Saint Bartholomew's Eve G. A. Henty, 2013-05-28 An hour later indeed the whole Catholic force horse and foot were seen to march away by the road along which they had come As soon as they did so a trumpet summoned the defenders from the walls and house The women and children also poured out into the courtyard and the minister taking his place by the side of the countess on the steps of the chateau a solemn service of thanksgiving to God for their preservation from the danger that had threatened them was held It was now five o clock and the short winter day was nearly over Many of the tenants would have started off to their farms but Francois begged them to remain until next morning The smoke told you what to expect he said You will find nothing but the ruins of your houses and in this weather it would be madness to take your wives and families out In the morning you can go and view your homes If there are still any sheds standing that you can turn into houses for the time you can come back for your wives and families If not they must remain here till you can get up shelter for them In this bitter cold weather you could not think of rebuilding your houses regularly nor would it be any use to do so until we get to the end of these troubles But you can fell and saw wood and erect cottages that will suffice for present use and serve as sheds when better times return *St. Bartholomew's Eve* George Alfred Henty, 1893 *St. Bartholomew's Eve*

Henty,2014-02 It is difficult in these days of religious toleration to understand why men should three centuries ago have
flown at each others throats in the name of the Almighty still less how in cold blood they could have perpetrated hideous
massacres of men women and children The Huguenot wars were however as much political as religious Philip of Spain at that
time the most powerful potentate of Europe desired to add France to the countries where his influence was all powerful and
in the ambitious house of Guise he found ready instruments For a time the new faith that had spread with such rapidity in
Germany England and Holland made great progress in France also But here the reigning family remained Catholic and the
vigorous measures they adopted to check the growing tide drove those of the new religion to take up arms in self defence
Although under the circumstances the Protestants can hardly be blamed for so doing there can be little doubt that the first
Huguenot war though the revolt was successful was the means of France remaining a Catholic country It gave colour to the
assertions of the Guises and their friends that the movement was a political one and that the Protestants intended to grasp all
power and to overthrow the throne of France It also afforded an excuse for the cruel persecutions which followed and rallied
to the Catholic cause numbers of those who were at heart indifferent to the question of religion but were Royalists rather
than Catholics The great organization of the Church of Rome laboured among all classes for the destruction of the growing
heresy Every pulpit in France resounded with denunciations of the Huguenots and passionate appeals were made to the
bigotry and fanaticism of the more ignorant classes so that while the power of the Huguenots lay in some of the country
districts the mobs of the great towns were everywhere the instruments of the priests I have not considered it necessary to
devote any large portion of my story to details of the terrible massacres of the period nor to the atrocious persecutions to
which the Huguenots were subjected but have as usual gone to the military events of the struggle for its chief interest For

the particulars of these I have relied chiefly upon the collection of works of contemporary authors published by Monsieur Zeller of Paris the Memoirs of Francois de la Noue and other French authorities
