the life of Dominic founder in 1216 of the Order of Preachers and brings him to life not in a hagiographical way but as someone who has contemporary appeal **The Life of St. Dominic, and a Sketch of the Dominican Order** J. S. Alemany, 2021-10-29 Reprint of the original first published in 1867 **Saint Dominic's Way of Life** Patrick Mary Briscoe, OP, Jacob Bertrand Janczyk, OP, 2021-06-01 Few Catholics today know much about Saint Dominic who died eight hundred years ago in 1221 Unlike Francis of Assisi Teresa of Avila or Ignatius of Loyola Dominic did not leave a deposit of writings to be examined and built upon Yet this medieval Spaniard still has much to teach us today and we see this in the way of life he left to the Church Dominic offers a rich approach to Christian living not just for members of the Order of Preachers the religious order he founded but for all Catholics His dedication to prayer penance and the Word of God and his love of neighbor form the deep foundation of his project of being conformed to God By following in Dominic's footsteps we too can discover how to live with a heart that is undivided seeking God first in all things The twenty first century remains in need of the witness and ministry of Saint Dominic the thirteenth century priest who consecrated his life to the sharing of saving truth Fortunately Fathers Briscoe and Janczyk have produced a highly readable and inspiring book that enables the men and women of our own time to discover the graces that Dominic continues to bring to us as an instrument of God the author of grace In Saint Dominic the contemplative preacher of grace we can all find a spiritual father who will teach us to know and love the Lord Jesus who is himself Saving Truth Father Sebastian White OP editor in chief Magnificat This beautiful book allows us to get to know Saint Dominic better who was so close to God and so full of compassion for all the sufferings of his time He is a shining example of what we are called to do today seek God with all our heart to pour out the balm of his merciful love on all the plagues of our world Father Jacques Philippe best selling author and retreat master ABOUT THE AUTHORS Father Patrick Mary Briscoe OP and Father Jacob Bertrand Janczyk OP are cohosts of the lively Dominican friars podcast Godsplaining Father Patrick serves as deputy senior editor of Aletheia.org and associate chaplain at Providence College Father Jacob Bertrand is the director of vocations of the Dominican Province of St Joseph As the Morning Star: The Life of St. Dominic Jerome Wilms, 2020-09-08 That after seven hundred years his life is still the subject of historians endeavors is a clear proof of the deep significance of St Dominic's personality for his Order for the clergy and the entire Church He lived in the late Middle Ages when the Chair of Peter was occupied by popes like Innocent III whose prudence and firmness were active factors in shaping Europe's history The spirit of faith still had at least a little influence in political matters and enthusiasm for the reclaiming of the Holy Land swayed men's hearts However there were also ominous signs that a religious retrogression had begun Heretics were stirring up trouble in different localities Monastic discipline had become relaxed Spiritual ministrations were being neglected because the clergy were either entangled in worldly matters or had succumbed to the easy life made available to them by their rich revenues The ancient landed property of the Church excited the greed of the pious donors less devout offspring Revolutionary ideas hostile to the faith were being propagated

and put into practice and well disposed individuals were too ignorant of religious principles to steer themselves out of this dangerous current By means of General Councils and Diocesan Synods the Church had issued strict moral decrees for priests and religious concerning their pastoral duties and especially the preaching of the Gospel but the end was not attained by merely issuing these decrees Dominic was a man of action He realized the need of the age and chose as his particular lifework the preaching of the Gospel He established an Order dedicated entirely to the salvation of souls by means of teaching and preaching the Word of God With this foundation Dominic introduced an entirely new element into the history of religious orders He retained the community life and solemn choral prayer of the Augustinian canons and adopted many austerities from the old monastic orders but added to all this the stipulation that the particular task of his followers would be the salvation of their fellow men For that purpose he obliged his disciples to devote themselves rain or shine to study and preaching Dominic became the patriarch of apostolic orders To all with whom he came in contact to his brethren and to outsiders he was in truth an openhanded and largehearted Father wonderfully indulgent but at the same time not yielding an inch in those things which mature deliberation had convinced him were necessary and ready to attempt squaring a circle in order to carry out a worthy undertaking Such a man has much to tell our own generation perhaps everything needed for a genuine renewal St. Dominic's hymn-book. With the order of compline according to the Dominican rite Dominic (st.),1885

The Hidden Light Jennifer Moorcroft,2013-11-05 Saint Dominic has been described by one of his biographers Guy Bedouelle OP as hidden in the light Unlike most other founders of religious orders he says we have only three brief letters and almost none of his words preserved we know nothing of Dominic s life except what we can see through the eyes of his followers or his friends The fact that our access to St Dominic is so indirect reveals his discretion and in a sense his detachment from himself This detachment in turn is an eloquent statement of the place he wished to hold within the Church

At the close of every day members of the Dominican Order sing the antiphon O Lumen Ecclesiae in honor of its founder and father St Dominic O light of the Church teacher of truth rose of patience ivory of chastity you freely poured forth the waters of wisdom Preacher of grace unite us with the blessed The life of each saint is a distinctive manifestation of the universal call to holiness and that of St Dominic was no exception The Timeless Dominic sets forth the holiness of Dominic de Guzman showing how in his dedication to the Truth his example of patience his devotion to chastity and his love of wisdom this 12th century mendicant preacher so reflected the radiance of God s goodness that he merited the title Light of the Church The life of Dominic as expressed in the O Lumen is more than a source of platitudes it is a pattern of life formed by the gospel for all of us to live our calling faithfully no matter the state of life
