Arctic Warriors Julie Grossmith Deltrice, Deltrice Alfred Grossmith, 2013-10-17 In mid 1942 Alfred Grossmith Mason became Navigation Gunnery Officer on SS Empire Baffin a 6 978 ton cargo ship assigned to carry essential war supplies to the hard pressed Soviet Union Fortunately he compiled this remarkable diary of the dramas and disasters that befell the ill fated Convoy PQ18 This inspiring story follows the movement of his ship and the other merchantmen together with their Royal Naval escorts from the mustering point at Loch Ewe to their destination Archangel Daily German attacks from the air and sea and long periods at action stations deprived crews of sleep The loss of many ships and comrades and the ever present prospect of death through drowning and hypothermia took their toll Having to function while exhausted ill nourished and freezing cold demanded that every man gave of his utmost over a prolonged period Yet remarkably as this book shows

humour remained intact Once in Archangel his insight into the hardships faced by the Russian population is revealing For the surviving sailors there remained the awesome challenge of the return journey without any escort Unlike so many the Author finally reached Britain in December 1942 Arctic Warriors is a rare and graphic personal account that captures the atmosphere of this infamously costly convoy and others like it If any doubts remain of the terrible conditions and dangers that merchant seamen ached in the hostile waters of the North Atlantic and Barents Sea this superb record published in the Year of the Convoy will surely put them to rest

DIE GLOCKE: The Bell , A New English Dictionary on Historical Principles James Augustus Henry Murray,1919 **The New Century Dictionary of the English Language** Hulbert G. Emery,Katharine G. Brewster,1927 The eye, a treatise on the art of preserving this organ and of improving the sight; to which is prefixed, a view of the anatomy and physiology of the eye Johann Christoph August Franz,1839 **Strange Things Happened on My Way to the Zoo** Mike Thomas,2010 The Holy City Sir William Thomas Charley,1902 **Annals of the South African Museum** South African Museum,1918 **The Holy City, Athens and Egypt** Sir William Thomas Charley,1902 **Wreck Recovery In Britain** Peter J Moran,2018-10-30 Whereas on the Continent the Missing Research and Enquiry Unit left no stone unturned to try to trace the thousands of airmen who still remained missing strangely enough no similar operation was carried out by the RAF on crash sites in the United Kingdom Many of these still contained the mortal remains of pilots whose names had been added to the Memorial to the Missing unveiled at Runnymede in 1953 It is difficult to understand today how it took so long for the realization to sink in that aircraft wreckage still remained buried When it did there followed what can only be described as an unholy scramble to find crash sites and dig them up heavy plant being employed to make it easier and quicker At the height of this unfettered exploration period during the 1970s there were over 30 aviation archaeology groups at work particularly in the counties of Essex Kent and Sussex Unrecovered human remains were now being found which understandably raised criticism from some quarters Inevitably order had to be restored and the Ministry of Defence stepped in with a code of conduct for digging up crashed aircraft a measure that was reinforced by an Act of Parliament in 1986 Thereafter a process was introduced whereby the Ministry issued licenses before a wreck site could be excavated and every license application whether granted or refused is listed for the first time in this book
