Stand Up Virgin Soldiers:

Stand Up Virgin Soldiers Leslie Thomas, 2010-12-07 The worst has happened On the eve of their return to Blighty Brigg and his fellow National Servicemen find themselves sentenced to another six months in Panglin Barracks Many of the surviving characters from *The Virgin Soldiers* live again in these pages dogged Tasker the odious Sergeant Wellbeloved the vulnerable Colonel Bromley Pickering and the comically touching Juicy Lucy But we encounter new characters too the fanatical and demented Lieutenant Grainger the endearing Welshman Morris Morris strong as a horse but bafflingly buxom US Private Clay mysteriously lost in transit by the American Army and last but not least Bernice Harrison the sporting nurse who threatens to replace the wayward Lucy in Brigg's affections *The Malayan Emergency in Film, Literature and Art* Jonathan Driskell, Marek W. Rutkowski, Andrew Hock Soon Ng, 2025-01-09 Examining film literature and art produced during and after the Malayan Emergency the guerrilla war fought between the Malayan National Liberation Army and the military forces of the British Commonwealth this collection demonstrates how art functions as a record of cultural memory that both reinforces and challenges official histories Beyond that it also brings new understandings of the Malayan Emergency itself and Malaysia's subsequent development as a postcolonial nation The first section of the book focuses on films and writings produced during the period of the Emergency to capture the socio political circumstances of the time and understand its effect on the people The second section goes on to explore representations of the Emergency generated after the event highlighting how it was reimagined or reevaluated by later artists and what ideological ends they served Offering a comparative methodological approach it investigates works that account for a range of perspectives including British Communist and Malayan Malaysian Bringing together the personal and political within individual and collective histories this collection offers a new understanding of how the Emergency contributed to the formation of postcolonial Malaysia and demonstrates the central role that film literature and art play in the creation of cultural memory **Onward Virgin Soldiers** Leslie Thomas, 2010-12-07 Bursting with life and bawdy humour National Serviceman Brigg is now a Regular Army sergeant defending the Empire in the beds and bars of Hong Kong Peace time diversions include sensual fireworks with a pair of delicious Chinese twins and a tender erotic affair with the lonely wife of an American serviceman *That Old Gang of Mine* Leslie Thomas, 2011-03-31 At four thirty one January afternoon a bus returning to Miami and Fort Lauderdale containing tourists who have been visiting a Seminole Indian Reservation is held up at gunpoint by five hooded gangsters The combined ages of the 5 robbers total 320 years Leslie Thomas's latest novel is the hilarious account of the adventures of a group of elderly gangsters in Florida the Ocean Drive Delinquent Society known as the ODDS for short The members include Ari the Greek he of the legendary nose K K K Katy the aging dancing girl who can still manage a high kick and Molly Mandy whose metal detector uncovers the gang's arms cache and it's the one and only bullet Along with Sidewalk Joe Lou the Barbender and one or two more they form a daring band who have little to lose and their audacious and frequently

unsuccessful enterprises soon have Captain Salvatore of the local police baffled Salvatore calls in an elderly private eye George Zaharran to help him out but instead of simplifying the mystery Zaharran's presence serves only to multiply it That Old Gang of Mine is both a riotous adventure and an affectionate evocation of the geriatric gang's bond with the beautiful girl and two younger men who lead it It is wholly delightful book from the pen of one of England's funniest storytellers
