Staff Of Oedipus Transforming Disability In Ancient Greece:

The Staff of Oedipus Martha L. Rose, 2010-02-11 Ancient Greek images of disability permeate the Western consciousness Homer Teiresias and Oedipus immediately come to mind But The Staff of Oedipus looks at disability in the ancient world through the lens of disability studies and reveals that our interpretations of disability in the ancient world are often skewed These false assumptions in turn lend weight to modern day discriminatory attitudes toward disability Martha L. Rose considers a range of disabilities and the narratives surrounding them She examines not only ancient literature but also papyrus skeletal material inscriptions sculpture and painting and draws upon modern work including autobiographies of people with disabilities medical research and theoretical work in disability studies Her study uncovers the realities of daily life for people with disabilities in ancient Greece and challenges the translation of the term *adunatos* unable as disabled with all its modern associations

Rom, 2025-03-31 This book is the first collection of scholarly works fully dedicated to exploring disability and impairment in early Chinese history Early Chinese understandings of disability are effectively revealed through investigations of a wide range of aspects such as terminological legal political and etiological The volume explores how early Chinese disability was socially negotiated as a means for creating enabled and at times empowered identities It shows how oppression and empowerment when viewed through the prism of such negotiations of identity were not mutually exclusive Through such examinations the volume demonstrates how an approach sensitive to both the separability and the interconnectedness of disability and impairment enables a more nuanced understanding of Chinese disability history specifically and Chinese notions of embodiment more generally Bringing together international academics to examine a plethora of topics relating to disability and bodily impairment in early Chinese history with an eye on their socio political implications this book will appeal to students and scholars of Chinese History History of Medicine and Disability Studies *Disabled Veterans in History* David A. Gerber, 2012-06-06 The history of disabled veterans from Ancient Greece to the conflict in Afghanistan *"The Poor, the Crippled, the Blind, and the Lamé"* Louise A. Gosbell, 2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient world

Theology and the Experience of Disability Andrew Picard, Myk Habets, 2016-04-28 The Christian gospel compels humanity to embrace deeper ways of being human together that will overcome false divisions and exclusions in search of flourishing and graced communities Presenting both short narratives emerging out of theological reflection on experience and analytical essays arising from engagement in scholarly conversations *Theology and the Experience of Disability* is a conscious attempt to develop theology by and with people with disabilities instead of theology about people with disabilities A mixture of academic professional practical and or lived experience is brought to the topic in search of constructive multi disciplinary proposals for church and society The result is an interdisciplinary engagement with the constructive possibilities that emerge from a distinctly Christian understanding of disability as lived experience *The Biopolitics of Disability* David T.
