The Role of the Indian Ocean for Global Peace - Interdisciplinary Issues Dr. (Capt.) Vivek Jain,2023-11-02 This book deals with the various interdisciplinary issues of the Indian Ocean individually and collectively such as its history geography nautical elements economics trade routes old and new blue economy deep sea mining fisheries management tourism scourge of piracy pollution Law of the Sea UNCLOS 1982 and the different perspectives of its littoral countries on geopolitics international law international relations and maritime partnerships It is the most important ocean in the world 33% of the global population lives in the area and 50 60% of the world s maritime trade transits through it In addition around 60% of global oil and 26% of global gas reserves along with pristine beaches are located here To comprehend the interdisciplinary issues the editor embarked on a voyage to discover persuade and collaborate with exceptionally brilliant influential experts from prominent littoral countries India Indonesia Iran South Africa Malaysia and Singapore with relevant experience to expound the above subject areas In addition geopolitical conflicts hostilities and trade wars are on the rise war seems inevitable but not imminent Any conflict is likely to originate in other oceans and seas but will end up impacting the Indian Ocean s littoral countries Accordingly these countries must comprehend the interdisciplinary issues and the special role of the Indian Ocean to prevent all encompassing wars hostilities from widening at a global level and thereafter must flesh out plans to shield themselves They must also understand the area s role in working towards global peace by comprehending the above interdisciplinary issues The role of the Indian Ocean in global peace can only be achieved through maritime partnerships between its littoral countries and their avoidance of impulses to invite outside power s to balance each other s power However maritime partnerships are easier said than done At the very least the maritime partnership between two major Indian Ocean littoral powers India and Indonesia is critical to shield the region from geopolitical firestorms Hopefully this maritime partnership s tactic of embracing a carrot and stick approach will eventually persuade global powers from outside the Indian Ocean region to improve their conduct to achieve global peace **Newsweek** ,1994 The Dictionary of Art: A to Anckermann Jane Turner,1996 Online ed provides access to the entire 45 000 plus articles of Grove s Dictionary of art 1996 34 vols with constant additions of new material and updates to the text plus extensive image links
