## **St John 8 21 Vols 1 2 Critical And Exegetical Commentary:**

*The New Unger's Bible Dictionary* Merrill F. Unger, 2009-06-01 eBook now easier to navigate than ever Unger's Bible Dictionary has been one of the best selling Bible dictionaries on the market since its introduction in 1957 Now this time honored classic is more valuable than ever Updated and expanded by respected Bible authorities including R K Harrison Howard F Vos and Cyril J Barber The New Unger's Bible Dictionary is packed with the most current scholarship Plus the table of contents is enhanced for easy navigation Readers can jump to any letter and see a full list of words allowing them to locate any entry within seconds No more paging through whole sections of the book to find your word More than 67 000 entries are supplemented with detailed essays colorful photography and maps and dozens of charts and illustrations to enhance your understanding of God's Word Although this volume is based on the New American Standard extensive cross referencing makes it useful with all major Bible translations including the New International King James and New King James versions

**The Figure of Abraham in John 8** Ruth Sheridan, 2020-01-09 In the Gospel of John the character of Jesus repeatedly comes into conflict with a group pejoratively designated as the Jews In chapter 8 of the Gospel this conflict could be said to reach a head with Jesus labeling the Jews as children of the devil 8 44 a verse often cited as epitomizing early Christian anti Judaism Using methods derived from modern and post modern literary criticism Ruth Sheridan examines textual allusions to the biblical figures of Cain and Abraham in John 8 1 59 She pays particular attention to how these allusions give shape to the Gospel's alleged and infamous anti Judaism exemplified in John 8 44 Moreover the book uniquely studies the subsequent reception in the Patristic and Rabbinic literature not only of John 8 but also of the figures of Cain and Abraham It shows how these figures are linked in Christian and Jewish imagination in the formative centuries in which the two religions came into definition

**Supplement to the Catalogue of the General Library of the University of Aberdeen** University of Aberdeen. Library, 1887

**The Battle for the Keys** Justin W Bass, 2014-04-01 There has been a lack of serious historical investigation of the famous creedal statement Christ descended into hell that was universally affirmed by the church for the first 1 500 years of Church history This book is an in depth investigation of the history of the doctrine of Christ's descent and how Revelation 1 18 alludes to Christ's descent COMMENDATION In *The Battle for the Keys* Justin Bass leads us through an exceptional exegetical historical and theological exploration of the question of both the whether and whither of the Christ's descensus ad infernos Whatever doubters or believers choose to do with Dr Bass's competent and convincing evidence arguments and conclusions they cannot choose to ignore them Michael J Svigel Dallas Theological Seminary USA

**Jesus Christ as Logos Incarnate and Resurrected Nana (Ancestor)** Rudolf K. Gaisie, 2020-10-16 This book seeks to demonstrate the significance of Ancestor Christology in African Christianity for christological developments in World Christianity Ancestor Christology has developed in the process of an African conversion story of appropriating the mystery of Christ Eph 3 4 in the category of ancestors Logos Christology in early Christian history

developed as an intricate byproduct in the conversion process of turning Hellenistic ideas towards the direction of Christ A F Walls Hellenistic Christian writers and modern African Christian writers thus share some things in common and when their efforts are examined within the conversion process framework there are discernible modes of engagement The mode of Logos Christology that one finds in Origen for example is an innovative application of the understanding of Jesus Christ as Logos incarnate a new key but not discontinuous with the Johannine suggestive mode or the clarificatory mode of Justin Martyr African Ancestor Christology is at the threshold of an innovative mode and the argument this book makes is that this strand of African Christology should be pursued in the indigenous languages aided by respective translated Bibles a suggested way is a Logos Ancestor Nanas m discourse in Akan Christianity The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel,2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective **The Best Books: A, Theology. B, Mythology and folklore. C, Philosophy** William Swan Sonnenschein,1910 Subject-index to the author-catalogue. 1908-10. 2 v Imperial Library, Calcutta,1908 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1892 *Biblica: Vol:71* , Mariam, the Magdalen, and the Mother Deirdre Joy Good,2005 Revelatory essays on the Mary figures of the Bible A Thematic

Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

**The Best Books** William Swan Sonnenschein, 1910      *Christianity at a Crossroads* Mike Beckett, 2025-09-30  
*Christianity at a Crossroads: A Look at Modern American Christianity Through the Eyes of the Seven Churches of Revelation* This book will take an in-depth look at the history, culture, and society of the ancient Asia Minor churches in Revelation and compare their cultural challenges to the challenges we currently face in the American church today. This book will challenge you to reflect on your walk with Christ while encouraging you to grow deeper in your journey as a disciple of Christ. This is a great study for anyone wanting to go deeper in their faith. Whether a Sunday school, small group, or regular Bible study group, *Christianity at a Crossroads: A Look at Modern American Christianity Through the Eyes of the Seven Churches of Revelation* will encourage you to live out your faith in a post-Christian, polyGod, antiGod, secular culture like the first-century church while clearly defining those who remain faithful to the ancient faith.      **Biblical Eschatology, Second Edition** Jonathan Menn, 2018-03-07 *Biblical Eschatology* provides what is not found in any other single volume on eschatology; it analyzes all the major eschatological passages, including the Olivet Discourse and the book of Revelation, issues including the second coming of Christ, the millennium, the rapture, and Antichrist, and positions including all the major views of the millennium in a clear but not superficial way. The book concludes with a chapter showing how eschatology is relevant for our lives. *Biblical Eschatology* makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure. Clarity and understanding are enhanced by the use of comparative tables and appendices. Subject and Scripture indexes are included. The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography, which includes the web addresses of many online resources, provides an excellent source for the

reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible **The Identity of John the Evangelist** Dean Furlong, 2020-01-23 This book examines the various Johannine narratives found in writings in the period from Papias early second century to Eusebius early fourth century Dean Furlong argues that the first major revision of the Johannine narrative was the identification of John the Evangelist with John the Apostle the son of Zebedee at the beginning of the third century This in turn initiated a process of reinterpretation as the previously separate narratives of the two figures were variously spun into new configurations during the third and fourth centuries This process culminated with Eusebius's synthesis of the Johannine traditions which came to form the basis of what is considered the traditional Johannine story Furlong concludes that in the earliest narrative found in Papias John the Evangelist was identified not with the Apostle but with another disciple of Jesus known as John the Elder **The Cosmic Journey in the Book of Revelation** Joel M.

Rothman, 2023-05-18 Joel M Rothman considers the significance of cosmology in biblical and extra biblical texts and the role of the cosmic journey in many apocalyptic narratives He posits that Revelation's narrative likewise takes the hearer on a virtual journey through a cosmic story space of great theological significance While scholarship commonly assumes a three tiered cosmos in Revelation Rothman argues that Revelation's narrative operates in a four tiered cosmos with the hyper heaven sitting above the sky heaven earth and abyssal depths a cosmic story space that is recreated in the imagination of the hearers Beginning with a methodology of visual narrative reading Rothman then discusses the assumptions and existing conceptions regarding heaven and earth He stresses that Revelation does not exhibit tension in its portrayal of heaven between heaven as a site of conflict and heaven as the realm in which God truly reigns but rather shows readers a sky heaven characterised by archetypal conflict between powerful sky beings and a hyper heaven defined by full recognition of the Throne In journeying through the sky structure and God space and by analysing the four cosmic layers in operation the distinct nature of the two sky spaces cosmic change and the ideological import of the cosmic structure Rothman demonstrates that the existence of the hyper heaven in contradistinction with the limited lived cosmos of earth and sky heaven is a present guarantee of the final cosmic transformation that creates a new space for human life exclusive of imperial draconian elements **The Christ Is Jesus** Pamela E. Kinlaw, 2005 This book examines the divine human union of Jesus Christ in the Gospel and the Epistles of John in light of ancient Mediterranean models of how gods were believed to appear on earth The book argues that the possession model provides the basis for the Johannine contribution to incarnation

**Crisis and Catharsis** Adela Yarbro Collins, 1984-01-01 For the first time in complete form the results of recent analyses of the Apocalypse are presented in a way that is easily understood by the beginning student and challenging to the scholar looking for a fresh approach In a clear and vivid manner Adela Yarbro Collins discusses the authorship of the book of Revelation when it was written the situation it addressed the social themes it considered and the psychological meaning

behind apocalyptic language
