Text Level Year R Developing Literacy:

Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice *Sentence Level* Christine Moorcroft, 1999 This activity book for Year R Literacy Hour is one of a series covering the sentence level objectives in the National Literacy Strategy framework for teaching from Year R to Year 6 It is photocopiable and aims to develop children's grammatical awareness includes activities which focus on sentence construction the roles of different kinds of words and punctuation promotes independent work has extension activities which reinforce and develop what the children have learned and includes notes for teachers

Developing Literacy Ray Barker, Christine Moorcroft, 2000 Through 50 activities using fiction non fiction and poetry this book intends to help Year 1 children achieve the text level learning objectives outlined in the National Literacy Strategy It aims to develop children's reading skills and ability and to plan and structure their writing The activities are designed for use with texts already in schools therefore no new text resources are required The other two graded Developing Literacy activity books in this series cover Word and Sentence *Unlocking Writing* Mary Williams, 2013-10-11 The underpinning theme of this book is how children develop as writers and how self awareness raises achievement It offers creative approaches to increasing pupil motivation and performance by involving amongst other things Drama and ICT The contributors offer practical advice on ways to meet the needs of boys able children SEN pupils and those learning English as an additional language how to plan effective lessons how to be flexible within the framework of the NLS and the role of assessment and how it contributes to self understanding Central to all classroom practitioners and students this innovative book improves general understanding of the process related to composition and transcription and helps to raise the standards of writing in all classrooms

Developing Literacy Sentence Year Two Christine Moorcroft, 1999 This activity book for Year 3 Literacy Hour is one of a series covering the sentence level objectives in the National Literacy Strategy framework for teaching from Year R to Year 6 It is photocopiable and aims to develop children's grammatical awareness includes activities which focus on sentence construction the roles of different kinds of words and punctuation promotes independent work has extension activities which reinforce and develop what the children have learned and includes notes for teachers *Effective Educational Programs, Practices, and Policies for English Learners* Liliana Minaya-Rowe, 2014-10-01 The central issue of this volume is how to meet the linguistic and academic needs of the increasing numbers of English learners ELs At the center of

educational turns is the role of school professionals in this Common Core Standards era Teacher education programs and professional development or pre service and in service programs for teachers of ELs are currently being reframed to reflect the new demands placed on all teachers in light of the new standards The expectation is that ELs can learn and their teachers possess the expertise to teach both discipline content and academic English at the same time The large numbers of ELs across the country have created a wide gap between what teachers have been trained to do and the skills they need to teach and reach them effectively This practical handbook brings together research policy and practice on teacher effectiveness pre service and in service programs in the context of student linguistic and cultural diversity Key features include Clearly articulated teacher training and professional development programs Coverage of Common Core curriculum and a variety of instructional programs and practices with research based tools to implement them and Policies to equitably and effectively prepare ELs academically and linguistically
