Texas Triumphant:

Texas Triumphant Daniel Da Cruz, 1987 A volume in a fantasy series about wars between the Soviet Union and the Republic of Texas **Texas Triumphant** Gene Walden, *Texas Triumphant* Daniel Dacruz, 1989-08-01 Extremism Triumphant Darin Wipperman, 2003 Generations of Americans have witnessed the political disputes over slavery and abortion the two most contentious issues in the nation s history This book surveys the origins and course of this unfortunate strife arguing that leaders on both sides of the two issues have embraced political expediency or an illogical view of the Constitution rather than viable solutions Focusing on key events and a diverse range of individuals *Extremism Triumphant* offers fresh perspectives while lamenting missed opportunities and bitter debate Making extensive use of Congressional debates and Supreme Court opinions the narrative takes us on a journey from before the nation s founding to the early part of the 21st Century Critical of each pole of the slavery impasse that brought civil war the book shows how the nation made numerous errors as it tried to tackle the equally passionate feud over reproductive freedom Unsurprisingly both camps of the modern abortion debate receive criticism With a willingness to question conventional wisdom dear to conservatives and liberals *Extremism Triumphant* challenges each side to ponder its own claim to the moral high ground *The Road to Disunion, Volume II : Secessionists Triumphant Volume II: Secessionists Triumphant, 1854-1861* William W. Freehling Singletary Professor of the Humanities University of Kentucky, 2007-04-16 It is one of the great questions of American history why did the Southern states bolt from the Union and help precipitate the Civil War Now acclaimed historian William W. Freehling offers a new answer in the final volume of his monumental history *The Road to Disunion* Here is history in the grand manner a powerful narrative peopled with dozens of memorable portraits telling this important story with skill and relish Freehling highlights all the key moments on the road to war including the violence in Bleeding Kansas Preston Brooks s beating of Charles Sumner in the Senate chambers the Dred Scott Decision John Brown s raid on Harper s Ferry and much more As Freehling shows the election of Abraham Lincoln sparked a political crisis but at first most Southerners took a cautious approach willing to wait and see what Lincoln would do especially whether he would take any antagonistic measures against the South But at this moment the extreme fringe in the South took charge first in South Carolina and Mississippi but then throughout the lower South sounding the drum roll for secession Indeed *The Road to Disunion* is the first book to fully document how this decided minority of Southern hotspurs took hold of the secessionist issue and aided by a series of fortuitous events drove the South out of the Union Freehling provides compelling profiles of the leaders of this movement many of them members of the South Carolina elite Throughout the narrative he evokes a world of fascinating characters and places as he captures the drama of one of America s most important and least understood stories The long awaited sequel to the award winning *Secessionists at Bay* which was hailed as the most important history of the Old South ever published this volume concludes a major contribution to our understanding of the Civil War A compelling vivid portrait of the final years of

the antebellum South The Road to Disunion will stand as an important history of its subject **The Battles of Peace** Pat Morris Neff,1925 After his term as governor of Texas Neff went on to become the President of Baylor University in Waco 1932 1947 The many essays in this book are a political biography of his term in office from the inaugural address to his farewell speech He discusses his accomplishments and vision for Texas Kit Carson Days Adventures in the Path of Empire 1809-1868 Vol. I Edwin L. Sabin,2023-03-30 Christopher Houston Kit Carson December 24 1809 May 23 1868 was an American frontiersman The few paying jobs he had during his lifetime included mountain man fur trapper wilderness guide Indian agent and American Army officer Carson became a frontier legend in his own lifetime via biographies and news articles Exaggerated versions of his exploits were the subject of dime novels In the 1840s he was hired as a guide by John C Fremont Fremont s expedition covered much of California Oregon and the Great Basin area Fremont mapped and wrote reports and commentaries on the Oregon Trail to assist and encourage westward bound American pioneers Carson achieved national fame through Fremont s accounts of his expeditions Under Fremont s command Carson participated in the uprising against Mexican rule in California at the beginning of the Mexican American War Later in the war Carson was a scout and courier celebrated for his rescue mission after the Battle of San Pasqual and for his coast to coast journey from California to Washington DC to deliver news of the conflict in California to the U S government During the American Civil War Carson led a regiment of mostly Hispanic volunteers from New Mexico on the side of the Union at the Battle of Valverde in 1862 Print ed
