Here's what other mystery writers  
are saying about *The Staked Goat*:

"Jeremiah Healy has written another good one. *The Staked Goat* is a winner and a pleasure to read."  
—Robert B. Parker

"Jeremiah Healy's original characters and clever plotting bring a new realism to the field."  
—Gregory Mcdonald

"I found the plot idea fresh and intriguing, the writing solid, and the characters so real you care about them."  
—Tom Hildebrand

"I've done a plot that really works and good, without crying. How refreshing to read a thriller in which the author does not need the old time scheme to show how clever he is, or uses a chapter with two pages of content where without telling you who is talking, ... I read this one, down at a sitting, something I haven't done for a long time."
