

Sri Aurobindo

or

The Adventure of Consciousness

Satprem

In this new edition of the now classic "Adventure of Consciousness," Satprem takes us along with him in a thorough and methodical exploration of Sri Aurobindo's yoga, and we soon find that our guide has an amazing ability to make the most intricate concept simple and obvious. With him, we understand the virtues of mental silence, learn about the invisible gradations of consciousness above

the mind, decipher the many beings and forces that inhabit us. All our unknown potentialities come alive before our eyes. Most importantly, we appreciate how these untapped possibilities within us relate to our daily life, how they can transform it from the inside, as it were, and how, ultimately, Sri Aurobindo's experience leads to a "divine rehabilitation of Matter."

"We have denied the Divinity in Matter, to confine it instead in our holy places, but now Matter is taking its revenge. We called Matter crude, and crude it is. As long as we tolerate this imbalance between Matter and Spirit, there is no hope for the earth. We will only continue to swing from one extreme to another, both equally false—from material enjoyment to spiritual austerity—without ever finding true fulfillment. We need BOTH the vigor of Matter and the fresh waters of the Spirit. . . . Now the time may have come at last to recover the whole truth of the two poles WITHIN A THIRD POSITION, which is neither that of the materialists nor that of the spiritualists."

Psyche's Yearning Gillian Ross, 2010-11 PSYCHE'S YEARNING Radical Perspectives on Self Transformation By Gillian Ross Humankind is being called to bring forth a new level of consciousness a new story around what it means to be human Gillian Ross has written a rich evocative book about the journey towards liberation She emerges from the lived depth of her own sacred autobiography cooked in the knowing of her heart and guided by the great books as read and understood by her wise eyes It is both the story of us all and the story of your sacred autobiography Read it and be inspired to realize the infinite joy obligation and depth of your Unique Self Dr Marc Gafni best selling author rabbi and teacher of Kabbalah and World Spirituality Besieged by the messages of consumerism disillusioned with traditional religion and faced with the possibility of planetary disaster our souls are more than ever yearning for purpose and a sense of wholeness and holiness in a fragmented secular world Weaving her text

around the symbolic wisdom of the ancient Greek myth of Psyche and Eros author Gillian Ross offers personally inspired guidance and inspiration on ways of transcending the pain and limitations of our alienated ego She invites us to step into the transpersonal domain of the mystic and embrace our identity as a unique expression of a Transcendent Evolutionary Impulse The Introduction sets the stage for this with a quotation from the popular Buddhist teacher Sogyal Rinpoche the aim of life is to embody the Transcendent It could be said that the rest of the book explores what that means and how it can be achieved Beginning with her own journey of transformation including recovery from alcohol abuse Gillian powerfully conveys the message that an awakened consciousness is no longer the prerogative of the saint or the shaman but a birthright we must all claim if we are to find the collective will to serve the earth community and its myriad life forms with wisdom compassion and joy Psyche s Yearning is an inspirational contribution to the growing recognition of the power of meditation as a source of health and wellbeing Dr Samuel Sagan founder of the Clairvision School of Meditation She is the author of several successful relaxation meditation and yoga CDs and two books on spiritual evolution The Search for the Pearl and Is There Life Before Death Gillian migrated to Australia in the sixties She lives on a 40 acre property of great natural beauty in Northern New South Wales which she is nurturing as a place for spiritual retreats and as an educational Centre for Conscious Evolution Psyche s Yearning can be bought through on line outlets such as Amazon Books but can also be purchased directly from Gillian for 20 inclusive of postage anywhere in Australia A free download of the introduction and prologue is available from her website www.drgillianross.com *Sri Aurobindo Or, The Adventure of Consciousness* Satprem,1970 **Readings in**

Integral Yoga: Sri Aurobindo's Teaching & Method of Practice Santosh Krinsky,2022-01-01 Sri Aurobindo calls us to what he terms an adventure of consciousness Integral yoga was not intended to set forth a specific and rigid set of practices for everyone to follow rather it was developed to understand the specific needs of each individual at each stage of development and to employ those methods and practices that would best aid in the further progress for the individual seeker It also was not targeted at abandoning life The integral yoga first focuses on achieving the necessary liberation from the fixed habits of body life and mind that create a framework around each person s life and then on bringing down into the being a higher status of consciousness and aiding its transformation of the being in all its aspects The eventual objective of the integral yoga was to provide conscious support to the natural process of evolution of consciousness and thereby speed up its advent The book Integral Yoga Sri Aurobindo s Teaching and Method of Practice was compiled and organised from among the thousands of letters on yoga that Sri Aurobindo wrote to disciples and others over a number of years It outlines his philosophical outlook the background and basis of the integral yoga and delves into a vast array of details which aid the sincere seeker in understanding the inner workings of consciousness and helps the seeker to work through the difficulties obstacles and resistances of nature to truly bring about a transformation of consciousness in all parts of his being An

exhaustive journey through the lives and teachings of India's most illustrious spiritual masters, thinkers, activists, and philosophers, making their wisdom accessible to all. Beginning from 700 BCE to the present day, moving across the length and breadth of the subcontinent and covering every significant school of thought, Rao provides a comprehensive view of the trajectory of Indian thought as it developed over centuries, enriching minds and shaping modern discourse. Whether tackling profound questions on the meaning of life or plunging into the restless urgency of social reform, this book showcases an intellectual and cultural heritage that is uniquely Indian. From Kapila, Patanjali, Buddha, and Mahavira to Andal, Kabir, Guru Nanak, Bulleh Shah, and Chaitanya, and from Shishunala Sharifa, Ramakrishna, and Vemana to Birsa Munda, Tagore, Gandhi, and Ambedkar, the profiles of luminaries in this invaluable compendium will inspire and elevate its readers. Rich in both essence and detail, this treasury celebrates the individuals who rebelled against existing conventions and transcended every divide in their quest for enlightenment, transforming themselves and the world along the way.

The Philosophy of Evolution in Sri Aurobindo and Teilhard de Chardin Jan Feys, 1973 Cloud Messenger Karen Trollope-Kumar, 2016-10-06 As a Canadian medical student, Karen Trollope Kumar went to India to study social and preventive medicine and met a young pediatrician named Pradeep. His dream of working in the Himalayan foothills captured her imagination, and the man captured her heart. They married in a Hindu wedding ceremony and pledged to share a life of service and spiritual growth. In this poignant, heartwarming, and gently humorous memoir, Karen recounts an eleven-year chapter of their unusual lives. She and Pradeep worked as medical doctors in the Himalayas, first in a rural hospital and later in remote mountain villages. When disaster struck—an assassination, an earthquake, a political crisis—their ideals, their safety, and their relationship were put at risk. The Cloud Messenger is a story of adventure, idealism, culture, and medicine, faith and love, and it raises enduring questions: How can we cross religious and cultural boundaries? What happens to our dreams in the face of danger and disillusionment? And when dreams diverge, when one spouse can no longer continue on a certain path, what path do we choose?

Turn On, Tune In, Drift Off Victor Szabo, 2023 Turn On Tune In Drift Off Ambient Music's Psychedelic Past rethinks the history and socioaesthetics of ambient music as a popular genre with roots in the psychedelic countercultures of the late twentieth century. Victor Szabo reveals how anglophone audio producers and DJs, between the mid-1960s and the century's end, commodified drone and loop-based records as ambient audio: slow, spare, spacious audio sold as artful, personal media for creating atmosphere, fostering contemplation, transforming awareness, and stilling the body. The book takes a trip through landmark ambient audio productions and related discourses, including marketing rhetoric, artist manifestos, and interviews, and music criticism that during this time plotted the conventions of what became known as ambient music. These productions include nature sounds, records, experimental avant-garde pieces, space music, radio, psychedelic and cosmic rock albums, electronic dance music compilations, and, of course, explicitly ambient music, all of which popularized ambient audio through vivid atmospheric concepts. In paying special attention to the sound of ambient audio, the book explores its relationship with the

psychedelic New Age and rave countercultures of the US and UK and to the coincident evolution of therapeutic audio and head music across alternative media and independent music markets this history resituates ambient music as a hip highbrow framing and stylization of ongoing practices in crafting audio to alter consciousness comportment and mood In so doing Turn On Tune In Drift Off illuminates the social and aesthetic rifts and alliances informing one of today's most popular musical experimentalisms
