

ST. JOHN'S EVE

A large, intense bonfire is the central focus, burning brightly on a dark beach. The fire is tall and conical, with a thick column of orange and yellow flames reaching towards the top of the frame. In the background, the sea is visible under a twilight sky, with a small, glowing orb (the sun or moon) on the horizon. To the right, a dark, rocky coastline rises from the water. In the foreground and middle ground, a group of people are gathered around the fire, their figures silhouetted against the bright light. Some are standing, while others are sitting or lying on the sand. The overall atmosphere is one of a traditional summer festival.
