Text And Practice Essays On South Asian History:

Crossing the Lines of Caste Adheesh A. Sathaye,2015 Crossing the Lines of Caste offers a cultural historical analysis of the legends of Visvamitra a sage who is said to have used his ascetic power to change his caste and become a Brahmin It reveals how and why mythological culture has played an active role in the construction of Brahmin social power for more than three thousand years *Hindu Law* Patrick Olivelle,Donald Richard Davis,2018 An edited collection on the history of law and legal texts in the Hindu traditions **Text and Practice** Ronald B. Inden,2006 Articles on cultural history of India

In Praise of Kings Aparna Kapadia,2018-05-16 In Praise of Kings is a ground breaking study of the long neglected fifteenth century in South Asian history Contrary to the conventional focus on the Delhi centred empires which consider this period as an age of decline this book illuminates the cultural and political dynamism of the era It reconstructs the fascinating world of the royal courts of Gujarat including those of the Rajput chieftains and the regional sultans through close readings of rarely used literary works in Sanskrit and Gujarati The book also complicates another popularly held perception that of Gujarat as the land of traders and merchants Instead it shows how Gujarat s warrior past was also integral to this region s identity and history **Rites of the God-King** Marko Geslani,2018-06-08 Rites of the God King offers a critical revision of mainstream Hinduism from the perspective of the life of a single ritual from medieval India Drawing theoretical connections to modern ethnographies it raises questions about the nature of kingship and priesthood image worship and ritual change

Modern Hinduism in Text and Context Lavanya Vemsani,2018-07-26 Modern Hinduism in Text and Context brings together textual and contextual approaches to provide a holistic understanding of modern Hinduism It examines new sources including regional Saiva texts Odissi dance and biographies of Nationalists and discusses topics such as yoga dance visual art and festivals in tandem with questions of spirituality and ritual The book addresses themes and issues yet to receive in depth attention in the study of Hinduism It shows that Hinduism endures not only in texts but also in the context of festivals and devotion and that contemporary practice devotional literature creative traditions and ethics inform the intricacies of a religion in context Lavanya Vemsani draws on social scientific methodologies as well as history ethnography and textual analysis demonstrating that they are all part of the toolkit for understanding the larger framework of religion in the context of emerging nationhood transnational and transcultural interactions *India: The Ancient Past* Burjor Avari,2016-07-01 India The Ancient Past provides a clear and systematic introduction to the cultural political economic social and geographical history of ancient India from the time of the pre Harappan culture nine thousand years ago up until the beginning of the second millennium of the Common Era The book engages with methodological and controversial issues by examining key themes such as the Indus Sarasvati civilization the Aryan controversy the development of Vedic and heterodox religions and the political economy and social life of ancient Indian kingdoms This fully revised and updated second edition includes Three new chapters examining the differences and commonalities between the north and south of India Extended discussion on

contested issues such as the origins of the Aryans and the role of feudalism in ancient India New source excerpts to introduce students to the most significant works in the historiography of India and questions for discussion Study guides including a list of key issues suggested readings and a selection of internet sources for each chapter Specially designed maps to illustrate different time periods and geographical regions This richly illustrated guide provides a fascinating account of the early development of Indian culture and civilization that will appeal to all students of Indian history **Hinduism and Law**

Timothy Lubin,Donald R. Davis Jr,Jayanth K. Krishnan,2010-10-21 Covering the earliest Sanskrit rulebooks through to the codification of Hindu law in modern times this interdisciplinary volume examines the interactions between Hinduism and the law The authors present the major transformations to India s legal system in both the colonial and post colonial periods and their relation to recent changes in Hinduism Thematic studies show how law and Hinduism relate and interact in areas such as ritual logic politics and literature offering a broad coverage of South Asia s contributions to religion and law at the intersection of society politics and culture In doing so the authors build on previous treatments of Hindu law as a purely text based tradition and in the process provide a fascinating account of an often neglected social and political history *The Wiley Blackwell Companion to Religion and Materiality* Vasudha Narayanan,2020-04-16 The Wiley Blackwell Companion to Religion and Materiality provides a thoughtfully organized inclusive and vibrant project of the multiple ways in which religion and materiality intersect The contributions explore the way that religion is shaped by and has shaped the material world embedding beliefs doctrines and texts into social and cultural contexts of production circulation and consumption The Companion not only contains scholarly essays but has an accompanying website to demonstrate the work of performers architects and expressive artists ranging from musicians and dancers to religious practitioners These examples offer specific illustrations of the interplay of religion and materiality in everyday life The project is organized from a comparative perspective highlighting examples and case studies from traditions originating in both East and West To summarize the volume Brings together the leading figures theories and ideas in the field in a systematic and comprehensive way Offers an interdisciplinary approach drawing together religious studies anthropology archaeology history sociology geography the cognitive sciences ecology and media studies Takes a comparative perspective covering all the major faith traditions

Encounters on the Opposite Coast: The Dutch East India Company and the Nayaka State of Madurai in the Seventeenth Century Markus Vink,2015-10-14 In *Encounters of the Opposite Coast* Markus Vink provides a narrative of the first half century of cross cultural interaction between the Dutch East India Company VOC one of the great northern European chartered companies and Madurai one of the great southern Nayakas and successor states of the Vijayanagara empire in southeast India c 1645 1690 A shared interest in trade and at times converging political objectives formed the unstable foundations for a complex relationship fraught with tensions a mixture of conflict and coexistence typical of the age of contained conflict Drawing extensively on archival materials Markus Vink covers a topic neglected by both Company

historians and their Indian counterparts and sheds important light on a black hole in South Indian history
