Serials in the British Library, 1994 Spiritual Warfare for Catholics Jeffrey J. Steffon, 2007-01-23 How to use the weapons in your spiritual arsenal Dave was a faithful husband and a model parishioner yet he suffered guilt and shame over a secret addiction to pornographic movies and magazines Sue suffered from recurring nightmares having dabbled in the occult years earlier It never occurred to either Sue or Dave that evil spirits might be at work to heighten their problems or that spiritual warfare might help in combating their besetting sins Like many Catholics they were unaware of how to use the weapons in their spiritual arsenal *Spiritual Warfare for Catholic* is an invaluable guide to the unseen conflict we all face It includes helpful advice on a variety of topics angelic protection the sacraments the intercession of Mary and the saints daily prayer The British National Bibliography Arthur James Wells, 1994 *Subject Guide to Books in Print*, 1997 *The Cumulative Book Index*, 1994 A world list of books in the English language **Priests in Love** Jane Anderson, 2006-02-27 Deals with the moral psychological and social challenges faced by Roman Catholic priests who left the active ministry in the 1960s and 1970s to get married men who chose responsible sexual relationships over a life of obligatory celibacy

of Irish society The bishops reacted defensively Their conservatism stimulated the emergence of a Catholic intelligentsia propagating more liberal attitudes and championing the new theology The 70s and 80s saw a Church more open to liberation theology to ecumenism and to issues of justice and peace generally albeit change was gradual and piecemeal The real revolution did not come until the 1990s when a succession of clerical sexual scandals fatally subverted the unique moral authority of the Church which had been its greatest strength **The Gospel According to Rome** James G.

McCarthy,1995-01-01 When Catechism of the Catholic Church broke onto the N Y Times bestseller list its astonishing success confirmed the overwhelming interest of Catholics and Protestants in understanding modern Catholicism Has the recent openness among denominations affected Catholic teachings In the new spirit of cooperation is there any reason why Catholics and Protestants should remain divided This powerful and insightful examination of the Catholic Church provides a side by side comparison of Scripture with the first new worldwide Catholic catechism in 400 years a summary of how modern Catholicism views grace works and heaven 24 ways the Catholic plan of salvation still stands in contrast to biblical truth a balanced overview of how the authority structure of the Roman Catholic Church compares with that of the New Testament church an explanation of how participation in the Mass and other sacraments is inconsistent with faith in Christ as Savior Clear accurate significant information to know and share **The Gospel According to Rome** *Common Whores, Vertuous Women, and Loveing Wives* Debra A. Meyers,2003-03-31 Religious conflicts had a pronounced effect on women and their families in early modern England but our understanding of that impact is limited by the restrictions that prevented the open expression of religious beliefs in the post Reformation years More can be gleaned by shifting our focus to the New World where gender relations and family formations were largely unhampered by the unsettling political and religious climate of England In Maryland English Arminian Catholics Particular Baptists Presbyterians Puritans Quakers and Roman Catholics lived and worked together for most of the 17th century By closely examining thousands of wills and other personal documents as well as early Maryland s material culture this transatlantic study depicts women s place in society and the ways religious values and social arrangements shaped their lives *Common Whores Vertuous Women and Loveing Wives* takes a revisionist approach to the study of women and religion in colonial Maryland and adds considerably to our understanding of the social and cultural importance of religion in early America *Religious Leadership* Sharon Henderson

Callahan,2013-06-20 This title tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths **Salt and Light** Patrick Negri,2019-11-01 Patric Negri SSS was ordained a Catholic Priest in Melbourne in 1960 and died at the age of 80 in 2016 was a member of the Blessed Sacrament Congregation for over 50 years He was a scholar pastor administrator preacher and painter His paintings became a satisfactory creative outlet At

Sunday Observance and the Sunday Letter in Anglo-Saxon England Dorothy Haines,2010 Here the six surviving Old English copies of the Sunday Letter are edited together The Old English texts are accompanied by facing translations with commentary and glossary while the introduction examines the development of Sunday observance in the early middle ages and sets the texts in their historical context *The Anglo-Saxons* J. Douglas Woods,David A.E. Pelteret,2010-10-30 The popular notion that sees the Anglo Saxon era as The Dark Ages perhaps has tended to obscure for many people the creations and strengths of that time This collection in examining many aspects of pre Norman Britain helps to illuminate how Anglo Saxon society contributed to the continuity of knowledge between the ancient world and the modern world But as well it posits a view of that society in its own distinctive terms to show how it developed as a synthesis of radically different cultures The Bayeux Tapestry is examined for its underlying political motivations the study of Old English literature is extended to such works as laws charters apocryphal literature saints lives and mythologies and many of these are studied for the insight they provide into the social structures of the Anglo Saxons Other essays examine both the institution of slavery and the use of Germanic warrior terminology in Old Saxon as a contribution towards the descriptive analysis of that society s social groupings The book also presents a perspective on the Christian church that is usually overlooked by historians that its existence was continuous and influential from Roman times and that it was greatly affected by the Celtic Christian church long after the latter was thought to have disintegrated *The Pilgrim Journey* James Harpur,2016-09-16 Pilgrimage in the Western world is enjoying a growing popularity perhaps more so now than at any time since the Middle Ages The Pilgrim Journey tells the fascinating story of how pilgrimage was born and grew in antiquity how it blossomed in the Middle Ages and faltered in subsequent centuries only to re emerge stronger than before in modern times James Harpur describes the pilgrim

routes and sacred destinations past and present the men and women making the journey the many challenges of travel and the spiritual motivations and rewards He also explores the traditional stages of pilgrimage from preparation departure and the time on the road to the arrival at the shrine and the return home At the heart of pilgrimage is a spiritual longing that has existed from time immemorial The Pilgrim Journey is both the colourful chronicle of numerous pilgrims of centuries past searching for heaven on earth and an illuminating guide for today s spiritual traveller **American Ecclesiastical Review**
