 International Version text **Galatians** Bruce Bickel,Stan Jantz,2008 Free Unearned A gift God s acceptance comes with no
 strings attached as you trust in His Son Jesus This is the whole gospel But for 2000 years Christians including the first
 century Galatians have often believed they must add performance requirements to the gospel in order to truly earn God s
 approval Listen in as the apostle Paul blows the lid off this selfdeception by explaining why the Good News becomes bad
 news when you mix it with rules how to sniff out people who are promoting a false rules added gospel why adding
 requirements to God s grace actually subtracts from your enjoying Christ why trust is the only thing needed to receive God s
 grace and live in it day to day Galatians shows you that life in God s Spirit through His grace is still His plan for freedom so
 you can live out your full potential as His child Book jacket **Flowers of fancy, a collection of similes taken from**

 What will happen to you after your life is over Do you have eternal life How does someone get eternal life Come and explore

some time tested truths and see if your foundations can be strengthened The purpose of this book is not to present new insight but rather to present old truths in a clear way that is easy to understand This book covers many topics Other authors have written whole books on topics which are covered here in just a couple pages Don t expect exhaustive coverage of any topic but do expect a lot to be covered in a few pages How are your foundations doing Galatians Mark J.

Keown,2024-03-11 This commentary of Galatians is a thorough examination of the text of the letter by Mark J Keown It includes an introduction to the letter and a verse by verse analysis of Paul s letter It is designed to be a readable thorough exploration of Galatians without being overly laden with engagement with secondary literature The Greek of Galatians is transliterated throughout the commentary including in the translations making the Greek accessible to all readers The real emphasis is engagement with the text the meaning of the Greek especially in regards to primary sources and the flow of Paul s argument against the Judaizers challenging his churches Yet as is usual in Mark Keown s work it is all presented in an easily understandable and readable way At points the author pauses to share a personal story or two adding flavor to the commentary While it is comprehensive and thorough It is ideal for preachers who are looking to really grapple with the meaning of Galatians for Christians today Special emphasis is given to Paul s summons in the letter that readers live by faith and not works and embrace God s call in the gospel to lay aside all forms of prejudice under God s reign In the discussion of Galatians 5 in depth consideration is given to the ethical issues it raises a helpful tool for Christians grappling with how to live by the Spirit in a twenty first century world full of challenges **Up and Alive** Cathy Madavan,Mark
