Slave Coast:

The American Slave Coast Ned Sublette, Constance Sublette, 2015-10-01 American Book Award Winner 2016 *The American Slave Coast* offers a provocative vision of US history from earliest colonial times through emancipation that presents even the most familiar events and figures in a revealing new light Authors Ned and Constance Sublette tell the brutal story of how the slavery industry made the reproductive labor of the people it referred to as breeding women essential to the young country's expansion Captive African Americans in the slave nation were not only laborers but merchandise and collateral all at once In a land without silver gold or trustworthy paper money their children and their children's children into perpetuity were used as human savings accounts that functioned as the basis of money and credit in a market premised on the continual expansion of slavery Slaveowners collected interest in the form of newborns who had a cash value at birth and whose mothers had no legal right to say no to forced mating This gripping narrative is driven by the power struggle between the elites of Virginia the slave raising mother of slavery and South Carolina the massive importer of Africans a conflict that was central to American politics from the making of the Constitution through the debacle of the Confederacy Virginia slaveowners won a major victory when Thomas Jefferson's 1808 prohibition of the African slave trade protected the domestic slave markets for slave breeding The interstate slave trade exploded in Mississippi during the presidency of Andrew Jackson drove the US expansion into Texas and powered attempts to take over Cuba and other parts of Latin America until a disaffected South Carolina spearheaded the drive to secession and war forcing the Virginians to secede or lose their slave breeding industry Filled with surprising facts fascinating incidents and startling portraits of the people who made endured and resisted the slave breeding industry *The American Slave Coast* culminates in the revolutionary Emancipation Proclamation which at last decommissioned the capitalized womb and armed the African Americans to fight for their freedom

The E'we-speaking Peoples of the Slave Coast of West Africa Alfred Burdon Ellis, 1890 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *A Voyage to the Slave Coasts of West and East Africa* Pascoe Grenfell Hill, 1849 *Slave Coast* Amelia Khatri, AI, 2025-03-19 *Slave Coast* explores the West African slave trade a transformative process that shaped global demographics and economic systems The book examines the mechanics of this brutal system the societal ruptures it caused in West Africa and the courageous resistance movements it

provoked From the 15th to the 19th centuries the forced migration of millions had devastating impacts and long lasting legacies This history is crucial for comprehending the modern world as the slave trade created enduring inequalities and shaped cultural identities The book delves into the economic social and political forces that fueled the trade challenging readers to confront its uncomfortable truths For example the rise of plantation economies in the Americas directly correlates to the intensification of the slave trade By examining the trade from multiple perspectives African European and enslaved Slave Coast offers a more nuanced understanding of its complexities It begins by exploring pre existing systems of slavery within Africa and progresses to detailing the capture transportation and sale of enslaved Africans The central chapters of Slave Coast focus on the devastating consequences for West African societies including demographic collapse and economic disruption The book also highlights the diverse forms of resistance employed by enslaved Africans demonstrating their agency Concluding sections examine the long term effects of the transatlantic slave trade on both Africa and the African diaspora tracing its impact on contemporary issues such as racial inequality and social justice

The Dutch in the Atlantic Slave Trade, 1600-1815 Johannes M. Postma, Johannes Postma, 2008-01-03 Presenting a thorough analysis of the Dutch participation in the transatlantic slave trade this book is based upon extensive research in Dutch archives The book examines the whole range of Dutch involvement in the Atlantic slave trade from the beginning of the 1600s to the nineteenth century

Afro-European Trade in the Atlantic World Silke Strickrodt, 2015 A uniquely detailed account of the dynamics of Afro European trade in two states on the western Slave Coast over three centuries and the transition from slave trade to legitimate commerce

The Slave Coast of West Africa, 1550-1750 Robin Law, 1991 This book studies the impact of the Atlantic slave trade on the Slave Coast of West Africa an area covering modern south eastern Ghana Togo Benin and south western Nigeria This region was one of the most important sources of slaves for the Atlantic slave trade and its history provides an exceptionally well documented illustration of the effect of the trade on the indigenous African societies involved in it The expansion of slave exports during the seventeenth and early eighteenth centuries coincided with a period of political disorder which ended with the rise of the new kingdom of Dahomey Dahomey was a more militarized and more politically centralized state than those which preceded it in the region and its distinctive character reflected the impact of the slave trade This is the first detailed study of the early history of the Slave Coast for over twenty years Robin Law examines the events which preceded the rise of Dahomey the organization of the slave trade and its impact on the domestic economy and the social and political structures of Dahomey and its predecessors This is a meticulously researched lucid and scholarly analysis which makes an important contribution to the history of both early modern European expansion and pre colonial West Africa

Slave Traders by Invitation Finn Fuglestad, 2018-07-01 The Slave Coast situated in what is now the West African state of Benin was the epicentre of the Atlantic Slave Trade But it was also an inhospitable surf ridden coastline subject to crashing breakers and devoid of permanent human settlement Nor was it easily accessible from the interior due to

a lagoon which ran parallel to the coast The local inhabitants were not only sheltered against incursions from the sea but were also locked off from it Yet paradoxically it was this coastline that witnessed a thriving long term commercial relationship between Europeans and Africans based on the trans Atlantic slave trade How did it come about How was it all organised And how did the locals react to the opportunities these new trading relations offered them The Kingdom of Dahomey is usually cited as the Slave Coast s archetypical slave raiding and slave trading polity An inland realm it was a latecomer to the slave trade and simply incorporated a pre existing system by dint of military prowess which ultimately was to prove radically counterproductive Fuglestad s book seeks to explain the Dahomean anomaly and its impact on the Slave Coast s societies and polities

West Africa During the Atlantic Slave Trade Christopher DeCorse,2016-10-06 West Africa during the Atlantic Slave Trade surveys archaeological data from Senegal to the Cameroon It focuses on the past 500 years a period that witnessed dramatic transformations in African political and social systems as well as the consequences of European expansion the advent of the Atlantic slave trade and the expansion of Islamic polities in the West African Sahel The geographical and topical scope of this volume draws together archaeological syntheses of various parts of West Africa and is an important resource for West Africanists and all researchers interested in the indigenous response to European expansion as well as for those examining African continuities in the Americas

Europeans as Coastal Brokers in the West and West-Central African Slave Trade (1680-1720) Maria Inês Godinho Guarda,2025-05-19 The years between 1680 and 1720 saw the intensification of the regional slave trade in West Africa Previous scholarship has focused almost exclusively on Africans and Afro descendants as brokers in the region placing Europeans as Atlantic intermediaries Europeans as Coastal Brokers in the West and West Central African Slave Trade 1680 1720 argues that not only was European mediation in Africa deeply interwoven with endogenous trade networks but also that it was eagerly desired by the powerful potentates of the hinterland as a means of increasing their political and economic power over the region Examining the interconnected interests of coastal authorities and Europeans this book demonstrates that Europeans were the key brokers in the diversification of slave trade routes to the shore

The Atlantic Slave Trade Jeremy Black,2022-12-30 Originally published as a collection in 2006 this volume discusses the development of the Atlantic slave trade in the seventeenth century looking at issues such as how African societies reacted to the trade the economic origins of black slavery in the British West Indies and the growth of plantations responding to changes in European diet particularly the rise of the sugar economy The volume also has an introduction by the editor commenting on the contribution each essay makes

Seven Years' Service on the Slave Coast of Western Africa Sir Henry Vere Huntley,1850

The Slavery Reader Gad J. Heuman,James Walvin,2003 Brings together the most recent and essential writings on slavery Spanning almost five centuries the late fifteenth until the mid nineteenth the articles trace the range and impact of slavery on the modern western world

Slavery and African Ethnicities in the Americas Gwendolyn Midlo Hall, 2009-11-05 Enslaved peoples were brought to the Americas from many places in Africa but a large majority came from relatively few ethnic groups Drawing on a wide range of materials in four languages as well as on her lifetime study of slave groups in the New World Gwendolyn Midlo Hall explores the persistence of African ethnic identities among the enslaved over four hundred years of the Atlantic slave trade Hall traces the linguistic economic and cultural ties shared by large numbers of enslaved Africans showing that despite the fragmentation of the diaspora many ethnic groups retained enough cohesion to communicate and to transmit elements of their shared culture Hall concludes that recognition of the survival and persistence of African ethnic identities can fundamentally reshape how people think about the emergence of identities among enslaved Africans and their descendants in the Americas about the ways shared identity gave rise to resistance movements and about the elements of common African ethnic traditions that influenced regional creole cultures throughout the Americas

The Rise of African Slavery in the Americas David Eltis, 2000 Why were the countries with the most developed institutions of individual freedom also the leaders in establishing the most exploitative system of slavery that the world has ever seen In seeking to provide new answers to this question *The Rise of African Slavery in the Americas* examines the development of the English Atlantic slave system between 1650 and 1800 The book outlines a major African role in the evolution of the Atlantic societies before the nineteenth century and argues that the transatlantic slave trade was a result of African strength rather than African weakness It also addresses changing patterns of group identity to account for the racial basis of slavery in the early modern Atlantic World Exploring the paradox of the concurrent development of slavery and freedom in the European domains David Eltis provides a fresh interpretation of this difficult historical problem

Nigeria Lizzie Williams, 2008 Despite its negative image for travelers with an open mind and

friendly demeanor Nigeria is an incredibly absorbing country in which to travel Experience the mind boggling chaos of Lagos the traditional durbars Benin bronzes and walled cities and enjoy its single greatest quality the warm generosity of 140 million people Details of getting around by bush taxi rail car or on foot together with accommodations options wildlife watching and activities are balanced by a wealth of background information from history of a country dating back thousands of years and geography to culture and the environment

Ouidah Robin Law,2004 Ouidah an indigenous African town in the modern Republic of Benin was the principal pre colonial commercial centre of its region and the second most important town of the Dahomey kingdom It served as a major outlet for the export of slaves for the trans Atlantic trade Between the seventeenth and the nineteenth centuries Ouidah was the most important embarkation point for slaves in the region of West Africa known to outsiders as the Slave Coast Exporting over a million slaves it was second only to Luanda in Angola for the embarkation of slaves in the whole of Africa The author s central concerns are the organization of the African end of the slave trade and the impact participation in the trade had on the historical development of the African societies involved It shifts the focus from the viewpoint of the Dahomian monarchy represented in previous studies to the coast Here is a well documented case study of pre colonial urbanism of the evolution of a merchant community and in particular the growth of a group of private traders whose relations with the Dahomian monarchy grew increasingly problematic over time North America Ohio U Press the growth of a group of private traders whose relations with the Dahomian monarchy grew increasingly problematic over time North America Ohio U Press the growth of a group of private traders whose relations with the Dahomian monarchy grew increasingly problematic over time North America Ohio U Press the growth of a group of private traders whose relations with the Dahomian monarchy grew increasingly problematic over time North America Ohio U Press

Slavery and the Birth of an African City Kristin Mann,2007-09-26 As the slave trade entered its last illegal phase in the 19th century the town of Lagos on West Africa s Bight of Benin became one of the most important port cities north of the equator Slavery and the Birth of an African City explores the reasons for Lagos s sudden rise to power By linking the histories of international slave markets to those of the regional suppliers and slave traders Kristin Mann shows how the African slave trade forever altered the destiny of the tiny kingdom of Lagos This magisterial work uncovers the relationship between African slavery and the growth of one of Africa s most vibrant cities

The book delves into Slave Coast. Slave Coast is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Slave Coast, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Slave Coast
- Chapter 2: Essential Elements of Slave Coast
- Chapter 3: Slave Coast in Everyday Life
- Chapter 4: Slave Coast in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Slave Coast. The first chapter will explore what Slave Coast is, why Slave Coast is vital, and how to effectively learn about Slave Coast.
3. In chapter 2, this book will delve into the foundational concepts of Slave Coast. This chapter will elucidate the essential principles that must be understood to grasp Slave Coast in its entirety.
4. In chapter 3, this book will examine the practical applications of Slave Coast in daily life. This chapter will showcase real-world examples of how Slave Coast can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Slave Coast in specific contexts. This chapter will explore how Slave Coast is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Slave Coast. The final chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Slave Coast.
