual journey I had left behind the disciplined life of a soldier and was wandering in search of meaning Deeply affected by the death of his entire platoon in the Vietnam War Lance Corporal Brian Tibbitts embarked upon the pursuit of the real meaning and purpose of life To his dismay none of the major spiritual and religious texts he read could fully answer his questions until he found Bhagavad gita As It Is and met its author Srila A C Bhaktivedanta Swami the founder of the International Society for Krishna Consciousness ISKCON At the age of twenty one Brian Tibbitts became his disciple and at the age of twenty nine became Indradyumna Swami when he entered the renounced order of life Instructed by his spiritual master to preach boldly and have faith in the holy names of God he left the USA initially for Paris What followed over the next five decades was a rollercoaster journey across the globe From surviving attacks in post war Sarajevo to being mistaken for a terror suspect in North America to losing his clothes and his way amid the 125 million pilgrims at the Kumbh Mela his life has been one adventure after another Inspirational and engrossing *Adventures of a Travelling Monk* is a riveting account of the fifty years of Indradyumna Swami s active service in the Hare Krishna movement Memories - Anecdotes Of A Modern - Day Saint (Volume 2)
