Music as History in Tamilnadu T. K. Venkatasubramanian, 2010 Recent scholarship on the history of music in South Asia has examined the processes by which music as an art form was reinvented for nationalist purposes yet the disciplined study of music and its aesthetics remains only a few centuries old Studying music through a historical lens has opened new approaches to interdisciplinary studies Music as History in Tamilnadu examines how history can be interpreted through aesthetics and music and vice versa Musicologists focus on the study of musical activity while ethnomusicologists examine this activity first hand using the field research methods of cultural anthropology The historian s task then is to interpret the musical past as part of cultural production and thereafter relate music to general historical trends This collection of essays seeks to establish the interdisciplinarity between music the Karnatak system and the history of Tamilnadu south India

Encyclopaedia of Indian Theatre: Sanskrit theatre Biswajit Sinha, 2000 *A Critical Survey of Bhāsa's Mahābhārata Dramas* Biswanath Bhattacharyya, 1991 **An Epitome of Indian Aesthetics and Fine Arts: Sanskrit Poetics** Dr. Thiagarajan Rajagopal, This book is a primer to Understand the History and Development of Alankara Sastra It will be an easy reading for Sanskrit and useful for students of other literature too In Sanskrit there are several synonyms of beauty Saundarya Caruta Ramaniyata Saubhagya Sobha Lavanya Kanti Vicchitti and so forth But the most frequently adopted key term of aesthetics is Alankara That is why Alankara sastra should be translated as the science of beauty Its widest meaning is adequately stressed by Vamana who aphoristically states Saundaryam alankarah Since alankara can also mean a means of beauty it can denote poetic and artistic devices also In the Rgveda itself we have the use of the word aramkrti

which is cognate with the later word alankara and which gives rise to the Indian name of aesthetics namely Alankarasastra
The Vedic term has a double connotation one aesthetic and the other magical *The Indian Publisher and Bookseller* ,1968
