St John Of The Cross His Life And Poetry:

St John of the Cross: His Life and Poetry Gerald Brenan, 1973-05-17 The paperback edition of a very successful and in some ways remarkable book first published in 1973 Gerald Brenan is well known for his expository works on Spanish history and literature and now in his eighties he has returned to an early interest in the Spanish mystics to produce an absorbing study of St John of the Cross one of the foremost of Catholic mystics and poets The book is perhaps the first in English to combine an objective but sensitive and lively account of St John s life with a fresh translation by Mr Brenan s associate Lynda Nicholson of his verse St John of the Cross: His Life and Poetry Saint John of the Cross, 1973 **The Poems of St. John of the Cross** , 2015-03-10 Saint John s poetry of love and joy describes the soul s passage through dark night to final illumination in mystical union with Absolute Being The allegory the poet uses is that of earthly love and the poems are strikingly effective on the immediate level of personal experience quite apart from their theological meanings Many critics regard the work of Saint John of the Cross 1542-91 the 16th century mystic to be among the finest poetry Spain has produced This bilingual edition the first in modern English was originally published in hard cover in 1968 by the Indiana University Press Most of these poems were written during a period of nine months in 1577-78 when Saint John San Juan de la Cruz was imprisoned and tortured in the dungeon of a small Carmelite monastery in Toledo and their recurrent motifs are both metaphysical and deeply personal The Poems of Saint John of the Cross Saint John of the Cross, 1972 **The Poems of St. John of the Cross** Saint John of the Cross, 1979 San Juan de la Cruz the great sixteenth century Spanish mystic is regarded by many as Spain s finest poet Passionate ecstatic and spiritual his poems are a blend of exquisite lyricism and profound mystical thought In *The Poems of St John of the Cross* John Frederick Nims presents his superlative translation of the complete poems re-creating the religious fervor of St John s art This dual language edition makes available the original Spanish from the Codex of Sanl con de Barrameda with facing English translations The work concludes with two essays a critique of the poetry and a short piece on the Spanish text that appears alongside the translation as well as brief notes on the individual poems Poems of St. John of the Cross Kathleen Jones, 2010-01-07 The first complete English translation in 40 years Jones has produced a version aimed at those who wish to pray through the poems the source of all of St John s work It is also a literary delight simple direct and close to the popular romance meter beloved of St John himself Spanish and English on facing pages *The Romancero of Saint John of the Cross* Elizabeth Teresa Howe, 2019-10-01 This book is a study of the nine short poems called romances composed by the Spanish mystic Saint John of the Cross San Juan de la Cruz The focus of the poems is the Trinity and their point of departure is the opening verses of the Gospel of John This is the first in depth English language analysis of these poems and looks at their literary historical scriptural theological and mystical elements It also ties these works to San Juan s better known lyrical poems and his prose commentaries It will appeal to anyone interested in Spanish mystical poetry and the sources that inform that poetry **Saint John of the Cross** Gerald

Brenan,1973 **St. John of the Cross OCT** Peter Tyler,2010-04-30 Peter Tyler endeavours to represent St John of the Cross in the truest light covering his life from the angles of John as Theologian as Mystic Psychologist and Artist Tyler draws parallels at times uncomfortable between the age of disruption and and change in the church during which St John wrote and our current age In so doing he makes the case for this controversial but largely misunderstood figure to be an important guide for practical theology today **John of the Cross** Sam Hole,2020 The poetry and prose writings of the sixteenth century Spanish friar John of the Cross are of interest to scholars of systematic theology Christian spirituality and Spanish poetry This work provides the first extended English language analysis of these writings since the 1950s **John of the Cross** Kavanaugh, Kieran, OCD,1987 This volume contains carefully chosen texts that give a picture of the essential St John of the Cross 1542 1591 a Spanish Carmelite Included are selections from The Ascent of Mount Carmel The Dark Night and Spiritual Canticle **St. John of the Cross** Daniel A. Dombrowski,1992-01-01 Saint John of the Cross is one of the greatest figures in the history of Western mysticism and one of the greatest poets of the Spanish language This book examines his thought and then applies it to contemporary issues and culture No other book engages John of the Cross with contemporary philosophy and theology San Juan de la Cruz Saint John of the Cross,1996-01-01 St John San Juan de la Cruz is one of the greatest mystics and poets in any language This is a new introduction and translation of St John poetry presented in both Spanish and English and prose commentaries that includes his biography providing an integrated vision that resurrects the power of his poetic voice **St. John of the Cross** Colin P. Thompson,2003 Looking for connections between his verse and prose Colin Thompson argues for a theological understanding of the intensely beautiful and moving poems He seeks to explain the principles that guide St John in his exploration of the self and its encounter with the divine and provides an analysis of the poet most famous symbol the dark night of the soul **BOOK JACKET** **John of the Cross** Richard P. Hardy,2015-04-06 St John of the Cross great mystic of the Christian tradition knew suffering firsthand his personal dark night included exile imprisonment starvation abuse Yet sustained by tremendous faith and steeped in an enormous love for God and humanity John surrendered to the Divine and was drawn through his experiences to a profound compassion for and solidarity with others This engaging contemporary biography is the perfect introduction or an enjoyable re acquaintance to a man whose life writings and spirituality have illuminated the Christian world ICS Publications is pleased to have this this sought after and highly acclaimed biography out of print for a decade among our titles Includes a reading guide to the works of St John of the Cross a selection from his works 24 pages of color photos and reproductions of masterpiece artwork and an extensive bibliography and notes **Modern Spain** Enrique Ávila López,2015-12-07 Fulfilling the need for English source material on contemporary Spain this book supplies readers with an in depth interdisciplinary guide to the country of Spain and its intricate diverse culture Far from a usual reference book Modern Spain takes the reader through the country s history economy and politics as well as topics that address Spain s popular culture such as food sports and sexuality Because of the

interdisciplinary nature of its content this book differs from the average typical English manuals that very rarely cover in depth the whole array of interesting issues that define Spain in the 21st century The vast amount of information makes this book the perfect companion for any reader wishing to learn more about Spain Packed with current facts and statistics this book offers an unbiased view of a modern country making it an ideal source for undergraduate students and scholars **The Catholic Heritage** Lawrence S. Cunningham, 2002-03-01 A charming and powerful example of how a great mass of material can be presented in an interesting and accurate manner An excellent book for personal reading but the perfect text for religion courses C C D programs and adult education Spirituality Today A unique people oriented approach to the history of the Roman Catholic church An ambitious enlightening study not strictly for Catholics and suitable both for teaching and individual research Booklist A Catholic would welcome it as a gift Andrew M Greeley American Bookseller A work important both for itself and for the method it uses Cunningham manages to convey a sweep of Catholic history and tradition that is remarkable it may well become a classic in its own right Best Sellers An attractive text for an introductory course on Catholicism for college undergraduates something many of us have been looking for in vain in recent years Cross Currents In a novel and engaging way it presents a rather comprehensive picture of the many faceted Roman Catholic tradition Emphasis is on the spiritual rather than on the political or doctrinal A list of Readings and Trajectories at the end of each chapter enhances the value of the book The Living Light A good book written out of classroom experience waiting to be taken back into the classroom New Catholic World *St. John of the Cross* St John Of the Cross, 2008-08 Translating poetry of 16th century Spanish mystic St John of the Cross this edition includes original poems on facing pages scholarly notes a bibliography and color illustrations *Islam in Spanish Literature* Luce Lopez-Baralt, 2023-09-20 Islam in Spanish Literature is a sweeping reinterpretation of Spanish literature taking as its given the enormous debt to Arab culture that Spain incurred through the eight centuries of Islamic presence on the Iberian Peninsula This volume takes up the thread of the work of the Arabist Miguel As n Palacios the first to comment extensively upon the marked Islamic features in many Spanish classics After an initial survey of the presence of Islam and Judaism in Spanish history and culture succeeding chapters explore the Muslim context of Juan Ruiz the author of the Libro de buen amor St John of the Cross St Teresa de Jesus the anonymous sonnet No me mueve mi Dios aljamiado morisco literature and then official Moorophile literature standing in such dramatic contrast to one another and last the novelist Juan Goytisolo who writing today continues to reflect upon the impact of the East on Spanish culture It is no exaggeration to state that this book redefines the ground of the study of Spanish literature it will be hard for the contemporary reader ever again to read it with innocence as a literature exclusively European

Allegories of Encounter Andrew Newman, 2018-11-05 Presenting an innovative interdisciplinary approach to colonial America s best known literary genre Andrew Newman analyzes depictions of reading writing and recollecting texts in Indian captivity narratives While histories of literacy and colonialism have emphasized the experiences of Native Americans as

students in missionary schools or as parties to treacherous treaties captivity narratives reveal what literacy meant to colonists among Indians Colonial captives treasured the written word in order to distinguish themselves from their Native captors and to affiliate with their distant cultural communities Their narratives suggest that Indians recognized this value sometimes with benevolence repeatedly they presented colonists with books In this way and others Scriptures saintly lives and even Shakespeare were introduced into diverse experiences of colonial captivity What other scholars have understood more simply as textual parallels Newman argues instead may reflect lived allegories the identification of one's own unfolding story with the stories of others In an authoritative wide ranging study that encompasses the foundational New England narratives accounts of martyrdom and cultural conversion in New France and Mohawk country in the 1600s and narratives set in Cherokee territory and the Great Lakes region during the late eighteenth century Newman opens up old tales to fresh thought provoking interpretations
