Saint Thérèse of Lisieux Guy Gaucher, O.C.D., 2019-11-06

Written by a foremost expert on the life of the beloved St. Thérèse of Lisieux, this work is widely considered as the most definitive and popular presentation of her life. St. Thérèse is the most popular modern saint of our times. Who was this young French Carmelite who died in 1897 of tuberculosis at age twenty-four? At a time when extreme physical penance was widespread in many religious orders, Thérèse would have none of it. Her passionate love of Jesus led her to concentrate entirely on him rather than on personal austerities. Misunderstood in her own community but now universally loved, she left behind her autobiographical best-selling book, *The Story of a Soul*, which captured with rapture her passionate love of Christ and the spirituality of the little way that all of us can live out: the ideal of doing everything with love for God and becoming saints. Based on Thérèse's famous notebooks, letters, poems, plays, and prayers, *Story of a Life* reveals her true face: the Thérèse who detested old wives' devotions, the Thérèse who longed passionately to be priest, martyr, and apostle, and could still fall asleep over her prayers in chapel. The truth of her life is that God can take a psychologically fragile adolescent and turn her into the greatest saint of the 20th century because, in Thérèse's own words, "I have never relied on myself, only on Jesus."

The story of a soul Sainte Thérèse de Lisieux, 2024-10-05 L

Histoire d'une âme: the spiritual autobiography of Saint Thérèse of Lisieux is a poignant and luminous account of a young 19th century French Carmelite nun. This intimate account, written on the orders of her superiors, traces the extraordinary spiritual journey of a simple loving soul. Born Marie-Françoise Thérèse Martin in 1873, Thérèse entered the Carmelite convent at Lisieux at the tender age of 15, driven by an ardent love for God. Through the pages of her autobiography, she reveals her 'little way' to holiness, a revolutionary approach to the spiritual life based on absolute trust in God's merciful love. Thérèse shares her mystical experiences, inner struggles, and moments of grace with disarming sincerity. She describes her life in Carmel, her relationships with her sisters in religion, and her profound understanding of the Gospel. Her story culminates in her discovery of her vocation to be 'love at the heart of the Church.' This book fits perfectly into Amazon's 'Spiritual biographies,' 'Mystical literature,' and 'Lives of saints' categories. It offers readers a fascinating insight into the soul of a young woman whose life, though short and seemingly ordinary, had a profound impact on the Catholic Church. The book reveals how Thérèse, through her contemplative life, developed a spirituality accessible to all, based on small, everyday acts of love. Her 'little way' inspired millions of people around the world, making her one of the most popular saints of modern times. 'The Story of a Soul' remains a classic of spiritual literature, offering hope and inspiration to all who seek to deepen their relationship with God in simplicity and love.

A Compendious Critical Life of St. Thérèse of Lisieux Saint Thérèse (de Lisieux), Andrew Edward Breen, 1928

St. Therese Brother Francis Mary, FI, 1998-02-01. Among the many books about St. Thérèse, this one is unique because it offers a compendium of insights from 23 writers who have contributed chapters on all aspects of the life and spirituality of this new Doctor of the Church. With emphasis on her unique focus on simplicity and the 'little way,' the 32 chapters in this book, by a variety of authors like Fr. John Hardon, Sister Marie of the Trinity, O.C.D., Vernon Johnson, Fr. Stephan Piat, and more, present topics such as 'The Little Way of Thérèse,' 'Saint of the Eucharist,' 'St. Thérèse's Use of Scripture,' 'Abandonment through Suffering,' 'Mirror of the Blessed Virgin,' 'Mystical Simplicity,' and much more. Illustrated with 36 photos.

The Love That Keeps Us Sane Marc Foley, 2000. Seeing life in light of Eternity. This is not a book about using Thérèse's 'little way' as a path to holiness. Thérèse's spirituality is often dismissed as cloyingly sweet and sentimental, useless for modern seekers. This new Illumination Book uncovers how Thérèse's sweetness was just a stylistic convention expected in the religious writing of her day. Beneath the form, says the author, is a straightforward spirituality that offers a practical, concrete, and very realistic method for preserving one's sanity in an often insane world. At the heart of Thérèse's method is learning how to keep one's perspective by seeing all things in light of eternity, seeing all things the way God sees. This enables one to live more authentically and more attentively. The method helps readers to become involved in life without being absorbed by it, to love

without becoming enmeshed and to deal with life's absurdities without losing faith or peace of mind. Five simple everyday choices help foster this perspective and transform ordinary life into moments of true grace. Those already devoted to the Little Flower will love this fresh new look at her spirituality. In addition, the book makes for an enlightening and perhaps surprising reading for pastors, clergy, and religious directors of religious retreats, chaplains, and family counselors. The principle of viewing life in light of eternity can also provide comfort and relief for parents dealing with children for those experiencing change or loss and for people in therapy.

Reflexivity in Love: A Self-Reflexive Portrait of the Little Flower of Jesus Fr. Emmanuel Javert Nnadozie OCD, 2024-09-19. This book focuses particularly on the self-reflexive elements of the divine and human transformation in the Christian life which we find in St. Therese, especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth. It studies Therese's spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self-reflective and interrogative self-understanding of her call to sanctity of life. The author also discusses how the Saint appropriated God's Word and God's grace hidden in the events of her life. The book shows how, through self-reflexivity and meditation on God's Word, she discovered her vocation as love in the heart of the Church, following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route. While it is recognized that God's grace works in individuals according to their personal vocations, the author believes that spiritual self-reflexivity helps the faithful to integrate meaningfully like St. Therese the general principles of the spiritual life and the example of the Saints into each individual's spiritual life in the events of daily life irrespective of their individual vocations. And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St. Therese's simple, humble, and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key.

The Carmelite Tradition Steven Payne, 2011-06-01. Eight hundred years ago, Albert of Jerusalem gave the hermit penitents of Mount Carmel a way of life to follow. Since then, this rule has inspired and formed mystics and scholars, men and women, lay and ordained, to seek the living God. In *The Carmelite Tradition*, Steven Payne OCD brings together representative voices to demonstrate the richness and depth of Carmelite spirituality. As he writes, Carmelite spirituality seeks nothing more nor less than to stand before the face of the living God and prophesy with Elijah, to hear the word of God and keep it with Mary, to grow in friendship with God through unceasing prayer with Teresa, to become by participation what Christ is by nature as John of the Cross puts it, and thereby to be made like Therese of Lisieux into instruments of God's transforming merciful love in the church and society. The lives and writings in *The Carmelite*

St. Therese of Lisieux Spouse and Victim Cliff Ermatinger, 2011-11-09 On Christmas Eve 1886 a young girl Threse Martin received

special grace Although it was the littleness of the Christ Child that reached out to this girl and taught her to give up the defects of childhood the grace was by no means small Her long bout with scruples and empty fears was not completely over yet in her own words since that night I have never been defeated in any combat but rather walked from victory to victory Such was her experience of God s mercy that she decided then and there to give her life to the mission of converting sinners This book by Cliff Ermatinger presents us with deep theological insights into the meaning of the seemingly simple life and journey of St Threse of Lisieux This little book treats of a love story that began on January 4 1873 the day of Therese s baptism On that day God began to court the soul of this little girl who would remain just that a little girl She would also learn to correspond with her baptismal grace thus maturing into a strong willed woman and ultimately into the faithful bride of her divine Spouse Her formal relationship with Christ and her new insertion into his life began fittingly on Christmas Also fittingly her relationship with him on earth ended on Calvary Tracing St Threse of Lisieux s life we discover that she begins with the life of grace going from child of God to child in the Son She then advances to a theological existence from theological existence to union and from union to its culmination in espousals with Christ the ordinary terminus of the spiritual life to which everyone is called Having arrived at such union with the divine Spouse Threse was next inducted into the victimhood of Christ The author then examines the relation between the type of victimhood St Threse experienced and the type of sin she was expiating atheism
