Book Review Index, 2006 Every 3rd issue is a quarterly cumulation Vile Things Ramsey Campbell, Tim Curran, Randy Chandler, Graham Masterton, 2009-05-05 Vile Things is the ultimate collection of extreme horror with 15 unspeakably gruesome cringe worthy and sometimes disturbingly hilarious tales and above all else an entertaining and damn good fun read The stories most of which are previously unpublished include a wide range of subjects the Jersey Devil zombies sadistic Nazis insatiable ghouls perverted fishermen a cult of Basilisk tequila worms and much more FANGORIA MAGAZINE REVIEW This book is not just your basic horror stories This is extreme shit Edited by Cheryl Mullenax VILE THINGS EXTREME DEVIATIONS OF HORROR is not for the light horror fan The stories are not just extreme horror but also extreme gore and sex a triple threat of fun in my eyes This book is a definite for any extreme horror fan Full of terror sex and gore I don't recommend this for the faint of heart or for a light read at a beauty salon MONSTER LIBRARIAN REVIEW Vile Things is one of the stronger horror anthologies I have come across in some time I would say that while there are definitely some stronger and gorier stories in this collection than in other horror anthologies Vile Things offers some excellent horror tales and is highly recommended for public libraries RUE MORGUE MAGAZINE REVIEW The most striking fiction is often rooted directly in reality and this is especially true for the stories found in Vile Things Most of these tales collected by editor Cheryl Mullenax begin with plausible everyday situations and then darken quickly to trap the reader in twisted supernatural plotlines that teem with the imagination's most repulsive creations including parasitic mutations a spate of festering fungal rashes and many other rancid and well vile things But dismembered members aside there are no cheap gross outs here even though the focus is clearly on the vile and unpalatable these don't feel like stories that were written with the sole purpose of being labeled extreme horror or to merely revel in their graphic gory descriptions Simply put Vile Things is every deviant horror fan's wet dream
