Saint Benedict's Prayer Book for Beginners Ampleforth Abbey Press,1994-01-31 Some may think that the point of prayer is to get our own way with extra terrestrial help or to save us from facing the problems of life or to provide an escape from reality or to give an emotional uplift that makes you feel good Some may think that prayer is a way of expanding our consciousness which is achieved by our own discipline and personal effort at self improvement These are caricatures of what Christian prayer really is There may be a strand of truth in some of them but they miss the real point of prayer

health and blessings for our loved ones We also ask for prayers to reach those less fortunate and those who do not know God Our loving God created us in His image and gave us the Ten Commandments as a code to live by so that after death we could be worthy enough to join Him in heaven Since mankind is weak and prone to sin God showed his great love for us by sending His beloved Son our Lord Jesus Christ a pure Lamb as a redemption for our sins It is only through Jesus and following His ways that we can enter the kingdom of heaven Jesus proved Himself to be God by His many miracles on earth But remember that the Immaculate Virgin Mary through God received the Holy Spirit and was chosen to give birth and raise our Savior Jesus Christ One can enter Heaven only through Him So believe in Him as God who made His Mother Mary second to Him in power on earth and she helps Him save more souls to be in Heaven with them He made her first before He became a human being in her womb Hence she was created without original sin We pray especially to Mother Mary who is a true mother in that she considers all of us as her children She has proven this by appearing in many different countries and performing many miracles most notably the well known healings in Fatima Portugal and in Lourdes France Through her being our Mediatrix to Jesus She can lessen the number of years one's soul stays in purgatory thus helping one go to Heaven earlier to be with Her
