Blaylock, 2023-08-24 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In Vessels of Wrath Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Christian canon s witness Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity *The End Times Controversy* Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future

**Sin, the Human Predicament, and Salvation in the Gospel of John** Mathew E. Sousa, 2021-08-12 Mathew E Sousa demonstrates that in certain respects John s doctrine of salvation fails to align with its customary depiction in Johannine scholarship Sousa suggests that according to John the human predicament is not merely unbelief or a lack of mental perception and Jesus s mission consists not merely of revelation and or a purely forensic atonement Rather Jesus is for John the one who makes true and everlasting life an accomplished fact for humanity and in doing so Jesus reveals the true nature of the predicament from which he saves Sousa argues that salvation in the Gospel of John concerns ethics and the quality or condition of human corporeality The matters of sin and death in particular also make clear that according to John the human predicament is a reality that in various ways persists for believers as they both are and become children of God Sousa thus concludes that salvation for John consists of far more than the emergence of belief in a moment of decision **PB**

**Handbook for the Study of the Historical Jesus (4 vols)** Tom Holmén, Stanley E. Porter, 2010-12-24 A hundred years after A Schweitzer's Von Reimarus zu Wrede the study of the historical Jesus is again experiencing a renaissance. Ongoing since the beginning of the 1980s, this renaissance has produced an abundance of Jesus studies that also display a welcome diversity of methods, approaches, and hypotheses. The Handbook of the Study of the Historical Jesus is designed to handle this diversity and abundance. Drawing from first-class scholarship throughout the world, the four large volumes of the Handbook offer a unique assembly of leading experts presenting their approaches to the historical Jesus as well as a thought-out compilation of original studies on a large variety of topics pertaining to Jesus research and adjacent areas. **The**

**Spirituality of Following Jesus in John's Gospel** Sean Seongik Kim, 2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus' followers ought to do. In this unprecedented study, Kim presents following Jesus in John's Gospel through the perspective of what Jesus does for his followers. Following Jesus is a journey towards the place where Jesus leads his followers; that is, to a relationship with the Father. It is ultimately participating in the Son's communion with the Father. Jesus, who was in the bosom of the Father, descended from him and ascends to him, taking his followers with him so that they may be with him where he is, with the Father in glory and love. Kim develops this thesis by examining the term *akolouthēin* to follow and correlated motifs in John's Gospel. **Reference Catalogue of Current Literature**, 1920

*Crisis and Catharsis* Adela Yarbro Collins, 1984-01-01 For the first time in complete form, the results of recent analyses of the Apocalypse are presented in a way that is easily understood by the beginning student and challenging to the scholar looking for a fresh approach. In a clear and vivid manner, Adela Yarbro Collins discusses the authorship of the book of Revelation when it was written, the situation it addressed, the social themes it considered, and the psychological meaning behind apocalyptic language. Dictionary of the Later New Testament & Its Developments Ralph P. Martin, Peter H.

Daids, 2010-05-11 This one-of-a-kind reference volume provides focused study on the often neglected portions of the New Testament: Acts, Hebrews, the General Epistles, and Revelation. Expert contributors present more information than any other single work dealing exclusively with the theology, literature, background, and scholarship of the later New Testament and the apostolic church. **The Self-Donation of God** Jack D. Kilcrease, 2013-03-20 In *The Self-Donation of God*, Jack Kilcrease

argues that the speech act of promise is always an act of self-donation. A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise. Being that creation is grounded in God's promising speech, the divine-human relationship is fundamentally one of divine self-donation and human receptivity. Sin disrupts this relationship, and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law (Gen 3:15). As a new and effective word of grace, the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation. In this new narrative, God gives himself in an even deeper manner to humanity. By donating himself through a promise first to the protological humanity and then to Israel, he

binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection      Catalogue.
