Michael Brown, Katie Stevenson

St Andrews:

Two Years in St. Andrews George Peper, 2008-06-30 The Old Course at St Andrews is to golfers what St Peter's is to Catholics or the Western Wall is to Jews hallowed ground the course every golfer longs to play and master In 1983 George Peper was playing the Old Course when he hit a slice so hideous that he never found the ball But in looking for it he came across a For Sale sign on a stone town house alongside the famed eighteenth hole Two months later he and his wife Libby became the proud owners of 9A Gibson Place In 2003 Peper retired after twenty five years as the editor in chief of Golf magazine With the younger of their two sons off to college the Pepers decided to sell their house in the United States and relocate temporarily to the town house in St Andrews And so they left for the land of golf and single malt scotch haggis bagpipes television licenses and accents thicker than a North Sea fog While Libby struggled with renovating an apartment that for years had been rented to students at the local university George began his quest to break par on the Old Course Their new neighbors were friendly helpful charmingly eccentric and always serious about golf In no time George was welcomed into the local golf crowd joining the likes of Gordon Murray the man who knows everyone Sir Michael Bonallack Britain's premier amateur golfer of the last century and Wee Raymond Gatherum a magnificent shotmaker whose diminutive stature belies his skills For anyone who has ever dreamed of playing the Old Course and what golfer hasn't this book is the next best thing And for those who have had that privilege Two Years in St Andrews will revive old memories and confirm Bobby Jones's tribute If I were to set down to play on one golf course for the remainder of my life I should choose the Old Course at St Andrews

St Andrews Raymond Lamont-Brown, 2022-08-04 St Andrews is without doubt one of Scotland's most historic and beautiful cities Once the ecclesiastical capital of Scotland it played a prominent role in the nation's political life until the seventeenth century In addition it is also home of the nation's oldest university and whilst claims that it is the birthplace of golf may remain controversial there is no doubt it is regarded as world capital of the game today This fascinating and comprehensive account of St Andrews traces its history from Pictish times to the present day It is based not only on a huge amount of original research but also on an intimate knowledge of the town which Raymond Lamont Brown accumulated in over twenty years residence there In addition to facts and figures the book also introduces many of the people who have featured prominently in the story of St Andrews from doughty residents such as Sir Hugh Lyon Playfair and Cardinal Archbishop David Beaton to illustrious visitors like Mary Queen of Scots John Knox and Samuel Johnson
