## St Louis And Its Streetcars The Way It Was:

Saint Louis and Its Streetcars Andrew D. Young, 1996-01-01      Psychiana Man Brandon R. Schrand, 2022-01-24 Six weeks after the 1929 stock market crash Frank Bruce Robinson created a self help religion he called Psychiana An ingenious mass marketing pioneer he sold a correspondence course promising health wealth and happiness to those who believed in the God Power In the midst of the Great Depression his mail order religion with a money back guarantee swept the United States and spread to some sixty seven countries or so its founder claimed to become one of the most successful twentieth century New Thought religions Facing charges of passport fraud in May 1936 an immaculately dressed Robinson arrived at the federal building in rural Moscow Idaho A person of considerable local and regional significance he was Latah County s largest private employer Throngs lined the streets and sidewalks waiting for him He exited his sleek green Duesenberg waved to the crowd and smiled for pictures His son later wrote that the charismatic leader possessed an insatiable appetite for publicity Central to the investigation was Robinson s true identity He was not all he claimed to be and his small town trial captivated the country and made national headlines A full length biography of Robinson combined with an in depth historical examination of Psychiana this book traces the improbable rise and fall of a master charlatan while also giving voice to his unwavering followers from a dust bowl farmer to a former heavyweight boxing champion who clung to their beliefs despite ongoing financial and emotional costs Their stories reveal how adversity can galvanize faith in a false prophet and paint an intriguing intimate portrait of a nation challenged by a brutal depression and war      *AERA.* ,1924      **Street and Interurban Railroads** Brent Cassan, 2009      The Industrial Reorganization Act United States.
