Following The Spirit Eastwood Anaba,2012

We cannot follow the Spirit unless we know Him If we don t know the Spirit we are not only likely to fail to follow Him but also blaspheme Him through ignorance and arrogance Blasphemy of the Holy Ghost is attributing the works of the Holy Ghost to the devil The move of the Spirit in our time features several things that are contrary to tradition and human logic and this has the tendency to make many resist Him and fight against His works The aim of this book is to put us back on the path of following the Holy Ghost We must not allow the flesh to control us and we should not be distracted by the common occurrence of demonic activities around us The devil is so loud in his actions that preachers and Bible teachers spend a lot of their time talking about the devil to the neglect of the Holy Ghost We must remain focused on the Holy Ghost in order to experience His power

The Gifts of the Holy Spirit to Unbelievers and Believers Clement Read Vaughan,1894

This treatise does not seek to enlarge the boundaries of Christian knowledge unless the attempt to restate the old familiar truths of the gospel of grace in the forms they have assumed in a re thinking of them under the current modes of thought in the passing era can be so called The object is wholly practical There are no new speculations here The discussion only seeks to extend the applicaion of some of these venerable truths to the practical experience of Christian people and to restate the terms on which the Christian hope may be obtained by those not yet entitled to indulge it Preface

The Holy Spirit of God Donald W.

French,2009-06 This book is written in the format that Donald W French uses of letting the Bible speak for itself This style of writing is much more unique than it should be in a country where a majority of the population claims to believe that the Bible is the inspired word of God It is the author s hope that this book will encourage others to study the Bible not only to better understand the Holy Spirit of God but to help encourage a manner of humbly reading the Bible in order to come to the understanding that God intended when He inspired the writing of the verses of the Bible The author firmly believes that this is the only way that there can ever be unity in the religious world unity not in diversity but in actuality
