St Therese The Little Flower The Making Of A Saint:

Saint Thérèse the Little Flower John Beevers, Tan Books, 1976 She lived 24 years and was an obscure nun for nine of those She died in 1897 and was canonized in 1925 Yet she is known the world over by Catholics and non Catholics alike Her statue soon appeared in most Catholic churches in the world With St Joan of Arc she shares the title Patroness of France and with St Francis Xavier the honor of Principal Patroness of all Missionaries Her devotees acknowledge her as a second St Jude in her powerful intercession with God Her appeal is universal from peasants to Popes and people of all stations know her and call upon her for help What factors conspired to shape St Therese of the Child Jesus John Beevers addresses himself to this question in *The Making of a Saint* As author of an earlier biography *The Storm of Glory* and as translator of her autobiography *The Story of a Soul* he brings to his task an authority on her life unsurpassed perhaps by any writer in English The story of this life is a marvel a miracle of divine grace For the life of St Therese is the lesson to all men of spiritual greatness to be achieved by perfect love of God and total consecration of all our actions even the smallest to His greater honor and glory

Saint Thérèse the Little Flower John Beevers, 2009 The story of this life is a marvel a miracle of divine grace For the life of St Therese is the lesson to all men of spiritual greatness to be achieved by all our perfect love of God and total consecration of all our actions and His greater honor and glory

The Making of a Saint Kenneth Bragan, 2011 How could a man who had an emotionally deprived and traumatic childhood find the strength later in life to enter a monastery and become a spiritual master *The Making of a Saint* is the true story of the American priest and Catholic writer Thomas Merton who lived from 1915 to 1968 He wrote more than 70 books on spirituality pacifism and social justice and his words influenced a generation of men to enter monasteries By late adolescence Merton felt completely alienated and was in a state of spiritual abjection yet he found the path to become a spiritual master *A Psychological Study of the Life of Thomas Merton* gives a psychoanalytic explanation for the early gain in strength he found but more than psychology is required to understand Merton's subsequent spiritual growth His journals display the healing power of Christ as well as the healing power of writing Author Kenneth Bragan asserts that it was an arduous process for Merton but I suggest it was only finally completed when he became engaged in a passionate love affair Only then could his heart be opened to the lost mother of his childhood and only after that happened could he go out into the world and complete his mission Merton was monk a mystic and a poet but above all else he was a great writer and a great man About the Author Kenneth Bragan grew up in a small coal mining town near Newcastle in the north of England and now resides in the Lakes District of the south island of New Zealand He worked as a psychiatrist and developed a particular interest in the healing power of writing Publisher's website <http://SBPRA.com/KennethBragan>

Mornings with Saint Therese Patricia Treece,2014-03-17 Mornings with Saint Therese is a compilation of short excerpts no more than 1 3 pages taken from the Little Flower s writings and also from those of her close family members and friends This hardcover book is beautifully designed inside and out making it a perfect gift for those you love or as a daily tool for deepening your own spiritual life all for just 12 95 The following passages have been carefully selected as examples of the countless pearls of wisdom to be found in this special book On Mortification I resolved to lead a life of greater devoutness and mortification than ever before When I speak of mortification I don t mean the kind of penance practiced by the saints There are great souls who practice every sort of mortification from childhood but I am not like them All I did was to break my self will check a hasty reply and do little kindnesses without making a fuss about them and lots of similar things So I prepared myself to become a bride of Jesus Give with No Thought of Results On working with the Carmelite novices I throw to the right and the left to my little birds the good seed that the good God puts in my little hand And then the seed does what it will I don t concern myself about it Sometimes the results are as if I had thrown nothing other times something good

results But the good God says to me Give give always without concerning yourself with results Keeping the Fire of Love Burning When I am feeling nothing when I am incapable of praying or practicing virtue then is the moment for seeking opportunities nothings which please Jesus more than mastery of the world when suffered with generosity For example a smile a friendly word when I would want to say nothing or put on a look of annoyance etc Infinite Love Oh How beautiful is our religion instead of contracting hearts as the world believes it raises them up and renders them capable of loving or loving with a love almost infinite since this love must continue after this mortal life which is given to us only for meriting the homeland of heaven where we shall find again the dear ones whom we have loved on earth Wanting Only to Die of Love How gentle and merciful God is I no longer want anything except to love until I die of love I am free and fear nothing I am not even afraid and it used to be my greatest fear that my illness will drag out and make me a burden to the community I do not refuse the struggle The Lord is a rock upon which I stand He teaches my hands to fight and my fingers to war He is my protector and I have hoped in Him "A Little White Flower" Saint Thérèse (de Lisieux),1926 Making and remaking saints in nineteenth-century Britain Gareth Atkins,2016-08-25 This book examines the place of saints and sanctity in a self consciously modern age and argues that Protestants were as fascinated by such figures as Catholics were Long after the mechanisms of canonisation had disappeared people continued not only to engage with the saints of the past but continued to make their own saints in all but name Just as strikingly it claims that devotional practices and language were not the property of orthodox Christians alone Making and remaking saints in the nineteenth century Britain explores for the first time how sainthood remained significant in this period both as an enduring institution and as a metaphor that could be transposed into unexpected contexts Each of the chapters in this volume focuses on the reception of a particular individual or group and together they will appeal to not only historians of religion but those concerned with material culture the cult of history and with the reshaping of British identities in an age of faith and doubt **Story of a Soul** Saint Thérèse of Lisieux,1996 Two and a half years before her death in 1897 at the age of 24 as Th r se Martin began writing down her childhood memories at the request of her blood sisters in the Lisieux Carmel few could have guessed the eventual outcome Yet this story of my soul first published in 1898 in a highly edited version quickly became a modern spiritual classic read by millions and translated into dozens of languages around the world Decades later in response to growing requests from scholars and devotees of the Saint a facsimile edition of the manuscripts appeared along with more popular French editions of what the Saint had actually written Here expressed with all of Th r se s original spontaneity and fervor we rediscover the great themes of her spirituality confidence and love the little way abandonment to God s merciful love and her mission in the church and world today Father John Clarke s acclaimed translation first published in 1975 and now accepted as the standard throughout the English speaking world is a faithful and unaffected rendering of Th r se s own words from the original manuscripts This new edition prepared for the centenary of the Saint s death includes a select bibliography of recent works in English on Th r se along
