**Two Years in St. Andrews** George Peper, 2008-06-30 The Old Course at St Andrews is to golfers what St Peter's is to Catholics or the Western Wall is to Jews hallowed ground the course every golfer longs to play and master In 1983 George Peper was playing the Old Course when he hit a slice so hideous that he never found the ball But in looking for it he came across a For Sale sign on a stone town house alongside the famed eighteenth hole Two months later he and his wife Libby became the proud owners of 9A Gibson Place In 2003 Peper retired after twenty five years as the editor in chief of Golf magazine With the younger of their two sons off to college the Pepers decided to sell their house in the United States and relocate temporarily to the town house in St Andrews And so they left for the land of golf and single malt scotch haggis bagpipes television licenses and accents thicker than a North Sea fog While Libby struggled with renovating an apartment that for years had been rented to students at the local university George began his quest to break par on the Old Course Their new neighbors were friendly helpful charmingly eccentric and always serious about golf In no time George was welcomed into the local golf crowd joining the likes of Gordon Murray the man who knows everyone Sir Michael Bonallack Britain's premier amateur golfer of the last century and Wee Raymond Gatherum a magnificent shotmaker whose diminutive stature belies his skills For anyone who has ever dreamed of playing the Old Course and what golfer hasn't this book is the next best thing And for those who have had that privilege Two Years in St Andrews will revive old memories and confirm Bobby Jones's tribute If I were to set down to play on one golf course for the remainder of my life I should choose the Old Course at St Andrews

**Play Away Please** John P. Hagen,2011-01-25 The St Andrews Old Course Starter's Box was sold in a controversial international auction on 10 September 2001 the day before the infamy of the Twin Towers attack Play Away Please recounts the glory of the little building in St Andrews the home of golf and tells the tale of those who used its services for 77 continuous years Unlike many epics the story does not centre on a rich dynasty or a heroic quest for the truth Instead it centres on the production of the perfect round of golf and the global marketing of the Box one of the most celebrated buildings in the world of sport as a brand and an icon The book also chronicles the suspense and notoriety that greeted the Box after its voyage from Scotland to California by way of the Panama Canal and the role it assumed as an emotional balm for many in the aftermath of the 11 September atrocity Alas nothing is as simple as it seems and miracles are rare The businessman who bought the Box was imprisoned before it reached Los Angeles accused of stealing millions from the real estate development that was to be its home Eight years later a happy ending was finally brought about but only after a healthy dose of gut wrenching fear and suspense became a part of the story Supplemented with exclusive photographs Play Away Please is also a personal story of patronage and odyssey to assure the Box's preservation as the sporting world's consummate symbol of integrity and fair play Along the way the author brings to life the unforgettable local characters of Fife celebrating their customs lifestyle and unique command of the English language
