Skobeleff and the Slavonic Cause (Classic Reprint) O. K.,2015-07-26 Excerpt from *Skobeleff and the Slavonic Cause* Skobeleff s biography has not yet been written and the materials upon which I found this poor tribute to the memory of our Slavonic hero are very incomplete I cannot pretend to have produced more than a short sketch and a most imperfect one of the brief but glorious career of him who has already become a legendary hero of the Slavs The cause for which Skobeleff fought in Bulgaria was a very precious one to me as to thousands of Russians On my present visit to England I was happy to see that the generous sympathy expressed in this country at the moment of Skobeleff s death still existed and that many of my English friends were still anxious to learn something more of him That is precisely what I venture to offer Even that humble task I have undertaken with much diffidence About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections
