## **Stalin Triumph And Tragedy:**

*Stalin* Dmitrii Antonovich Volkogonov, 2000 A remarkable biography of Josef Stalin     *Stalin* Dmitrii Antonovich Volkogonov, 1995     **Stalin and the Scientists** Simon Ings, 2017-02-21 One of the finest most gripping surveys of the history of Russian science in the twentieth century Douglas Smith author of *Former People* *The Final Days of the Russian Aristocracy* *Stalin and the Scientists* tells the story of the many gifted scientists who worked in Russia from the years leading up to the revolution through the death of the Great Scientist himself Joseph Stalin It weaves together the stories of scientists politicians and ideologues into an intimate and sometimes horrifying portrait of a state determined to remake the world They often wreaked great harm Stalin was himself an amateur botanist and by falling under the sway of dangerous charlatans like Trofim Lysenko who denied the existence of genes and by relying on antiquated ideas of biology he not only destroyed the lives of hundreds of brilliant scientists he caused the death of millions through famine But from atomic physics to management theory and from radiation biology to neuroscience and psychology these Soviet experts also made breakthroughs that forever changed agriculture education and medicine A masterful book that deepens our understanding of Russian history *Stalin and the Scientists* is a great achievement of research and storytelling and a gripping look at what happens when science falls prey to politics Longlisted for the Baillie Gifford Prize for Non Fiction in 2016 A New York Times Book Review Paperback Row selection Ings's research is impressive and his exposition of the science is lucid Filled with priceless nuggets and a cast of frauds crackpots and tyrants this is a lively and interesting book and utterly relevant today The New York Times Book Review A must read for understanding how the ideas of scientific knowledge and technology were distorted and subverted for decades across the Soviet Union The Washington Post     **The Dictators: Hitler's Germany, Stalin's Russia** Richard Overy, 2006-01-17 A book of great importance it surpasses all others in breadth and depth Commentary If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness may be found Hitler Stalin and the systems of domination they forged Their lethal regimes murdered millions and fought a massive deadly war Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people In the first major historical work to analyze the two dictatorships together in depth Richard Overy gives us an absorbing study of Hitler and Stalin ranging from their private and public selves their ascents to power and consolidation of absolute rule to their waging of massive war and creation of far flung empires of camps and prisons The Nazi extermination camps and the vast Soviet Gulag represent the two dictatorships in their most inhuman form Overy shows us the human and historical roots of these evils     *Stalin* Harold Shukman, 2011-11-08 Joseph Stalin was one of the most ruthless and authoritarian dictators in world history who plunged Russia into a barbarous nightmare leaving behind a damaged nation and a legacy of grief This concise biography presents Lenin's heir from his humble and troubled beginnings to the highest rank of all General Secretary of the Communist Party *Stalin A Pocket Biography* is an accessible

account of a complex tyrant perfect for students or anyone taking a first look into modern Russian history      **Stalin's Ocean-going Fleet** Mikhail Monakov, Jurgen Rohwer, 2012-11-12 A study of the development of strategic concepts in Stalin's Navy in the context of his foreign defence policy using original archival documents translated from the Russian      Stalin, Mao, Communism, and their 21st-Century Aftermath in Russia and China Miguel A. Faria, Jr., 2024-01-17 This book describes salient and momentous events as well as gruesome episodes in the history of communism under Joseph Stalin in the Soviet Union and Mao Tse tung in China and narrates succinctly the historic major happenings that have taken place since that time up to the 21st century such as hostilities espionage and actual confrontations occurrences that have affected relations between those two nations vis vis the West and the United States The author corrects the historic record where it needs amending given new information that has come to light and redresses political biases that have arisen and to which none of us are immune This book serves as a sincere warning about the evils not only of the full blown imposition of totalitarianism via revolution but also of the implementation of socialism and authoritarianism via evolution asserting that full economic and political freedom is always best      Stalin's Guerrillas Kenneth Slepyan, 2006 A detailed study of the operations politics culture and autonomy of Soviet partisans or guerrillas who fought the German army in WWII Blending military political social and cultural history Slepyan also provides a prism for viewing relations between the suffocating Stalinist state and its independent partisan warriors      *Stalin's Other War* Albert L. Weeks, 2003-04-16 On June 22 1941 just less than two years after signing the Nazi Soviet Agreements Adolf Hitler's German army invaded the Soviet Union The attack hardly came as a surprise to Josef Stalin in fact history has long held that Stalin spent the two intervening years building up his defenses against a Nazi attack With the gradual declassifying of former Soviet documents though historians are learning more and more about Stalin's grand plan during the years 1939-1941 Longtime Soviet expert Albert L Weeks has studied the newly released information and come to a different conclusion about the Soviet Union's pre war buildup it was not precaution against German invasion at all In fact Weeks argues the evidence now suggests Soviet mobilization was aimed at an eventual invasion of Nazi Germany The Soviets were quietly biding their time between 1939 and 1941 allowing the capitalist powers to destroy one another all the while preparing for their own Westward march Stalin Weeks shows wasn't waiting for a Nazi attack Hitler simply beat him to the punch      **Access to History: Stalin's Russia 1924-53 4th Edition** Michael Lynch, 2008-06-27 The Access to History series is the most popular and trusted series for AS and A level history students The new editions combine all the strengths of this well loved series with a new design and features that allow all students access to the content and study skills needed to achieve exam success This is a new edition of the bestselling title *Bolshevik and Stalinist Russia 1918-56* which now focuses on the period from 1924-53 It has been revised and fully updated for the 2008 AS specifications for Edexcel and AQA providing both a narrative and an analysis of the impact of Stalin's leadership on the USSR It examines Stalin's rise to power following Lenin's death in 1924 the nature of his rule the economic changes he

brought about and his foreign policies Finally a concluding chapter focuses on what life was like in Stalinist Russia Throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined Summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips written by examiners for each specification provide the opportunity to develop exam skills

**Stalin's Soviet Justice** David M. Crowe, 2019-06-13 From the show trials of the 1920s and 1930s to the London Conference this book examines the Soviet role in the Nuremberg IMT trial through the prism of the ideas and practices of earlier Soviet legal history detailing the evolution of Stalin's ideas about the trial of Nazi war criminals Stalin believed that an international trial for Nazi war criminals was the best way to show the world the sacrifices his country had made to defeat Hitler and he together with his legal mouthpiece Andrei Vyshinsky maintained tight control over Soviet representatives during talks leading up to the creation of the Nuremberg IMT trial in 1945 and the trial itself But Soviet prosecutors at Nuremberg were unable to deal comfortably with the complexities of an open western style legal proceeding which undercut their effectiveness throughout the trial However they were able to present a significant body of evidence that underscored the brutal nature of Hitler's racial war in Russia from 1941-45 a theme which became central to Stalin's efforts to redefine international criminal law after the war Stalin's *Soviet Justice* provides a nuanced analysis of the Soviet justice system at a crucial turning point in European history and it will be vital reading for scholars and advanced students of the legal history of the Soviet Union the history of war crimes and the aftermath of the Second World War

**Stalin's Folly** Konstantin Pleshakov, 2006 Reassessing the Soviet response to the Nazi invasion of Russia the author portrays Stalin as an ineffective military leader who allowed hundreds of thousands of his soldiers to be slaughtered in the first ten days of the invasion

*Stalin's Holy War* Steven Merritt Miner, 2003 This volume examines the complex and profound role of religion especially Russian Orthodoxy in the politics of Stalin's government during World War II It demonstrates that Stalin decided to restore the church to prominence as a tool for restoring Soviet power to previously occupied areas

**Anti-Communism and Popular Culture in Mid-Century America** Cyndy Hendershot, 2015-10-03 Not long after the Allied victories in Europe and Japan America's attention turned from world war to cold war The perceived threat of communism had a definite and significant impact on all levels of American popular culture from government propaganda films like *Red Nightmare* in *Time* magazine to *Adventures of Rocky and Bullwinkle* This work examines representations of anti communist sentiment in American popular culture from the early fifties through the mid sixties The discussion covers television programs films novels journalism maps memoirs and other works that presented anti communist ideology to millions of Americans and influenced their thinking about these controversial issues It also points out the different strands of anti communist rhetoric such as liberal and countersubversive ones that dominated popular culture in different media and tells a much more complicated story about producers and consumers ideas about communism through close study of the cultural artifacts of the Cold War Instructors considering this

book for use in a course may request an examination copy here      *Stalin's Terror* B. McLoughlin, K. McDermott, 2002-12-11  
The British Irish Russian American German and Austrian contributors examine the intricate nature of the mass repression unleashed by the Stalinist leader of the USSR during 1937-38. The first part of the collection deals with annihilation policies against the Soviet elite and the Communist International. The second section of the volume looks at mass operations of the secret police NKVD against social outcasts, Poles and other hostile ethnic groups. The final section comprises micro studies about targeted victim groups among the general population.      **On Stalin's Team** Sheila Fitzpatrick, 2017-05-30  
Explanatory Note Glossary The Team Emerges The Great Break In Power The Team on View The Great Purges Into War Postwar Hopes Aging Leader Without Stalin End of the Road Biographies      **Stalin's American Spy** Tony Sharp, 2014  
Compelling Cold War mystery complete with espionage and double crossing agents this narrative sheds light on McCarthyism and Stalin's purges      **Forging Stalin's Army** Sally W Stoecker, 2018-02-19 This innovative study examines the early years of the Red Army as it developed from a revolutionary partisan force into a modern professional institution under the leadership of Mikhail Tukhachevsky, an important and controversial figure in the politics of the Stalin period. Sally Stoecker combines her institutional analysis of the formative period of the Soviet military with an astute look at the person and political maneuvers of Marshal Tukhachevsky and his complex relationship with Stalin which eventually led to his spectacular downfall and execution in the Great Terror of the late 1930s. This innovative study examines the early years of the Red Army as it developed from a revolutionary partisan force into a modern professional institution under the leadership of Mikhail Tukhachevsky, an important and controversial figure in the politics of the Stalin period. Sally Stoecker combines her institutional analysis of the formative period of the Soviet military with an astute look at the person and political maneuvers of Marshal Tukhachevsky and his complex relationship with Stalin which eventually led to his spectacular downfall and execution in the Great Terror of the late 1930s. Based on newly available archival materials, the book will be welcomed not only by military historians but also by Russian historians for the light it sheds on a vital area of Soviet political history.      *Stalin's Cold War* Caroline Kennedy-Pipe, 1995 In the first analysis of the start of the Cold War from a Soviet viewpoint, Caroline Kennedy-Pipe draws on Russian source material to reach some startling conclusions. She challenges the prevailing orthodoxy of Western historians to show how Moscow saw the presence of US troops in Europe in the 1940s and early 1950s as advantageous rather than as a check on Soviet ambitions. The author points to a complex web of concerns that fuelled Moscow's actions and explores how the Soviet leadership and Stalin in particular responded to American policy. She shows how the Soviet experience of the United States and Europe both before, during and after the Second World War led Moscow to a policy that was not simply fuelled by anti-Americanism. Six chapters cover events from the wartime conferences of 1943 until the death of Stalin. A final chapter places the book in the context of the current debate over the causes of the Cold War.      The Nature of Stalin's Dictatorship E. A. Rees, 2003-11-14 This is the first attempt to systematically study the

nature of the political leadership system under Stalin It focuses both on the formal institutions of power such as the Politburo and on the informal networks of decision making that were a central feature of his system of rule It draws on a wealth of new archival material to highlight Stalin s relations with his co leaders and wider elite groups and offers different perspectives on the nature and degree of Stalin s system of personal power
