The Undergraduate's Companion to African Writers and Their Web Sites Miriam E. Conteh-Morgan, 2005-10-30 Now a firmly established part of world literature course offerings in many general education curricula African literature is no longer housed exclusively with African Studies programs and is often studied in English French Portuguese Women s Studies and Comparative Studies departments This book helps fill the great need for research materials on this topic presenting the best resources available for 300 African writers These writers have been carefully selected to include both well known writers and those less commonly studied yet highly influential They are drawn from both the Sub Sahara and the Maghreb the major geographical regions of Africa The study of Africa was introduced into the curriculum of institutions of higher learning in the United States in the 1960s when the Black Consciousness movement in the United States and the Cold War and decolonization movements in Africa created a need for the systematic study of other regions of the world Between 1986 and 1991 three Africans won Nobel literature prizes Soyinka Mahfouz and Gordimer and the visibility of African writers increased They are now a firmly established part of world literature courses in many general education curricula throughout North America African Writers is meant to serve as a resource for introductory material on 300 writers from 39 countries These writers were selected on the basis on two criteria that there is material on them in an

easily available reference work and that there is some information of research value on free Web sites Each writer is from the late 19th or 20th century with the notable exception of Olaudah Equiano an 18th century African whose slave narrative is generally considered the first work of African literature All entries are annotated **Contemporary Authors Cumulative Index 03** ,2006-02

**Writers of Multicultural Fiction for Young Adults** M. Daphne Kutzer,1996-01-09 Multicultural fiction is an essential part of the American literary landscape This reference helps scholars teachers and librarians choose significant texts from both the past and present and provides guidance in approaching multicultural issues as they are discussed in fiction for young adults Included are entries for 51 writers some of whom have nearly been forgotten others who are just emerging Each entry provides biographical critical and bibliographical information while a general bibliography of works on multicultural literature concludes the book Authors included range from the nearly forgotten such as Laura Adams Armer to the newly discovered such as Graham Salisbury winner of the 1994 Scott O Dell Award for Historical Fiction The breadth of authors covered ensures an historical context for the issues raised by multiculturalism and the sections on the critical reception of each author address such important issues as the authority and authenticity of the writer to comment on a different culture Contributors are of many different ethnicities and include important scholars of children s literature lending authenticity and authority to the volume itself Horror Fiction in the 20th Century Jess Nevins,2020-01-07

Providing an indispensable resource for academics as well as readers interested in the evolution of horror fiction in the 20th century this book provides a readable yet critical guide to global horror fiction and authors Horror Fiction in the 20th Century encompasses the world of 20th century horror literature and explores it in a critical but balanced fashion Readers will be exposed to the world of horror literature a truly global phenomenon during the 20th century Beginning with the modern genre s roots in the 19th century the book proceeds to cover 20th century horror literature in all of its manifestations whether in comics pulps paperbacks hardcover novels or mainstream magazines and from every country that produced it The major horror authors of the century receive their due but the works of many authors who are less well known or who have been forgotten are also described and analyzed In addition to providing critical assessments and judgments of individual authors and works the book describes the evolution of the genre and the major movements within it Horror Fiction in the 20th Century stands out from its competitors and will be of interest to its readers because of its informed critical analysis its unprecedented coverage of female authors and writers of color and its concise historical overview Contemporary Authors Cumulative Index ,2008-03-19
