St Augustine Pastoral Theologian:

St. Augustine--pastoral Theologian Trevor Taylor Rowe,1974 *St. Augustine* Trevor Rowe,1974-01-01 *The Richness of Augustine* Mark Ellingsen,2005-01-01 In an inclusive reading of Augustine Mark Ellingsen reveals a patterned conceptual richness in Augustine's thought *The Richness of Augustine* is a wonderful introduction and a rich ecumenical and historical resource It is the first introduction that places in focus the significance of Augustine's African cultural and ethnic roots

Pastoral Theology Patrick Fairbairn,James Dodds,1875 **SCM Studyguide Pastoral Theology** Margaret Whipp,2013-04-18 Through the course of their work with people engaged in ministries of various kinds spiritual directors healthcare chaplains local clergy theological educators youth workers the authors of this groundbreaking book have become convinced of the need to provide a practical guide to the practice of pastoral supervision understood as a core discipline of the Christian church and enriched by the best of what other supervision disciplines have to offer Each chapter focuses on a different aspect of pastoral supervision embedding it theologically and offering rooted examples from their own practice At the end of each chapter practical exercises are offered to help the reader reflect on their own practice and tools are suggested for use with supervision groups and in work with individuals *Becoming a Pastor Theologian* Todd

Wilson,Gerald L. Hiestand,2016-10-27 The Center for Pastor Theologians CPT seeks to overcome the bifurcation that has developed between the roles of pastor and theologian Based on the first CPT conference in 2015 this volume brings together the reflections of church leaders and academic theologians to consider how these roles might be reconnected once again

The Confessions of Saint Augustine Saint Augustine,1996-09-01 *The Confessions of St Augustine* has a special place among the world's greatest books As Augustine reflects upon his life in the light of Scripture and the presence of God he reveals how you can find the way to rest securely in Jesus discern good from evil avoid false spiritual pursuits and know the will of God He begins with his infancy pondering the many sins of his life before his conversion and he confesses not only his sins but even more the greatness of God Here is the timeless conflict between good and evil portrayed through the life of one man who found spiritual growth and unshakable faith Just as Augustine did you can experience the unspeakable joy of being pure and righteous before God regardless of your past *Augustine's Theology of Preaching* Peter T. Sanlon,2014-07-01

Scholarship has painted many pictures of Augustinethe philosophical theologian the refuter of heresy or contributor to doctrines like Original Sinbut the picture of Augustine as preacher says Sanlon has been seriously neglected When academics marginalize the *Sermones ad Populum* the real Augustine is not presented accurately In this study Sanlon does more however than rehabilitate a neglected view of Augustine How do the theological convictions that Augustine brought to his preaching challenge sustain or shape our work today By presenting Augustine's thought on preaching to contemporary readers Sanlon contributes a major new piece to the ongoing reconsideration of preaching in the modern day a consideration that is relevant to all branches of the twenty first century church *Pastoral Theology* James Mason Hoppin,1901

Pastoral Theology: a Treatise on the Office and Duties of the Christian Pastor ... With a Biographical Sketch of the Author by J. Dodds Patrick FAIRBAIRN, 1875 **An Introduction to the Study of Pastoral Theology** Clement Francis Rogers, 1912 The Pastor Theologian Gerald Hiestand, Todd A. Wilson, 2015-06-23 Pastoral ministry today is often ruled by an emphasis on short sighted goals pragmatic results and shallow thinking Unfortunately those in the academy tend to have the opposite problem failing to connect theological study to the pressing issues facing the church today Contemporary evangelicalism has lost sight of the inherent connection between pastoral leadership and theology This results in theologically anemic churches and ecclesial anemic theologies Todd Wilson and Gerald Hiestand contend that among a younger generation of evangelical pastors and theologians there is a growing appreciation for the native connection between theology and pastoral ministry At the heart of this recovery of a theological vision for ministry is the re emergence of the role of the pastor theologian The Pastor Theologian presents a taxonomy of the pastor theologian and shows how individual pastors given their unique calling and gift set can best embody this age old vocation in the 21st century They present three models that combine theological study and practical ministry to the church The Local Theologian a pastor theologian who ably services the theological needs of a local congregation The Popular Theologian a pastor theologian who writes theology to a wider lay audience The Ecclesial Theologian a pastor theologian who writes theology to other theologians and scholars Raising the banner for the pastor as theologian this book invites the emerging generation of theologians and pastors to reimagine the pastoral vocation along theological lines and to identify with one of the above models of the pastor theologian

Paul as Pastor Brian S. Rosner, Andrew S. Malone, Trevor J. Burke, 2017-11-30 Paul as Pastor demonstrates the critical nature of Paul s pastoral care to his identity and activities Despite the fact that Paul never identifies himself as a pastor there is much within the Pauline letters that alludes to this as a possible aspect of Paul s vocation and commitments and this has been a topic of relative scholarly neglect The contributors to this volume consider the household setting of Paul s pastoral practice the evidence of Acts and a survey of themes in each of the letters in the traditional Pauline corpus Additionally three chapters supply case studies of the Wirkungsgeschichte of Paul s pastoral practice in the pastoral offices of the Anglican Communion in the denomination s Ordinal and in the lives and thought of Augustine of Hippo and George Whitfield As such Paul as Pastor provides a stimulating resource on a neglected and critical dimension of Paul and his letters and an invaluable tool for those in pastoral ministry and those responsible for their training **Pastoral Theology** Alexandre Rodolphe Vinet, 1855 **Pastoral Theology** William Stang, 1897 **The Pastoral Theology of Piere-André Liégé: a critical and comparative study in pastoral and practical theology.** Nicholas Bradbury, Nguyễn Văn Bình, FREE THIS BOOK NOW The Pastoral Theology of Piere Andr Li g a critical and comparative study in pastoral and practical theology Take this for your study *Pastoral Theology* Alexandre Vinet, 1853 Practical Theology and Pierre-André Liégé Nicholas Bradbury, 2016-03-03 Pierre Andr Li g one of the foremost French theologians of the 20th century influenced John XXIII and

Paul VI and sat on Vatican II committees with both the future John Paul II and Benedict VI Fifty years on from Vatican II is a good time to remember the decade of dramatic struggle and pioneering work that preceded it and review what it accomplished This book explores the life and work of Pierre Andr Li g presenting it to an English speaking readership for the first time Discussing the impact and profound challenges Liege s work raises for spirituality and church life today Bradbury tackles issues including the organisation of parish life rooted in theological criteria cradle to grave corporate Christian formation a compelling vision of what the church is for and why and how should this be expressed in practice Bradbury argues that for faith to match real life the church today needs to let go of much baggage align its talk to its action and radically re examine the question of what the church needs to do to conform to the Gospel This book takes critical issues confronting practical theology and the church breaking them open in a lively and accessible style *Gratia in Augustine's Sermones Ad Populum During the Pelagian Controversy* Anthony Dupont, 2012-10-12 Studying the presence of grace in Augustine s sermones ad populum preached during the period of the Pelagian controversy this book explores the anthropological ethical perspective of his doctrine of grace and indicates the continuity in his reflections on grace and human freedom **Pastors and teachers, 6 lects. on pastoral theology** Edmund Arbuthnott Knox (bp. of Manchester.), 1902
