Harry Harrison Paul Tomlinson, Harry Harrison, 2002-04-01 The definitive Harry Harrison bibliography with lengthy annotations and a special bonus the Harrison story written for Harlan Ellison's unpublished Last Dangerous Visions anthology *Stars and Stripes Triumphant* Harry Harrison, 2007-12-18 In England Irish born citizens are being herded into prison camps On the high seas a furious British Navy is seizing American cargo ships bound for Europe And on the Thames a new weapon of unparalleled destructive force is sailing toward an impregnable city spearheaded by a daring act of espionage For U S president Abraham Lincoln Britain's Queen Victoria Lord Palmerston and a loyal opposition a day of reckoning is at hand and so is history's most astounding battle Harry Harrison's series of alternate history based on the U S Civil War stands as a provocative work of imagination drama and brilliant historical insight Now in the thrilling finale Harrison tells a stunning action packed story of America's rapidly growing military might being locked loaded and aimed at the heart of England itself For the two countries that share a language and a heritage the conflict began at the dawn of the U S Civil War Just as America was about to tear itself to pieces Britain itself committed an act of war by seizing a U S packet ship In retaliation the Confederate States rejoined the Union and took up arms against England Repulsing a British invasion and defeating her majesty's army first in Canada then in Mexico then in Ireland American pride and power swelled Britain like a wounded lion howled in shame and anger Now Queen Victoria's empire is more dangerous than ever before turning against the Irish on her own soil flexing her naval might and all but forcing a weary President Lincoln to authorize the next step in a headlong journey toward war A tale of daring and strategy *Stars and Stripes Triumphant* explores how arrogance turns superpowers into victims how regional conflicts can explode into world wars and how the personalities of a few men and women can change the course of history itself for better or for worse Stars & Stripes Forever Harry Harrison, 2007-12-18 On November 8 1861 a U S navy warship stopped a British packet and seized two Confederate emissaries on their way to England to seek backing for their cause England responded with rage calling for a war of vengeance The looming crisis was

defused by the peace minded Prince Albert But imagine how Albert s absence during this critical moment might have changed everything For lacking Albert s calm voice of reason Britain now seizes the opportunity to attack and conquer a crippled war torn America Ulysses S Grant is poised for an attack that could smash open the South s defenses In Washington Abraham Lincoln sees a first glimmer of hope that this bloody war might soon end But then disaster strikes English troops have invaded from Canada With most of the Northern troops withdrawn to fight the new enemy General William Tecumseh Sherman and his weakened army stand alone against the Confederates Can a divided bloodied America defeat England or will the United States cease to exist for all time *The Mammoth Encyclopedia of Science Fiction* George Mann,2012-03-01 This encyclopedia is the most up to date concise clear and affordable guide to all aspects of science fiction from its background to generic themes and devices from authors established and new to films Science fiction has evolved into one of the most popular cutting edge and exciting fiction genres with a proliferation of modern and classic authors themes and ideas movies TV series and awards Arranged in an A Z format and featuring a comprehensive index and cross referencing system The Mammoth Encyclopedia of Science Fiction is also the most accessible and easy to use encyclopedia of its kind currently available *Stars and Stripes in Peril* Harry Harrison,2007-12-18 In a war room in Washington William Tecumseh Sherman and General Robert E Lee huddle together and plan their next joint military operation In the jungles of Mexico Ulysses S Grant is locked in brutal combat with the best of the British Army And in the heart of the new American South a fragile peace is threatened In the dazzling alternate history of Harry Harrison this is the world as it stands in 1863 Just three years before a titanic Civil War loomed in America But an incident involving a British ship and two Confederate spies changed everything As Abraham Lincoln defied Britain s Lord Palmerston tensions between the two nations boiled over and Her Majesty s Navy unleashed an attack on American soil aimed at bolstering the Confederate cause The results were catastrophic A stunned North and South put aside their differences and a new kind of war erupted with Americans fighting side by side against the British on two fronts in the South and on the Canadian border Now Britain has been defeated and America is struggling to keep its union together until another blow is struck It comes from Mexico where elite units of Her Majesty s Army including the famed Gurkha fighters are massing for a possible attack through Texas Into the gauntlet Lincoln sends his chosen angel of death General Grant But the weary president knows that two centuries of British power will not be ended with a single battle So his top soldiers including Lee and Sherman plan the most daring naval invasion ever launched an assault on British soil itself And in a secret that must be protected by an underground army of spies and secret agents the U S will invade the Emerald Isle to set the Irish free at last Filled with real characters on both sides of the conflict *Stars and Stripes in Peril* is the new masterwork from one of our most provocative authors Harry Harrison brilliantly examines the machinations that drive our world the choices that shape the future and the people and passions that compose nations both great and small Venturing beyond a fascinating question of what if Harrison shows how technology and world

politics had the power to shape history's first great World War half a century before it began *Short Story Index* ,1994
