Stalinism Its Impact On Russia And The World

Graeme Gill

Stalinism Its Impact On Russia And The World:

Stalinism George R. Urban,1985 **Stalinism** Graeme Gill,2016-01-07 Drawing on research based on access to the recently opened Soviet archives this new edition provides a valuable thematic account of the nature of Stalinism The author surveys the arguments about the origins of the Stalinist phenomenon and discusses the way in which the different faces of Stalinism economic social cultural and political changed over time Gill concludes that the dramatic fall of the USSR was connected to the nature of Stalinism *Stalinism and the Soviet-Finnish War, 1939-40* Malcolm L. G. Spencer,2018-07-25 This book offers an illuminating bridge between the political and social dimensions of the Soviet Finnish War of 1939 40 The conflict represented a significant crisis for the Soviet Union inspiring international condemnation and a significant loss of face for its supporters both at home and abroad The focus of this study is not upon the military dynamics of the war but upon its ability to influence events interpretations and interactions between agents and institutions within the Soviet Union and the wider international communist movement Through original archival research this book considers the ways in which the Soviet leadership reacted to the crisis the tools at its disposal and the effectiveness with which it managed to manipulate and control the spread of information through official and unofficial channels It contributes to a more complete and complex picture of the inter related nature of Soviet politics propaganda and mass media in this period *Russia and Eastern Europe, 1789-1985* Raymond Pearson,1989 **The Origins of the Stalinist Political System** Graeme Gill,Graeme J. Gill,2002-07-18 New and challenging perspectives on Soviet political development from 1917 to 1941 *Totalitarianism and the Prospects for World Order* Alexander Shtromas,2003-01-01 A remarkably prescient thinker Aleksandras Shtromas devoted his life to understanding totalitarianism and political change This posthumous collection of writings edited by Robert Faulkner and Daniel J Mahoney addresses some of the topics that preoccupied Shtromas throughout his life including totalitarian regimes postcommunist transitions the fates of the Baltic states and the nature of political revolutions

Stalinism in a Russian Province J. Hughes,1996-11-04 Stalinism in a Russian Province reexamines the agrarian policy pillars of Stalin s revolution from above initiated in 1929 30 and is the first major study of its kind since the opening of Soviet archives Through a pioneering application of the theoretical approaches of moral and political economy to Stalin s peasant policy Hughes reevaluates the causes and processes involved in the great political economic and social changes in the Soviet countryside Rather than a bipolarized conflict between state and peasant he profiles the socially variegated response of different peasant groups to collectivization and dekulakization and argues that it was as much a process involving social conflict between peasants **Stalinism for All Seasons** Vladimir Tismaneanu,2003-10-15 This history of the Romanian Communist Party RCP traces its origins as a tiny clandestine revolutionary organization in the 1920s to its years in national power from 1944 to 1989 and to the post 1989 metamorphoses The Nature of Stalin's Dictatorship E. A. Rees,2003-11-14 This is the first attempt to systematically study the nature of the political leadership system under Stalin It focuses both on

the formal institutions of power such as the Politburo and on the informal networks of decision making that were a central feature of his system of rule It draws on a wealth of new archival material to highlight Stalin s relations with his co leaders and wider elite groups and offers different perspectives on the nature and degree of Stalin s system of personal power

War Aims in the Second World War Victor Rothwell,2019-08-07 No detailed description available for War Aims in the Second World War

Stalin's Holy War Steven Merritt Miner,2003-10-16 Histories of the USSR during World War II generally portray the Kremlin s restoration of the Russian Orthodox Church as an attempt by an ideologically bankrupt regime to appeal to Russian nationalism in order to counter the mortal threat of Nazism Here Steven Merritt Miner argues that this version of events while not wholly untrue is incomplete Using newly opened Soviet era archives as well as neglected British and American sources he examines the complex and profound role of religion especially Russian Orthodoxy in the policies of Stalin s government during World War II Miner demonstrates that Stalin decided to restore the Church to prominence not primarily as a means to stoke the fires of Russian nationalism but as a tool for restoring Soviet power to areas that the Red Army recovered from German occupation The Kremlin also harnessed the Church for propaganda campaigns aimed at convincing the Western Allies that the USSR far from being a source of religious repression was a bastion of religious freedom In his conclusion Miner explores how Stalin s religious policy helped shape the postwar history of the USSR

Stalin's Library Geoffrey Roberts,2022-02-08 A compelling intellectual biography of Stalin told through his personal library In this engaging life of the twentieth century s most self consciously learned dictator Geoffrey Roberts explores the books Stalin read how he read them and what they taught him Stalin firmly believed in the transformative potential of words and his voracious appetite for reading guided him throughout his years A biography as well as an intellectual portrait this book explores all aspects of Stalin s tumultuous life and politics Stalin an avid reader from an early age amassed a surprisingly diverse personal collection of thousands of books many of which he marked and annotated revealing his intimate thoughts feelings and beliefs Based on his wide ranging research in Russian archives Roberts tells the story of the creation fragmentation and resurrection of Stalin s personal library As a true believer in communist ideology Stalin was a fanatical idealist who hated his enemies the bourgeoisie kulaks capitalists imperialists reactionaries counter revolutionaries traitors but detested their ideas even more

The Oxford Handbook of Postwar European History Dan Stone,2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of

postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

Soviet Politics Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader

The Devil in History Vladimir Tismaneanu, 2014-03-14 The Devil in History is a provocative analysis of the relationship between communism and fascism Reflecting the author's personal experiences within communist totalitarianism this is a book about political passions radicalism utopian ideals and their catastrophic consequences in the twentieth century's experiments in social engineering Vladimir Tismaneanu brilliantly compares communism and fascism as competing sometimes overlapping and occasionally strikingly similar systems of political totalitarianism He examines the inherent ideological appeal of these radical revolutionary political movements the visions of salvation and revolution they pursued the value and types of charisma of leaders within these political movements the place of violence within these systems and their legacies in contemporary politics The author discusses thinkers who have shaped contemporary understanding of totalitarian movements people such as Hannah Arendt Raymond Aron Isaiah Berlin Albert Camus François Furet Tony Judt Ian Kershaw Leszek Kolakowski Richard Pipes and Robert C Tucker As much a theoretical analysis of the practical philosophies of Marxism Leninism and Fascism as it is a political biography of particular

figures this book deals with the incarnation of diabolically nihilistic principles of human subjugation and conditioning in the name of presumably pure and purifying goals Ultimately the author claims that no ideological commitment no matter how absorbing should ever prevail over the sanctity of human life He comes to the conclusion that no party movement or leader holds the right to dictate to the followers to renounce their critical faculties and to embrace a pseudo miraculous a mystically self centered delusional vision of mandatory happiness *Stalin in Russian Satire, 1917-1991* Karen L. Ryan, 2009-11-24 During Stalin s lifetime the crimes of his regime were literally unspeakable More than fifty years after his death Russia is still coming to terms with Stalinism and the people s own role in the abuses of the era During the decades of official silence that preceded the advent of glasnost Russian writers raised troubling questions about guilt responsibility and the possibility of absolution Through the subtle vehicle of satire they explored the roots and legacy of Stalinism in forms ranging from humorous mockery to vitriolic diatribe Examining works from the 1917 Revolution to the fall of the Soviet Union in 1991 Karen L Ryan reveals how satirical treatments of Stalin often emphasize his otherness distancing him from Russian culture Some satirists portray Stalin as a madman Others show him as feminized animal like monstrous or diabolical Stalin has also appeared as the unquiet dead a spirit that keeps returning to haunt the collective memory of the nation While many writers seem anxious to exorcise Stalin from the body politic for others he illuminates the self in disturbing ways To what degree Stalin was and is in us is a central question of all these works Although less visible than public trials policy shifts or statements of apology Russian satire has subtly yet insistently participated in the protracted process of de Stalinization

Bridling Dictators Graeme Gill, 2021 This book offers a new perspective on authoritarian politics Rather than the leadership of the authoritarian political systems being always characterized by arbitrariness fear and struggle for power this book argues that politics of such regimes are structured by a series of rules which bring some consistency and predictability

Yalta 1945 Fraser J. Harbutt, 2010-02-15 This book examines Allied diplomacy from 1941 to 1946 challenging Americocentric views and highlighting the significance of Europe s diplomatic role Harbutt argues that the Yalta conference of February 1945 was a pivotal moment that signaled a shift from a pre existing Europe America framework to the East West conception that led to the Cold War **Personalism and Personalist Regimes** Alex Baturo, Luca Anceschi, Francesco Cavatorta, 2024-07-04 Personalist leaders such as Russia s Vladimir Putin Belarus s Alexander Lukashenko or Venezuela s Nicol s Maduro are increasingly prominent players in the international landscape their motivations and policies however are poorly understood The regimes they lead are difficult to examine mostly because of their most defining feature an inordinate concentration of power in the hands of one single individual Yet personalist leaders do not rule alone even if they do not always govern through institutional channels How do personalist regimes really work How do their rulers acquire and maintain personal control How does contemporary personal rule differ from how it was practised during the Cold War These are the key questions addressed in *Personalism and Personalist Regimes* which offers a systematic examination of the logic of

personalism or personalist rule tackling comprehensively the study of personalist leaders and personalist regimes The book is underpinned by a theoretical framework that combines historical and comparative analyses brought forward through a series of detailed country studies authored by a distinguished group of comparativists and area studies experts The book also revisits and builds upon *Sultanistic Regimes* the seminal study by H E Chehabi and Juan Linz In contrast to *Sultanistic Regimes* that studied sultanism an extreme form of personalism *Personalism and Personalist Regimes* examines personal rule on its full continuum from Turkey under Erdoğan or Venezuela under Maduro to Turkmenistan under Berdimuhamedov or Libya under Gaddafi Because personalism or personal rule can be present across all regimes the book also includes several studies of personalism and institutions in party dictatorships China or Cuba amongst others

The Routledge Dictionary of Twentieth-Century Political Thinkers Robert Benewick, 2002-09-11 This edition has been revised and extended to include eleven new entries on Berlin Chomsky Derrida Rorty and many others Key features of this unique guide include 170 entries from 96 contributors many of whom are leading authorities in their field alphabetically arranged entries which include brief biographies outlines of major ideas and suggestions for further reading coverage of Western and Third World political theorists as well as those who have influenced new movements based on the issues of ethnicity gender and ecology a thematically organised index

Stalinism Its Impact On Russia And The World Introduction

In today's digital age, the availability of Stalinism Its Impact On Russia And The World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Stalinism Its Impact On Russia And The World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Stalinism Its Impact On Russia And The World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Stalinism Its Impact On Russia And The World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Stalinism Its Impact On Russia And The World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Stalinism Its Impact On Russia And The World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Stalinism Its Impact On Russia And The World books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Stalinism Its Impact On Russia And The World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Stalinism Its Impact On Russia And The World books and manuals for download and embark on your journey of knowledge?

FAQs About Stalinism Its Impact On Russia And The World Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Stalinism Its Impact On Russia And The World is one of the best book in our library for free trial. We provide copy of Stalinism Its Impact On Russia And The World in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Stalinism Its Impact On Russia And The World. Where to download Stalinism Its Impact On Russia And The World online for free? Are you looking for Stalinism Its Impact On Russia And The World PDF? This is definitely going to save you time and cash in something you should think about.
