The Telling Room Michael Paterniti,2014-05-06 NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR Entertainment Weekly Kirkus Reviews The Christian Science Monitor In the picturesque village of Guzm n Spain in a cave dug into a hillside on the edge of town an ancient door leads to a cramped limestone chamber known as the telling room Containing nothing but a wooden table and two benches this is where villagers have gathered for centuries to share their stories and secrets usually accompanied by copious amounts of wine It was here in the summer of 2000 that Michael Paterniti found himself listening to a larger than life Spanish cheesemaker named Ambrosio Molinos de las Heras as he spun an odd and compelling tale about a piece of cheese An unusual piece of cheese Made from an old family recipe Ambrosio s cheese was reputed to be among the finest in the world and was said to hold mystical qualities Eating it some claimed conjured long lost memories But then Ambrosio said things had gone horribly wrong By the time the two men exited the telling room that evening Paterniti was hooked Soon he was fully embroiled in village life relocating his young family to Guzm n in order to chase the truth about this cheese and explore the fairy tale like place where the villagers conversed with farm animals lived by an ancient Castilian code of honor and made their wine and food by hand from the grapes growing on a nearby hill and the flocks of sheep floating over the Meseta What Paterniti ultimately discovers there in the highlands of Castile is nothing like the idyllic slow food fable he first imagined Instead he s sucked into the heart of an unfolding mystery a blood feud that includes accusations of betrayal and theft death threats and a murder plot As the village begins to spill its long held secrets Paterniti finds himself implicated in the very story he is writing Equal parts mystery and memoir travelogue and history *The Telling Room* is an astonishing work of literary nonfiction by one of our most accomplished storytellers A moving exploration of happiness friendship and betrayal *The Telling Room* introduces us to Ambrosio Molinos de las Heras an unforgettable real life literary hero while also holding a mirror up to the world fully alive to the power of stories that define and sustain us Praise for *The Telling Room* Captivating Paterniti s writing sings whether he s talking about how food activates memory or the joys of watching his children grow NPR Премия Дарвина.
