The Art of the Woman Emily Fourmy Cutrer, 2016-03-15 The Art of the Woman explores the life of German born Elisabet Ney a flamboyant sculptor who transfixed the philosopher Arthur Schopenhauer and left the court of the half mad Ludwig of Bavaria to put down new roots in Texas Born in 1833 Ney gained notoriety in Europe by sculpting the busts of such figures as Ludwig II Schopenhauer Garibaldi and Bismarck In 1871 she abruptly emigrated to America and became something of a recluse until resuming her sculpting career two decades later In Texas she was known for stormy relationships with officials patrons and women's organizations Her works included sculptures of Sam Houston and Stephen F Austin and are exhibited in the state and US capitols as well as the Smithsonian Emily Fourmy Cutrer's biography of Ney makes extensive use of primary sources and was the first to appraise both Ney's legend and individual works of art

Cutrer argues that Ney was an accomplished sculptor coming out of a neglected German neoclassical tradition and that whatever her failures and eccentricities she was an important catalyst to cultural activity in Texas Outsider Art in Texas Jay Wehnert, 2018-04-23 Texas looms large big skies vast plains large cities The Lone Star State often inspires a heightened sense of place in its citizens that rivals or surpasses that of New Yorkers This is frequently reflected in the art of Texas paintings of bluebonnet fields longhorn cattle and scenes from the Texas frontier have long enjoyed popularity with collectors Outsider artists on the other hand live and create on the fringes of culture and society Generally removed from the influence of place they prefer instead to chart their own intensely personal interior landscapes They usually have little awareness of or connection to the mainstream art world or its history and they typically possess limited intention that their work will have an audience or find a place in the broader landscape of art Woven through the lives and work of outsider artists is a common thread of isolation This isolation may be psychological cultural socioeconomic geographical racial or institutionally imposed Circumstances of life chosen or not have placed these artists apart However these artists like their formally trained peers find that they are compelled to make art it is essential to their lives as a manifestation of their personal histories societal and cultural forces and an unfailing drive to express themselves In Outsider Art in Texas Lone Stars author Jay Wehnert takes readers on a visually stunning excursion through the lives and work of eleven outsider artists from Texas a state particularly rich in outsider artists of national and international renown **Museum of American Folk Art Encyclopedia of Twentieth-century American Folk Art and Artists** Chuck Rosenak, Jan Rosenak, 1990 Comprehensive encyclopedia of twentieth century American folk art and artists
