

Stalin, Siberia and the crisis of the New Economic Policy

JAMES HUGHES

Stalin Siberia And The Crisis Of The New Economic Policy

Richard Overy

Stalin Siberia And The Crisis Of The New Economic Policy:

Stalin, Siberia and the Crisis of the New Economic Policy James Hughes, 2004-06-03 This book makes an important contribution to the current re evaluation of the origins of Stalinism Hitherto Western scholars have focused on leading personalities to analyze the crisis of the New Economic Policy Dr James Hughes however examines the processes at work under the NEP from the regional perspective of Siberia He looks at party peasant relations the kulak question Stalin s patron client network in the provinces the regional impact of the grain crisis of 1927 28 and the use of emergency measures to overcome it He concludes that Stalin s experience of conditions that were unique to Siberia accelerated his negative reappraisal of the NEP and initiated the descent into the cataclysm of his revolution from above in late 1929 Russia's Frozen Frontier Alan Wood, 2011-05-15 Alan Wood s ambitious work is the first to address the whole span both

chronologically and thematically of the development of Siberia and its role in both the Russian and the global context With a scope that reaches from Muscovy s conquest of Siberia in the 16th and 17th centuries to modern times it explores the effects of colonial exploitation the Revolutions of 1917 and developments during the Soviet period Russia s Frozen Frontier is also the first book to detail the history of Siberia from the view of Siberians themselves both Russian and native rather than seen through the lens of Moscow or St Petersburg **When the Soviet Union Entered World Politics** Jon

Jacobson, 2023-11-15 The dissolution of the Soviet Union has aroused much interest in the USSR s role in world politics during its 74 year history and in how the international relations of the twentieth century were shaped by the Soviet Union Jon Jacobson examines Soviet foreign relations during the period from the end of the Civil War to the beginning of the first Five Year Plan focusing on the problems confronting the Bolsheviks as they sought to promote national security and economic development He demonstrates the central importance of foreign relations to the political imagination of Soviet leaders both in their plans for industrialization and in the struggle for supremacy among Lenin s successors Jacobson adopts a post Cold War interpretative stance incorporating glasnost and perestroika era revelations He also considers Soviet relations with both Europe and Asia from a global perspective integrating the two modes of early Soviet foreign relations revolution and diplomacy into a coherent discussion Most significantly he synthesizes the wealth of information that became available to scholars since the 1960s The result is a stimulating work of international history that interfaces with the sophisticated existing body of scholarship on early Soviet history The dissolution of the Soviet Union has aroused much interest in the USSR s role in world politics during its 74 year history and in how the international relations of the twentieth century were shaped by the Soviet Union Jon Jacobson examines Soviet for Stalin Hiroaki Kuromiya, 2013-08-16 This profile looks at how Stalin despite being regarded as intellectually inferior by his rivals managed to rise to power and rule the largest country in the world achieving divine like status as a dictator Through recently uncovered research material and Stalin s archives in Moscow Kuromiya analyzes how and why Stalin was a rare even unique politician who literally lived by politics

alone He analyses how Stalin understood psychology campaigns well and how he used this understanding in his political reign and terror Kuromiya provides a convincing concise and up to date analysis of Stalin s political life The Stalin Years Evan Mawdsley,2003-09-06 Looking at the entire Stalin era this book contains chapters on ideology politics economic development social change nationalities culture and external relations and the Great Terror An updated bibliography including a wealth of recent English language work on the rule of Stalin is included Stalin and Stalinism Alan Wood,2005 Stalin and Stalinism examines Stalin s ambiguous personal and political legacy his achievements and his crimes all the subject of major reappraisal both in the West and in the former Soviet Union *Rural Reform in Post-Soviet Russia* David J. O'Brien,Stephen K. Wegren,2002-03-20 Rural Reform in Post Soviet Russia reviews change in agricultural and rural life since 1990 through historical political sociological and anthropological investigation The contributors interest is not so much in agriculture itself but in agrarian issues such as the relationship between rural interests and changing Russian institutions the economic and social organization of rural households and the quality of life in rural families and villages Russia Gregory L. Freeze,2009 The history of Russia from Kievan Rus to Vladimir PutinRussia A History cuts through the myths and mystery that have surrounded Russia from its earliest days with startling revelations from classified archives that until comparatively recently were not even known to exist A distinguished team of historians has stripped away the propaganda and preconceptions of the past to tell the definitive story of Russia from tenth century Kiev and Muscovy through empire and revolution to the fall of Communism and the new order of the 1990s and early 21st century A compelling story in its own right it is essential reading for anyone with an interest in Russia and its place in the world This updated edition now covers the developments in the Putin era in the first decade of the 21st century **Accounting for War** Mark Harrison,2002-07-18 In this book Mark Harrison rebuilds and analyses the Soviet economy s wartime statistical record examining its prewar size and composition and wartime changes in GNP employment the defence burden and the role of foreign aid Complementing classic long run growth studies the book compares the Soviet experience with that of other great powers It emphasises the severity of current costs and capital losses arising from the war which had a negative effect on GNP that persisted well after the end of the war The results are based on a comprehensive analysis of hitherto closed official documents shedding light on the dimensions of the Soviet war effort the comparative economics of the war and its long term impact on the Soviet economy

Stalinist Confessions Igal Halfin,2009-08-30 During Stalin s Great Terror accusations of treason struck fear in the hearts of Soviet citizens and lengthy imprisonment or firing squads often followed Many of the accused sealed their fates by agreeing to confessions after torture or interrogation by the NKVD Some however gave up without a fight In Stalinist Confessions Igal Halfin investigates the phenomenon of a mass surrender to the will of the state He deciphers the skillfully rendered discourse through which Stalin defined his cult of personality and consolidated his power by building a grassroots base of support and instilling a collective psyche in every citizen By rooting out evil opposition wherever it hid good

communists could realize purity morality and their place in the greatest society in history Confessing to trumped up charges comrades made willing sacrifices to their belief in socialism and the necessity of finding and making examples of its enemies Halfin focuses his study on Leningrad Communist University as a microcosm of Soviet society Here eager students proved their loyalty to the new socialism by uncovering opposition within the University Through their meetings and self reports students sought to become Stalin s New Man Using his exhaustive research in Soviet archives including NKVD records party materials student and instructor journals letters and newspapers Halfin examines the transformation in the language of Stalinist socialism From an initial attitude that dismissed dissent as an error in judgment and redeemable through contrition to a doctrine where members of the opposition became innately wicked and their reform impossible Stalin s socialism now defined loyalty in strictly black and white terms Collusion or allegiance real or contrived now or in the past with enemies of the people Trotsky Zinoviev Bukharin Germans capitalists was unforgivable The party now took to the task of purging itself with ever increasing zeal

Britain and Poland 1939-1943 Anita Prazmowska,1995-03-23 Poland was a problematic issue for the Big Powers throughout the Second World War For Britain Poland was a major stumbling block in British Soviet relations as Polish Soviet territorial disputes clashed with the needs of the British Soviet United States alliance As the Polish government in exile attempted to obtain a guarantee of British support and many thousands of Polish troops fought for the British cause the perception grew that the Churchill government had a debt to pay Ultimately however it was a debt which Britain could not discharge because of its dependence on Soviet participation in the war In this book Anita Prazmowska looks at British policies from the point of view of wartime strategy relating this to Polish government expectations and policies She describes a tragic situation where Polish soldiers were trapped between the grandiose and unrealistic plans of their government and the harsh realities of a war which they fought with no prospect of a satisfactory outcome for them or their country

Iron Lazar E. A. Rees,2013-10-15 The first English language biography of Lazar Kaganovich one of Stalin s leading deputies Iron Lazar investigates the life of a man of key importance to the shaping of the Stalinist state With its insight into the political and personal relations of the Stalin group as well as its examination of this aspiring politician s policy making role during the Stalinist regime Iron Lazar investigates the previously undocumented life of Lazar Kaganovich the last surviving member of the Stalin government and one time heir apparent to the Soviet Union

Freedom and Terror in the Donbas Hiroaki Kuromiya,1998 This book discusses both the freedom of the Ukrainian Russian borderland of the Donbas and the terror it has suffered because of that freedom In a detailed panorama the book presents the tumultuous history of the steppe frontier land from its foundation as a modern coal and steel industrial center to the post Soviet present Wild and unmanageable this haven for fugitives posed a constant political challenge to Moscow and Kiev In light of new information gained from years of work in previously closed Soviet archives including the former KGB archives in the Donbas the book presents from a regional perspective new interpretations of critical events in modern Ukrainian and Russian history

the Russian Revolution the famine of 1932-33 the Great Terror World War II collaboration the Holocaust and de Stalinization

A History of Russia, Central Asia and Mongolia, Volume II David Christian, 2018-03-12 Provides an all encompassing look at the history of Russia Central Asia and Mongolia Beginning with the breakup of the Mongol Empire in the mid thirteenth century Volume II of this comprehensive work covers the remarkable history of Inner Eurasia from 1260 up to modern times completing the story begun in Volume I Volume II describes how agriculture spread through Inner Eurasia providing the foundations for new agricultural states including the Russian Empire It focuses on the idea of mobilization the distinctive ways in which elite groups mobilized resources from their populations and how those methods were shaped by the region's distinctive ecology which differed greatly from that of Outer Eurasia the southern half of Eurasia and the part of Eurasia most studied by historians This work also examines how fossil fuels created a bonanza of energy that helped shape the history of the Communist world during much of the twentieth century Filled with figures maps and tables to help give readers a fuller understanding of what has transpired over 750 years in this distinctive world region A History of Russia Central Asia and Mongolia Volume II Inner Eurasia from the Mongol Empire to Today 1260-2000 is a magisterial but accessible account of this area's past that will offer readers new insights into the history of an often misunderstood part of the world Situates the histories of Russia Central Asia and Mongolia within the larger narrative of world history Concentrates on the idea of Inner Eurasia as a coherent ecological and geographical zone Focuses on the powerful ways in which the region's geography shaped its history Places great emphasis on how mobilization played a major part in the development of the regions Offers a distinctive interpretation of modernity that highlights the importance of fossil fuels Offers new ways of understanding the Soviet era A History of Russia Central Asia and Mongolia Volume II is an ideal book for general audiences and for use in undergraduate and graduate courses in world history The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

Patronage and Politics in the USSR John P. Willerton, 1992 How do Soviet politicians rise to power How are national and regional regimes formed How are conflicting political interests brought together as policies are developed in the Soviet Union In *Patronage and Politics in the USSR* first published in 1991 Professor John Willerton offers major insights into the patronage networks that have dominated elite mobility regime formation and governance in the Soviet Union during the past twenty five years Using the biographical and career details of over two

thousand national leaders and regional officials in Azerbaijan and Lithuania John Willerton traces the patron client relations underlying recruitment mobility and policymaking He explores the strategies of power consolidation and coalition building used by Soviet chief executives since 1964 as well as the institutional links and policy outcomes that have resulted from network politics The author also assesses the manner and extent to which leaders in politically stable and less stable settings spanning different national cultural contexts have relied upon patronage networks to consolidate power and to govern Finally Professor Willerton explores how in a period of dramatic change patron client networks may have given way to institutionalised interest groups and political parties

Soviet Karelia Nick Baron, 2012-10-12 In 1920 Lenin authorised a plan to transform Karelia a Russian territory adjacent to Finland into a showcase Soviet autonomous region to show what could be achieved by socialist nationalities policy and economic planning and to encourage other countries to follow this example However Stalin's accession to power brought a change of policy towards the periphery the encouragement of local autonomy which had been a key part of Karelia's model development was reversed the state border was sealed to the outside world and large parts of the republic's territory were given over to Gulag labour camps controlled by the NKVD the precursor of the KGB This book traces the evolution of Soviet Karelia in the early Soviet period discussing amongst other things how political relations between Moscow and the regional leadership changed over time the nature of its spatial economic and demographic development and the origins of the massive repressions launched in 1937 against the local population

Famine Politics in Maoist China and the Soviet Union Felix Wemheuer, 2014-06-24 During the twentieth century 80 percent of all famine victims worldwide died in China and the Soviet Union In this rigorous and thoughtful study Felix Wemheuer analyzes the historical and political roots of these socialist era famines in which overambitious industrial programs endorsed by Stalin and Mao Zedong created greater disasters than those suffered under prerevolutionary regimes Focusing on famine as a political tool Wemheuer systematically exposes how conflicts about food among peasants urban populations and the socialist state resulted in the starvation death of millions A major contribution to Chinese and Soviet history this provocative analysis examines the long term effects of the great famines on the relationship between the state and its citizens and argues that the lessons governments learned from the catastrophes enabled them to overcome famine in their later decades of rule

Stalin and War, 1918-1953 David R. Shearer, 2023-09-11 *Stalin and War 1918 1953* is the first book to examine the patterns of radicalized internal violence that characterized the Stalinist regime across the whole of the dictator's rule and it is one of the only works to connect patterns of internal violence to the dictator's perceptions of war and foreign threat Discussion focuses on the crisis years 1928 1932 1936 1939 the Great Fatherland War and the last war crisis period 1947 1953 Violent repressions under Stalin were cyclical They peaked and ebbed but in each case they were linked to Stalin's expectation of war and invasion to his perceived need for urgent internal mobilization and to intense foreign policy activity Stalin's behavior in each of these perceived war crises followed a pattern established during the dictator's experience

as a military commander in the Russian revolutionary wars and especially during the Polish war in 1919 and 1920 Together these chapters trace a consistent and interconnected logic of war and repression throughout Stalin s political life This book will be of interest to professional scholars of Soviet history twentieth century history and World War II history and it is approachable enough to be appreciated by general readers European Communism Ronald Kowalski,2017-09-16 The course of modern European History has been influenced greatly by the challenge of Communism In theory it promised equality and freedom for all In practice it spawned inegalitarian authoritarian and in some instances monstrous regimes in the former Soviet Union and East Europe This study re examines the history of European Communism from its theoretical origins in the work of Marx and Engels in the mid nineteenth century until the dramatic collapse of the Soviet Union in 1991 Ronald Kowalski reappraises Marx s thinking and points out that his intellectual legacy was open to a variety of interpretations often at odds with his own views Kowalski also questions Lenin s professed Marxist credentials and the extent to which his additions to Marxist theory were central to the key issue in the history of Communism why did the egalitarian and libertarian dreams raised by the Russian Revolution degenerate into Stalinist authoritarianism and terror Furthermore why did Communism fail in West Europe while it was able to come to power in East Europe Concluding with an analysis of the revolutions which swept away the Communist regimes in East Europe and two years later in the Soviet Union itself this is an essential introduction to the history of a political force that dominated parts of Europe until the end of the twentieth century The Dictators: Hitler's Germany, Stalin's Russia Richard Overy,2006-01-17 A book of great importance it surpasses all others in breadth and depth Commentary If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness may be found Hitler Stalin and the systems of domination they forged Their lethal regimes murdered millions and fought a massive deadly war Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people In the first major historical work to analyze the two dictatorships together in depth Richard Overy gives us an absorbing study of Hitler and Stalin ranging from their private and public selves their ascents to power and consolidation of absolute rule to their waging of massive war and creation of far flung empires of camps and prisons The Nazi extermination camps and the vast Soviet Gulag represent the two dictatorships in their most inhuman form Overy shows us the human and historical roots of these evils

Reviewing **Stalin Siberia And The Crisis Of The New Economic Policy**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Stalin Siberia And The Crisis Of The New Economic Policy Introduction

Stalin Siberia And The Crisis Of The New Economic Policy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Stalin Siberia And The Crisis Of The New Economic Policy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Stalin Siberia And The Crisis Of The New Economic Policy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Stalin Siberia And The Crisis Of The New Economic Policy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Stalin Siberia And The Crisis Of The New Economic Policy Offers a diverse range of free eBooks across various genres. Stalin Siberia And The Crisis Of The New Economic Policy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Stalin Siberia And The Crisis Of The New Economic Policy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Stalin Siberia And The Crisis Of The New Economic Policy, especially related to Stalin Siberia And The Crisis Of The New Economic Policy, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Stalin Siberia And The Crisis Of The New Economic Policy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Stalin Siberia And The Crisis Of The New Economic Policy books or magazines might include. Look for these in online stores or libraries. Remember that while Stalin Siberia And The Crisis Of The New Economic Policy, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Stalin Siberia And The Crisis Of The New Economic Policy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors

provide excerpts or short stories for free on their websites. While this might not be the Stalin Siberia And The Crisis Of The New Economic Policy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Stalin Siberia And The Crisis Of The New Economic Policy eBooks, including some popular titles.

FAQs About Stalin Siberia And The Crisis Of The New Economic Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Stalin Siberia And The Crisis Of The New Economic Policy is one of the best book in our library for free trial. We provide copy of Stalin Siberia And The Crisis Of The New Economic Policy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Stalin Siberia And The Crisis Of The New Economic Policy. Where to download Stalin Siberia And The Crisis Of The New Economic Policy online for free? Are you looking for Stalin Siberia And The Crisis Of The New Economic Policy PDF? This is definitely going to save you time and cash in something you should think about.
