Lucky Strikes and a Three Martini Lunch Danielle M. Stern,2012-12-07 Lucky Strikes and a Three Martini Lunch Thinking About Television's Mad Men explores the attributes of the AMC series that allow it to be such a popular and vital contribution to contemporary cultural discourse Set in the 1960s in New York the Emmy and Peabody winning series Mad Men follows the competitive seductive and oftentimes ruthless lives of the men and women of Madison Avenue's advertising agencies Many alluring and captivating qualities constitute the Mad Men experience the way it evokes nostalgia even from those who did not live in the era being portrayed its interrogations into identities and how these interrogations of the past illuminate viewers' concepts of the present the compelling and often heartbreaking relationships between characters who are trying to make their way in an ever-changing and increasingly complex world the titillation of the characters' discovery of the powers of mass-mediated communication and its abilities to allow learning information sharing manipulation and connection and of course the striking differences in sex roles and sexuality in the workplace that simultaneously celebrates and challenges views of gendered progress in contemporary times Twenty-six authors most coming from academic posts but others from practitioner administrator or cultural critic positions come together to explore these themes through eighteen engaging and thoughtful essays and an illuminating introduction each unique to this collection and exploring a particular aspect of the series through a different academic lens

Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004

American Automobile Advertising, 1930-1980 Heon Stevenson,2008-11-24 This book provides a comprehensive history of American print

automobile advertising over a half century span beginning with the entrenchment of the Big Three automakers during the Depression and concluding with the fuel crises of the 1970s and early 1980s Advances in general advertising layouts and graphics are discussed in Part One together with the ways in which styling mechanical improvements and convenience features were highlighted Part Two explores ads that were concerned less with the attributes of the cars themselves than with shaping the way consumers would perceive and identify with them Part Three addresses ads oriented toward the practical aspects of automobile ownership concluding with an account of how advertising responded to the advance of imported cars after World War II Illustrations include more than 250 automobile advertisements the majority of which have not been seen in print since their original publication Standard Catalog of Cadillac, 1903-1990 Mary Sieber, Ken Buttolph, 1991 Krause Publications Standard Catalog series is available by specific marque in individual volumes or as a set Each book contains in depth profiles of specific makes by model factory photos and up to date vehicle pricing The 1 to conditional pricing system assures readers of accurate values whether a vehicle is a 1 low mileage rust free beauty or a 6 parts only heap *The Big Book of Car Culture* Jim Hinckley, Jon G. Robinson, 2005 With the powerful rhythmic sounds of Aboriginal English and Kokatha language woven through the narrative Mazin Grace is the inspirational story of a feisty girl who refuses to be told who she is determined to uncover the truth for herself Growing up on the Mission isn't easy for clever Grace Oldman When her classmates tease her for not having a father she doesn't know what to say Pappa Neddy says her dad is the Lord God in Heaven but that doesn't help when the Mission kids call her a bastard As Grace slowly pieces together clues that might lead to answers she struggles to find a place in a community that rejects her for reasons she doesn't understand In this novel author Dylan Coleman fictionalizes her mother's childhood at the Koonibba Lutheran Mission in South Australia in the 1940s and 1950s *Motormen & Yachting: The waterfront heritage of the automobile industry* Michael M. Dixon, 2005 **Motor** ,1905 Catalogue Montgomery Ward, 1960 Cars & Parts ,1989 *Horseless Carriage Gazette* ,1961 Product Liability Duncan Fairgrieve, Richard S Goldberg, 2020-05-20 Product Liability is a recognised authority in the field and covers the product liability laws through which manufacturers retailers and others may be held liable to compensate persons who are injured or who incur financial loss when the products which they manufacture or sell are defective or not fit for their purpose Product defects may originate in the production process be one of design or be grounded in a failure to issue an adequate warning or directions for safe use and practitioners advising business clients or claimants will find this book provides all the necessary information for practitioners to manage a product liability claim This new edition has been fully updated to take account of 10 years of development in case law and regulation and the increasing impact of cross border and transnational sale of goods The Court of Justice of the European Union handed down major rulings concerning the Product Liability Directive which affect the application of the Directive and national arrangements and Fairgrieve and Goldberg examines this in detail For any legal practitioner operating in areas which require knowledge of

European product liability law an understanding of the impact of recent developments is essential and this work is an essential resource for practitioners working on product liability sale of goods personal injury and negligence The work provides comprehensive coverage of the law of negligence as it applies to product liability of the strict liability provisions of the Consumer Protection Act 1987 and of the EU's Product Liability Directive on which the Act is based Although the majority of cases involve pharmaceuticals and medical devices in recent English cases the allegedly defective products have been as diverse as a child's buggy an All Terrain Vehicle and even a coffee cup Many cases are brought as group actions and the book examines the rights of those who are injured by defective products As well as considering the perspective of the law as it has developed in the UK this edition contains detailed discussion of case law from other jurisdictions including the USA Australia New Zealand Canada France and Germany The coverage in the work is complemented by a full analysis of issues which arise in transnational litigation involving problems of jurisdiction and the choice of laws
