Christian Initiation and Baptism in the Holy Spirit Kilian McDonnell, George Montague, 2017-02-02 Up to now the teaching on baptism in the Holy Spirit has been based on a few scriptural texts whose interpretation was disputed This doubt cast its shadow on those who promote baptism in the Holy Spirit Now new evidence has been found in early post biblical authors Tertullian Hilary of Poitiers Cyril of Jerusalem John Chrysostom Philoxenus and the Syrians which demonstrates that what is called baptism in the Holy Spirit was integral to Christian initiation baptism confirmation Eucharist Because it was part of initiation into the Church it was not a matter of private piety but of public worship Therefore it was and remains normative This is an intriguing ground breaking study of value to RCIA teams pastors theology teachers and students and Church offices      **Documents of the Baptismal Liturgy** E. C. Whitaker, Maxwell E. Johnson, 2017-02-28 Since its first appearance in 1960 Documents of the Baptismal Liturgy has been praised and used by scholars in understanding how the rite of baptism was celebrated through the centuries This new edition retains the sources previously included and adds Eastern Christian texts from the great East Syrian Church Fathers as well as selections from The Rite of the Assyrian Church of the East the Syrian Orthodox Church and the Maronite Rite Additional Western texts include the famous Pentecost Homily attributed to Faustus of Riez Letter 26 to Januarius from Pope Gregory I and the Rite of Confirmation from the Pontifical of William Durandus Instead of placing local councils together in one section individual councils are now placed in their respective geographic locals Bibliographical lists in a variety of languages have been added for each document studied or for each locale and translations have often been replaced with more recent versions The glossary and the introductions to each document make it accessible to the general as well as the specialist reader Chapters are The Ante Nicene Church Syria Syro Palestine Antiochia The Rite of the Assyrian Church of the East The Armenian Rite The Syriac Maronite Rite The Byzantine Rite Egypt Africa Spain Milan Rome Galican Documents and The Sarum Rite E C Whitaker served as a parish priest and Canon Emeritus of Calisle Cathedral England Maxwell E Johnson Ph D is a minister in the Evangelical Lutheran Church in America and is professor of liturgy in the department of theology at the University of Notre Dame      **Mystagogy** Enrico Mazza, 1989      **Baptism in the Early Church** Everett Ferguson, 2009-03-23 A comprehensive survey of the doctrine and

Stanley E. Porter,Anthony R. Cross,2002-12-01 This book brings together work by J Ramsey Michaels Joel Green Howard Marshall Bruce Chilton Craig Evans and the editors as well as several others The first section covers baptism in the New Testament including the meaning of the word baptize the baptism of John Paul s own baptism and his theology of it and baptisms in John 13 Acts and Hebrews The second section deals with baptism in the Early Church including essays on Jesus blessing of the children and baptism in the Epistle of Barnabas and in Gregory of Nyssa The third section addresses baptism in contemporary theology embracing ecumenical perspectives baptism as a trinitarian event and baptism as memorial as miracle and as falling into and out of power This wide ranging volume forms a sequel to *Baptism the New Testament and the Church* JSNT Supplements 171 and makes indispensable reading for all concerned with this topic **The Baptismal**

**Liturgy of Jerusalem** Juliette Day,2016-03-23 Was Jerusalem under her bishop Cyril the source of liturgical innovations in the fourth century or was she simply following trends which also affected the liturgy of neighbouring provinces In assessing these two established propositions in relation to baptism Juliette Day undertakes a careful comparative analysis of all the relevant sources for Palestine Egypt and Syria paying attention to the structure content and theological narrative of the rites which they describe The Mystagogical Catecheses commonly attributed to Cyril of Jerusalem are the key source in this discussion and this book demonstrates that they date from the episcopate of his successor John The Baptism of Jesus in the Jordan Kilian McDonnell,1996 This systematic study isolates those themes with which the early Church proclaimed and celebrated the baptism of Jesus in the Jordan *Christian Ritualizing and the Baptismal Process* Susan Marie

Smith,2011-11-15 Most people even non Christians know that Christians gather for worship once a week and that they are right there to support each other when there is a baptism or a wedding or a funeral But what about other poignant vulnerable or life changing times How does the church help people handle changes that in the past in Christendom were considered secular Does the church have a role at retirement when one s ministry changes or when a family s children leave home and familiar patterns seem to grind to a halt Is there any rite possible for someone who is called to Christian ministry but not to ordination Or to someone whose vows are broken in divorce *Christian Ritualizing and the Baptismal Process* asserts that baptism marks the beginning of a process of participation in Christ s ministry so that no part of life can finally be considered secular Susan Marie Smith shows how every passage healing and ministry vocation is holy and she lays the groundwork needed for every church to create the rituals necessary to lament and celebrate the endings and beginnings that happen in every Christian life Believer's Baptism Thomas R. Schreiner,Shawn Wright,E. Ray Clendenen,2007-01-01 The

second volume in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY series addresses the issue of

believer's baptism its Scriptural basis historical and theological challenges to the practice and how it applies to faith today

Controlling Contested Places Christine Shepardson, 2019-05-14 From constructing new buildings to describing rival controlled areas as morally and physically dangerous leaders in late antiquity fundamentally shaped their physical environment and thus the events that unfolded within it Controlling Contested Places maps the city of Antioch Antakya Turkey through the topographically sensitive vocabulary of cultural geography demonstrating the critical role played by physical and rhetorical spatial contests during the tumultuous fourth century Paying close attention to the manipulation of physical places Christine Shepardson exposes some of the powerful forces that structured the development of religious orthodoxy and orthopraxy in the late Roman Empire Theological claims and political support were not the only significant factors in determining which Christian communities gained authority around the Empire Rather Antioch's urban and rural places far from being an inert backdrop against which events transpired were ever shifting sites of and tools for the negotiation of power authority and religious identity This book traces the ways in which leaders like John Chrysostom Theodoret and Libanius encouraged their audiences to modify their daily behaviors and transform their interpretation of the world and landscape around them Shepardson argues that examples from Antioch were echoed around the Mediterranean world and similar types of physical and rhetorical manipulations continue to shape the politics of identity and perceptions of religious orthodoxy to this day
