JS Bruner

Stack Management A Practical Guide To Shelving And Maintaining Library:

Stack Management William J. Hubbard, 1981 Library science textbook and guide to storage and maintenance of document collections in libraries constitutes a complete revision of WH Jesse's Shelf Work in Libraries 1952 covering management techniques relating to shelving moving and weeding of books emphasizes materials accessibility and includes a sampling statistical method for the estimation of book loss rates Diagrams and references

Starting, Managing and Promoting the Small Library Robert Berk, 2016-07-22 A guide to the establishment of the library which covers materials acquisition the organization and usage of the library's collection to provide a variety of services and the use of automation This book aims to instruct the librarian on managing the small library effectively

Administration of the Public Library Alice Gertzog, Edwin P. Beckerman, 2003 Now available in paperback The Administrative of the Public Library is a comprehensive approach to contemporary public library concerns It combines theory and practical advice as it addresses in a simple logical clear and jargon free fashion public library policies procedures resources and human relations Based on the premise that library administration entails not only familiarity with management principles but intimate knowledge of the products and processes for which it is responsible the book covers input functions collection development technology technical services public services outreach information circulation youth readers as well as important traditional management topics staff directors finance buildings and public relations All of these are developed within a system political historical and social context The text uses as its model Guy R Lyle's Administration of the College Library and is designed for students and practicing librarians alike

Staff Training and User Awareness in Preservation Management Association of Research Libraries, 1993 This resource guide briefly defines describes outlines and exemplifies a program with the goal of reaching library employees and library users with a message that states the positive benefits of enhanced collection preservation longevity usability and access The guide is organized and arranged to enable a library to evaluate its current preservation communication to staff and users and to begin or augment its own programs Suggestions are made for a start up effort and a more fully developed program is also described Lists are provided of the care and handling concepts to transmit to staff and users Examples are provided from the practices of other libraries Twenty three articles dealing with staff training and user awareness are presented and a list of 31 additional resources is included for supplemental reading

SLD Gerontology and Geriatrics Collections Lee Ash, 2013-08-21 An essential resource for any library where research on aging is conducted a guide to important and unique holdings in the field

Serials Librarianship in Transition Peter Gellatly, 2019-12-05 This book first published in 1986 contains the invaluable and enlightening perspectives of an international roster of experts on the state of the art of serials librarianship and the indications for the future of the profession

Preservation Paul Banks, Roberta Pilette, 2000-04 Preservation Issues and Planning provides a definitive and authoritative analysis of how to plan for and ensure the long term health of an institution's collection in this digital age

Circulation Services in a Small Academic Library Constance Battaile, 1992-07-27 In a library circulation is the process of lending books to borrowers and accurately reshelving them after they have been returned so that they will be retrievable by the next user This basic cycle has many elaborations and sub cycles attached to it such as those for overdues and holds the record keeping process and the reserve book operation These sub cycles vary from library to library but the basic cycle remains the same in every library that allows patrons to remove books Connie Battaile provides a detailed volume written for those new to the circulation department of small academic libraries The author presents not the definitive way to run a circulation department but rather she provides a variety of possible methods Because the circulation department is the main public contact point many library housekeeping chores are assigned to it Again these additional responsibilities vary from library to library but the author provides various procedures The physical environment of the department and the stacks the staff effective communications and scheduling are covered in full detail *Publications - American Library Association* American Library Association, 1989 *Library Relocations and Collection Shifts* Dennis C. Tucker, 1999 You will also find information on using spreadsheets to shift periodical collections a sample moving contract a directory of useful resources and suggestions for further reading **Guide to Technical Services Resources** Peggy Johnson, Sheila S. Intner, 1994 This authoritative guide covers all areas of technical services **Handbook for Small, Rural, and Emerging Public Libraries** Anne Gervasi, Betty Kay Seibt, 1988 *Planning Library Buildings* Library Administration and Management Association. Buildings & Equipment Section, 1990 Preservation in Libraries Ross Harvey, Douglas Ross Harvey, 1993 A comprehensive guide to integrating preservation policy into all aspects of library management for both practicing and student information specialists It covers all aspects of preservation from the causes of the problem to disaster preparedness to the latest preservation technologies The emphasis is on the preventive aspects of preservation how to stop the deterioration problem before it starts A companion volume *Preservation in Libraries A Reader* 608 9 50 is also available Annotation copyright by Book News Inc Portland OR **Staff Training and User Awareness in Preservation Management** Association of Research Libraries, 1993 This resource guide briefly defines describes outlines and exemplifies a program with the goal of reaching library employees and library users with a message that states the positive benefits of enhanced collection preservation longevity usability and access The guide is organized and arranged to enable a library to evaluate its current preservation communication to staff and users and to begin or augment its own programs Suggestions are made for a start up effort and a more fully developed program is also described Lists are provided of the care and handling concepts to transmit to staff and users Examples are provided from the practices of other libraries Twenty three articles dealing with staff training and user awareness are presented and a list of 31 additional resources is included for supplemental reading SLD □□□□□, 1991 **Professional Collection Catalog** High Plains Regional Library Service System, 1992 The Library Quarterly, 1982 Includes section Reviews *Illinois Libraries*, 1991 Includes proceedings of the Illinois Library
