Proctor,2013-12-30 From the day we were born God has anchored us numerous blessings Blessings that can t be bought by money Humans are the most powerful among all other creatures The most intellectual most capable and most favoured but despite of these attributes human chooses to ignore and abuse it We tend to forget where these all come from beyond boarder lines and explore the world as if we own it Despite it all God didn t stop reminding us how much he continually give comfort to our daily lives He forgive those who are wicked and provide those who are in need His teachings to make us whole again This is what I am trying to emphasize in this book I want all of us to revisit the church To make us realize especially those who are on the wrong path of life *The Mother's Truth* Leon du Preez,2020-07-12 The Mother Goddess is the

ultimate Matriarch She knows you very well even if you do not know her She is the one taking good care of you always Why did the Boer Nation lose its two independent states in 1902 How did this happen and who should be blamed Satan used the name Jesus to draw all prayers to himself thereby abusing our worship of Jesus This is all upside down and hidden right in front of our faces where we don t even see it This is why the Goddess planned for tribulations to take place soon so humanity can get our chance to fulfill our destiny Otherwise Satan Lucifer and his friends will never stop trouble making Now is our only time to turn things right and grow into being multidimensional again so there can be no more lying to us We Boers want our two Republics returned to us right now where we can live freely and govern ourselves Thanks to the Goddess who will make all this happen as prophesized Satan and his friends will have no chance because the Goddess is on our side **The**
